Dear Parents/Guardians,

Unfortunately, as of today, a driver has yet to be hired for your child's afternoon bus route. As a result, your child's afternoon bus will be delayed for the foreseeable future. To avoid daily notifications, we are sending this one-time letter to inform you of the ongoing delay.

Once a driver is appointed for your child's route, we will notify you immediately through our Mass Notification System. Updates will also be posted on social media and the Silsbee ISD website under the Transportation Message section on the homepage.

We are concerned that frequent notifications may lead to parents becoming complacent. We want to ensure that important messages are not overlooked, mistakenly assumed to be about the daily bus delays.

When a driver is hired for your child's bus, we will issue a call, post to social media and on the Silsbee ISD website.

To stay informed about daily bus delays, please check the Silsbee ISD website regularly.

If you choose to pick up your child from school, please notify your child's campus before 2:00 p.m. on that day to inform them of the change.

We sincerely appreciate your patience and understanding as we actively work to hire more bus drivers.

Sincerely,
Silsbee Independent School District Transportation Department
