

# CAREER & TECHNICAL EDUCATION

CTE Classes can be taken to enhance the high school curriculum and provide a wide range of experiences and preparedness for post high school education and careers.

## *What is CTE?*

It is applied technical learning paired with academics and employability skills. CTE programs prepare students for college and career opportunities. ALL students can find their niche in Career & Technical Education!

Consult with your  
School Counselor &  
Career Development  
Facilitators!

your future

## Middle School Exposure

Students in grades 7 and 8 have CTE classes available (depending on school) in Computer Science, Business, and Agriculture. Talk to your school counselor about participating in these classes next year!

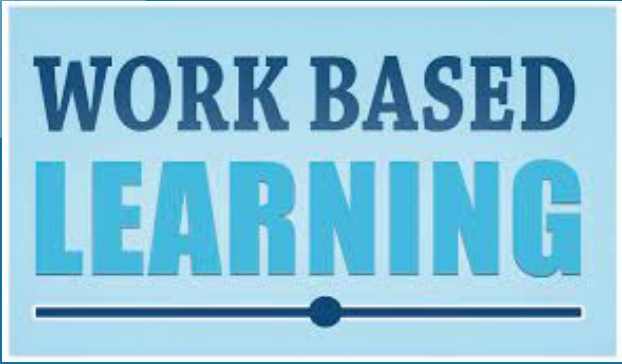

### NON-DISCRIMINATION NOTICE

Every student at the center will have equal educational opportunities regardless of ethnic or racial background, religious beliefs, sex, disability, immigrant status or English-speaking status, and economic or social conditions. The center will not refuse to admit or exclude any person based on these criteria.
