## 2024 TASN CONFERENCE SAN ANTONIO, TX

This July, YES Prep's **Child Nutrition Team** headed to San Antonio for the **Texas Association for School Nutrition's** (TASN) annual conference, dedicated to attracting vendors and educators alike for school staff around the nation. Our Lunch Program Monitors (LPMs) learned about new federal regulations, sources of nutrition, technology, and the systems that keep our schools running. It was a wonderfully educational trip and we hope to return next year!
