

## Fifth grade students are invited to join **Art Club**.

Two (one-day) workshops and two four-day classes will be offered during the FALL semester (\$1); students may sign up for more than one session. Please note that clay and painting are offered on the same days. Both will be offered again during the SPRING semester (\$2) for students that would like to attend both. The fees collected will be used to purchase materials. If a club meeting is cancelled, parents/students will be notified ASAP and a make-up date will be scheduled. Refunds will not be issued; please verify that the dates/times work for your family.

Class sizes are limited and may fill up quickly. The first students to register and submit payment through My Payments Plus will have their spots reserved. If you are unable to register, the class is likely full. Students that register for workshops will receive a ticket to attend; these will be distributed the week the workshop takes place. Students that register for four-day classes will receive a welcome letter one week prior to the start date. Please reach out to Ms. Humphries or Ms. Andreas with any questions.

**ALL** workshops and art sessions will be meeting on Thursdays from 3:15-4:30. Students will be dismissed from the **FRONT** of the school at 4:30. It's important that students have reliable transportation and are picked up on time.
