

MIDDLE SCHOOL WAB WILD CAMPS 2024/2025 SCHOOL YEAR

Dear Middle School parents,

The WAB Wild Outdoor Education Department is excited to announce the dates of the outdoor education trips for the upcoming 2024-25 school year! WAB Wild trips are often the highlight of the school year for middle school students and a chance for them to learn about outdoor safety, core camping skills and Leave No Trace principles.

These camps are part of the curriculum, and as such, attendance on these trips is compulsory. All students are expected to attend the full three days of the camp; it is not possible for students to join other classes if for any reason they miss their scheduled expedition. No alternative activities are organized by the Middle School for students who do not attend the camp.
