~IMPORTANT NOTICE, PLEASE READ IMMEDIATELY~

August 15, 2024

Dear CCSD Parents/Guardians,

I am writing to address an important matter regarding student immunization or immunization records.

Alaska state law requires all school children to be immunized in order to attend school. **CCSD follows the state's strict requirement of "No Shots, No School" and requires proof of immunization or immunization exemption.** By law, a student is not allowed to attend school unless they are compliant with immunization requirements.

Our school offices have identified which students are out of compliance with immunization requirements. Individual letters containing specific information regarding the immunization status of non-compliant students will be mailed to the student's parents/guardians on Friday, August 16, 2024. If you receive this mailing, it will be imperative to prioritize your child's immunizations or immunization record status. As you are likely aware, CCSD's first day of school is Tuesday, September 3, 2024. **Students will not be allowed to attend school until they are compliant with immunization requirements. Either proof of immunization or fully completed immunization exemption forms are required.** Also included below is a screenshot of the QR-Code for the "docket app." This app is user friendly and allows easy access to personal and family immunization records. Please feel free to be proactive now and check if your child's immunizations records are up-to-date.

If there are any questions regarding the state laws or district policies pertaining to immunizations and/or how to access immunization records or immunization exemption forms, please don't hesitate to reach out.

Respectfully,

Jackie Hanson, CCSD Superintendent
