I hereby grant permission for video recordings, audio recordings, and digital photographs to be taken of my child and used in social media, print materials, and related press produced by, with, or for the Multnomah Education Service District (MESD).

The content is for students, parents, districts, elected officials, employees, partners, the MESD board, and the greater public to understand the services MESD provides.

I understand the publication may identify my child by first name, age, and where my child attends school.

I understand the publication may be printed and distributed to the general public, posted on the MESD website and social media channels, and shown to multiple audiences over several years.

The use of my child's image, recording, or likeness, regardless of the format it may appear in, does not confer any ownership rights on me, and I am not entitled to any compensation from MESD or any other entity related to that use.
