**District Proposed 7/25/24:**

**Section 14 Auxiliary Personnel**

Non-certificated personnel may be used to supplement or enrich programs but will not be used to supplant certificated personnel.

Non-certificated personnel ~~will~~ work under the ~~direct supervision~~ direction of certificated personnel as assigned by the site supervisor. Certificated personnel, if available, will be involved in the hiring process ~~screening~~ and selection of non-certificated personnel who will work under their supervision ~~direction~~. Participation on a hiring team is strictly voluntary. No additional compensation will be provided.

~~Non-certificated personnel will be provided appropriate orientation at the beginning of and during their service with the District. The certificated employee may access individual creativity funds (PGE) or Special Services/Special Needs At Risk Funds at the building level [with prior approval by the building team responsible for these funds], for release time to train new non-certificated personnel selected to work in his/her classroom.~~
