

2024-25 COVID-19 Guidelines

Symptoms of COVID-19

- Fever
- Chills
- Cough
- Shortness of breath
- Body aches
- Headache
- Vomiting/diarrhea
- New loss of taste or smell
- Sore throat

Tested Positive for COVID-19

- Students and staff are encouraged to report to health services if they test positive for COVID-19.
- If your child tests positive for COVID-19, your child must stay home until they have been fever free (100.0 F or below) for more than 24 hours without the use of fever-reducing medication and your child has significant improvement in symptoms.
- Your child can choose to mask through day 10 of illness upon return to school, however it is not required.

Close Contacts/Household Members

- Close contacts of positive cases are not required to quarantine. Please closely monitor students for symptoms, stay home if they develop any symptoms, and consider getting tested.
