SAFETY DRILL WEEK

AUGUST 19-23

This week we will be conducting our first round of required safety drills. Our goal in teaching and practicing the procedures for these drills early, is to ensure that our students and staff know what to do in the event of an emergency. Teachers will spend time discussing and practicing what to do for each drill with their students prior to our practice drill.

Visit our [Pearland ISD Safe & Secure Schools](#) website for more information.
