THE PEER LEADERSHIP PROGRAM

ESTABLISHED IN 1976

The Peer Leadership program provides seniors with an opportunity to work with freshmen as mentors and help ninth grade students with the transition to high school. Peer Leaders introduce incoming students to Upper School extracurricular and social opportunities, and engage in discuss groups.

THE STUDENTS

The small group of selected seniors chosen as Peer Leaders facilitate a year-long program for ninth-graders.

ACTIVITIES

Seniors participate in a late summer retreat to conclude their training. In late November, seniors and freshmen participate in an overnight retreat just prior to Thanksgiving. Peer Leadership concludes in March with a closing retreat for the freshmen and peer leaders.
