August 2024

Dear Families,

Happy Summer from Griswold Elementary School! We hope the past couple of months have been fantastic for you and your family. As August rolls in, we are gearing up for the 2024-2025 school year, and we're excited to make it a great one!

Last year, GES implemented the Kindness in the Classroom program from The Random Acts of Kindness Foundation across all grades. This program offers a lesson-based approach to Social Emotional Learning. We're thrilled to continue fostering connections in the classroom, school, community, and home through our new character traits: RESPECT, CARING, INCLUSIVENESS, INTEGRITY, RESPONSIBILITY, and COURAGE. Together, we aim to "Make Kindness the Norm" at Griswold Elementary School.

We hope your child has been enjoying CONNECTICUT READS, the 2024 Governor's Summer Reading Challenge! Reading is key to building independence, self-confidence, and expanding imagination. Check out [A Reading Message to Parents and Students](#). Additionally, the Connecticut Summer Math Challenge, "Blast Off the Math Success," is underway. Check out [A Math Message to Parents and Students](#). Remember, Reading and Mathematics are lifelong skills, and we appreciate the support from our State during the summer. Both the Summer Reading Journal and Summer Math Log are due by Friday, September 27th. If you need a copy of either, just let the GES office know. Let's aim for 100% student participation in each challenge!
