

# Respect Your Ride on AC Transit

The bus is yours. Please treat it, the operator, and other riders with respect. For your safety, there are some rules to follow while on board the bus...

Please **refrain from eating and drinking** on the bus. Help keep it clean for you and other riders.

Don't trash the bus. **Littering is not allowed.**

We're sure you're a great artist, but please **do not vandalize** the bus.

Smoking or vaping is gross. It's also **not permitted** on the bus.

**Wear headphones** while listening to music or watching videos on your phone.

**Keep your voice down.** Loud outbursts distract the bus operator.

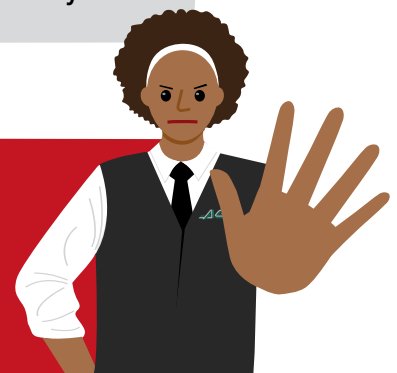

Federal law requires that priority seats be made available to **persons with disabilities and seniors.**

**Follow all instructions** from the bus operator. Your safety is the operator's priority.

**Illegal activities will not be tolerated while on board AC Transit.** Illegal activities like fighting, threats to others, and drug or alcohol use, are taken very seriously and will result in law enforcement being called and removal from the bus.

# Get to school on AC Transit

AC Transit provides regular and supplementary bus service to schools throughout the East Bay.

See which bus lines serve your school at [actransit.org/schools](https://actransit.org/schools)

Use the **AC Transit Official app** to track it in real time. Favorite frequently used bus stops and lines. Download the free app for iOS or Android.

Download on the  
App Store

## Pay *Your* Way

Get Clipper and take advantage of Youth fares (50% off regular AC Transit Adult fare).

Add your Clipper Card to your Apple or Google Wallet to pay with your phone and manage your account with the Clipper app. Don't have a Clipper Card? It's not too late to apply. For additional transit discounts, check out Clipper START.
