Key Considerations

South Hills 6-8 closes and students attend Arlington

- South Hills is projected to have fewer than 350 students in SY24-25
- South Hills currently shares space with Brashear
- Arlington has existing lab space for 6-8 Science

South Brook 6-8 closes and students attend Carmalt

***Pioneer remains at South Brook building**

- South Brook is less than 2.5 miles from Carmalt
- South Brook building is too small to house a full-sized 6-8 program
- **Challenges:** Pioneer would remain in a building with lots of excess capacity
