

Human Resources Department

Certificated and Classified Human Resources

The mission of the PVSD Human Resources Department is to hire, train, motivate and retain qualified certificated and classified employees to implement District programs and provide the best quality service for our students. We are dedicated to upholding the highest ethical standards in all areas of employee management; with strict adherence to state and federal mandates, the California Educational Code, PVEA and SEIU contracts and the Merit Rules and Regulations.

It is the policy of our District to provide a workplace compliant with state and local regulations, Board policies and District procedures and protocols. In part, this involves providing information and training on a yearly basis to review mandated notices.
