**NOW INTRODUCING...**  
**THE 24-25 SCHOOL YEAR**  
**"LIGHTS, CAMERA, ACTION: SPOTLIGHT ON  
LEARNING"**

**Connection  
to literature**

Greetings!

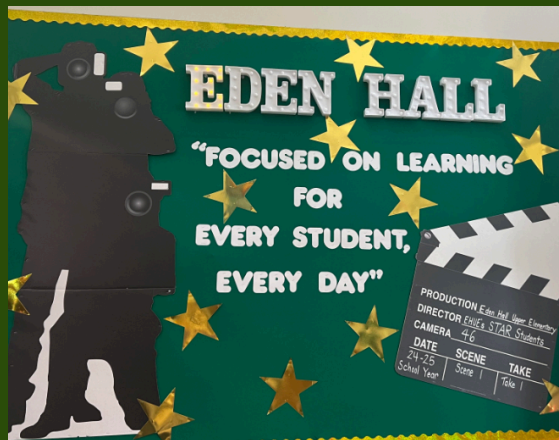

As we kick off the 2024-25 school year, we're thrilled to introduce our new theme, inspired by the book *Lotte's Magical Paper Puppets*: "**Lights, Camera, Action! Spotlight on Learning!**" Just as Lotte was excited to not only experience the magic of cinema but to create it herself, we're eager to bring the ***magic of learning to life***. This year, we look forward to seeing the entire EHUE community ***shine*** as our district mission—"focus on learning for every student, every day"—***takes center stage***.

We kicked off the start of our school year with great enthusiasm, beginning with New Family Orientation on the evening of Monday, August 12, followed by Find Your Classroom Day on August 14. Our team members were thrilled to welcome students and families into our school, setting the stage for a year filled with promise and excitement!

This Thursday, we welcomed our new team members and their mentors for our new hire orientation. Embracing our theme, "**Lights, Camera, Action! Spotlight on Learning,**" we shared essential information, highlighting our instructional resources, RAMS Way and building facilities. We also began collaboratively planning for the school year, setting the scene for a dynamic and engaging year ahead. It was a fantastic kickoff, perfectly aligning with our commitment to making every moment of learning a star performance.

We'll roll out the red carpet to welcome students back on August 22, setting the stage for an exciting new year. Embracing our theme, students will dive right into their educational journey from day one. They'll start with the RAMS Way Kick-Off, explore musical instruments and ensemble sign-ups, connect with new classmates in their biomes, and experience engaging new classes and teachers. This start to the year will ensure that every student is ready to shine as they take the stage in their learning adventure.
