

Administrative Services

EMPLOYEE HEALTH & WELLNESS

PVSD wants our students, families and employees to be safe, healthy and feel supported. The Administrative Services department oversees health, student services, and certificated staff.

If you are in need of assistance, we can connect you with resources, services and trainings.

As the District's only credentialed, qualified health professionals, we provide education and consultation to students and staff on health, nutrition, special health care needs of children, accessing health care, self-health care, mental health wellbeing, domestic violence and safe school environment.

It is the policy of our District to provide a safe and healthful workplace.

In compliance with California law, and to promote the concept of a safe workplace, the District maintains training plans to limit the exposure to potentially harmful pathogens, toxins and viruses.

A comprehensive assessment of safe work practices can be found in the following District plans:

[Bloodborne Pathogen Exposure Control Plan](#)

Mental wellbeing or distress resources:

[Stress & Anxiety](#)

[Warning Signs of Suicide](#)

[Title IX Notice](#)

For questions regarding the District's health or wellness program, please contact:
