

East Central ISD's Student Code of Conduct

2024-2025 School Year

Accessibility

If you have difficulty accessing the information in this document because of disability, please contact John Hernandez, Director of Student Services at 210-634-6660.

Purpose

The Student Code of Conduct as required by Chapter 37 of the Texas Education Code, provides methods and options for managing student behavior, preventing and intervening in student discipline problems, and imposing discipline.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences, including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP), expulsion from school.

This Student Code of Conduct has been adopted by the *East Central ISD* board of trustees and developed with the advice of the district-level planning and decision-making committee. It provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. This Code remains in effect during summer school and at all school-related events and activities outside the school year until the board adopts an updated version for the next school year.

In accordance with state law, the Student Code of Conduct shall be posted at each school campus or shall be available for review at the campus principal's office. Additionally, the Code shall be available at the campus behavior coordinator's office and posted on the district's website at www.ecisd.net. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Because the Student Code of Conduct is adopted by the district's board of trustees, it has the force of policy. In the event of a conflict between the Code and the Student Handbook, the Code shall prevail.

Please note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

East Central ISD Student Code of Conduct 2024-2025

General Overview

In order to promote a safe and secure learning environment for all of our students, the Board of Trustees has adopted this Student Code of Conduct. Inside you will find information regarding:

- The District-wide discipline management plan,
- A description of prohibited misconduct
- The disciplinary options, methods, and consequences for preventing and addressing student misconduct
- The process the District will follow when administering disciplinary consequences.

If there is a conflict between the Student Code of Conduct and the Student Handbook, the terms of the Student Code of Conduct will prevail. If there is a conflict between the Student Code of Conduct and District policy, the more recently adopted provision will control.

The Student Code of Conduct (SCOC) is enforced from the time the student enters a school bus or steps on the school campus or when a student attends any school-sponsored or school-related activities. In addition, pursuant to State law, the SCOC includes disciplinary consequences for certain conduct and behaviors that occur off-campus and not at any school-sponsored or school-related activities.

Students **may** be subject to campus, classroom, or organization rules in addition to those found in the Student Code of Conduct. Depending on the nature of the misconduct, students **may** face consequences under these additional rules as well as possible disciplinary action under the Student Code of Conduct.

References to the Texas Penal Code made in this SCOC are to define offenses only; in order to be punished under the SCOC, it is not necessary for the student to be charged or convicted under the Texas Penal Code or the Texas Family Code.

In situations where a student engages in conduct that is not specifically addressed in the Student Code of Conduct, the student **may** be disciplined if the conduct interferes with the educational process or learning environment.

Administrators and teachers have the right to question students regarding their conduct or the conduct of others, and in doing so are not required to comply with the procedural requirements imposed upon law enforcement officials. In the context of school discipline, students have no claim to a right not to incriminate themselves.

Teachers and administrators strive to notify parents/guardians of student conduct concerns as they occur. More serious violations of the Student Code of Conduct may result in school suspension, out-of-school suspension, removal of participation in extracurricular activities, DAEP placement, or expulsion from school. The campus behavior coordinator or campus administrator will contact the

East Central ISD Student Code of Conduct 2024-2025

parent/guardian by phone or in writing within three school days of becoming aware of the violation. (The failure to make contact or to send any notice within the time period noted above or a time period noted elsewhere in the Student Code of Conduct will **not** preclude disciplining a student involved in a violation of the Student Code of Conduct.)

Students eligible for services under the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act of 1973 will be disciplined in accordance with those laws. For more information about those specific procedures, please contact the Director of Special Education, Section 504 Coordinator, Dyslexia Coordinator, Joshua Kohutek at 634-6100. A student enrolled in a special education program may not be disciplined for bullying, harassment, or making hit lists until an ARD meeting is conducted.

With respect to students who are not receiving special education services, any District employee may, within the scope of the employee's duties, use and apply physical restraint to a student that the employee reasonably believes is necessary in order to:

- protect a person, including the person using the physical restraint, from physical injury
- obtain possession of a weapon or other dangerous object;
- protect property from serious damage
- remove from a specific location a student refusing a lawful command of a school employee, including from a classroom or other school property, in order to maintain or restore order or impose disciplinary measures
- restrain an irrational student.

The use of force, but not deadly force, against a student is justified if the teacher, administrator or other person is entrusted with the care, supervision or administration of the student, and when and to the degree the teacher, administrator or person reasonably believes the force is necessary to further the purpose of education or to maintain discipline in a group.

Students with disabilities will be restrained in accordance with limits imposed by state law and regulations. The District shall not discriminate against students on the basis of race, sex, national origin, disability, religion, color, or ethnicity when enforcing the provisions of the Student Code of Conduct.

Appeals of disciplinary measures should be directed to the teacher or campus administration, as described in local District policy FNG.

East Central ISD Student Code of Conduct 2024-2025

Depending on the disciplinary consequence assigned, different complaint procedures may apply. A copy of the appropriate policy is available at the campus or central administration office. Disciplinary consequences will not be delayed or deferred pending the outcome of an appeal.

Withdrawal from school after a student has been accused of or charged with a violation of the Student Code of Conduct will not prevent the District from investigating the alleged violation and, if it is determined that a violation did occur, assessing the appropriate disciplinary consequence and enforcing that consequence to the fullest extent permitted by law should the student re-enroll in the District.

Standards of Dress

ECISD takes pride in the appearance of its students. The Standards of Dress is intended to promote responsibility and good citizenship in a safe and respectful learning environment. (see next page)

ECISD Standards of Dress

Core value	Safe	Respectful	Responsible
General statement	For student safety, dress should be appropriate to classroom settings and activities as determined by the campus principal. For example, open-toed footwear should not be worn in a shop class, but may be allowed in a typical classroom setting.	Student dress on campus and at all school-related activities or events should demonstrate respectful representation of the ECISD student body and community. Clothing will have armpit to armpit coverage; shirt top length must cover back and torso with top length to the pant waistline. Pants/skirts/shorts must cover the entire bottom.	ECISD students should present positive grooming and hygiene habits that reflect the responsible character and attitudes developed in our classrooms.

5.24.23

****Campus administration will monitor the Standards of Dress on a regular basis. If a member of the campus administration staff determines that a student's grooming or clothing violates the school's Standards of Dress, the student will be given an opportunity to correct the problem at school and return to the classroom. If the problem cannot be corrected at school, a member of the campus administration staff will work with the student and parent to obtain an acceptable change of clothing for the student in a way that minimizes loss of instructional time.*

Guidelines for Cell Phones and Other Telecommunications Devices In Schools 2024 - 2025

East Central ISD Student Cell Phone Guidelines for All Schools

In 2011, ECISD Board of Trustees adopted board policy FNCE (local) which prohibits cell phone usage during instructional time with a \$15 fine to be assessed. The following recommendations are in collaboration with parents, community leaders, teachers, administrators, and district leaders in an effort to support the Board Policy FNCE (local).

The smartphone landscape has drastically changed over the last 13 years. Most notably, students have immediate and continuous access to social media sites, gaming platforms, videos, streaming services, to include unfettered access to adult content 24 hours a day. These platforms have been scientifically developed to hijack attention which has led to significant negative impact on adolescent development and learning. Research continues to show that unrestricted access to cell phones and other telecommunication devices in schools have a negative impact on student learning, behavior, and overall social-emotional well-being.

In accordance with ECISD Board Policy FNCE (local), students will NOT be allowed to use their cell phones to include but not limited to headphones/earbuds/speakers/etc during the instructional day. Cell phones and other telecommunication devices MUST be either placed on “do not disturb”, silenced, or turned off and stored away (not visible) at the start of the instructional day (*see definition below*). These devices are NOT allowed to be used unless given direct permission from campus administration until the instructional day ends. At specified campuses, students may use their telecommunication devices before and after school or in special circumstances determined appropriate by the campus principal.

The intent of the cell phone or telecommunication devices guidelines are to avoid distractions from learning by improving attention and focus during class. Increase the amount of time students are engaged in meaningful learning by eliminating the loss of instructional time. These guidelines are also in effort to decrease the number of disciplinary incidents related to cell phones during the school day to include but not limited to bullying, threats, harassment, intimidation, unlawful recordings, preplanned altercations, and other online social media posts that create substantial disruption to the school. Students are allowed to have a phone with them at school but must remain put away, silenced, placed on “do not disturb,” or turned off throughout the instructional day.

East Central ISD Student Code of Conduct 2024-2025

There will be limited exceptions where the principal can pre-approve a student to access their phone during the instructional day for special circumstances to include but not limited to medical reasons. A doctor's note must be on file and presented to the campus principal prior to approval.

Expectations

- Campus administrators will clearly state the expectations at the beginning of the year and all campus staff will be required to consistently reinforce the importance of maintaining a phone-free school environment and will enforce throughout the entire school day and year.
- For safety reasons, students are allowed to possess a cell phone or other telecommunications devices while at school. But, all students must abide by the District Guidelines at all times or be subject to further disciplinary action. Guidelines are as follows:
 - At the elementary schools, students are not allowed to use their cell phones or other telecommunication devices upon arrival to campus. Once on campus, cell phones or other devices must be silenced, or placed on "do not disturb," or turned off and stored away.
 - At the secondary campuses, students are allowed to use their cell phones or other devices before and after school only. Upon the first bell, all cell phones or other telecommunication devices must be silenced, placed on "do not disturb," or turned off and stored away.

Further Guidelines for Secondary Campuses

- **Upon the start of the instructional day (first bell), personal telecommunication devices, cell phones, or other personal electronic devices must remain silenced, turned off, or placed on "do not disturb." Cell phones MUST be stored away to prevent disruption to the learning environment until the end of the instructional day (last bell - dismissal).**
- For safety reasons, students are NOT allowed to use **headphones, earbuds, speakers**, or any other device placed over or inside the ear. All headphones, earbuds, or similar devices must be stored away at the start of the instructional day. Like cellphones, students at the secondary level are able to use them before and after school but not during the instructional day.
- If a student uses a telecommunication device without authorization during the instructional day, the device will be confiscated and delivered to the administration office. Only the parent/guardian

East Central ISD Student Code of Conduct 2024-2025

may pick up the confiscated device from the campus administration office for a **fee of \$15** per offense. In addition, students will receive additional disciplinary sanctions for repeat offenses. See Board Policy FNCE (Local).

- If a student is discovered to be using a telecommunication device during the instructional day, the device is to be collected by any authorized district employee to include: administrators, safety monitors, paraprofessionals, and teachers.
- Any confiscated device will be turned into the principal's office by the staff member by the completion of the day. The campus administrative office will contact the parent/guardian to notify them of the infraction and arrange for pickup for any devices that are confiscated during the day.
- All other disciplinary actions will be in accordance with the Student Code of Conduct.
- In the event of unauthorized use, the teacher/staff member should ask a student for the cell phone only one time. Failure to comply with surrendering a phone or other device will result in a referral from the teacher/staff member. Along with further disciplinary actions left to the discretion of the campus administration. To include but not limited to loss of driving privileges, loss of participation privileges, lunch detention, in school suspension, out of school suspensions. The student will still be assessed a \$15 fine and confiscation of the phone.
- The district, campus, or staff member is not responsible for damaged, lost, or stolen devices.
- Confiscated devices that are not retrieved by the parent will be disposed of after the notice required by law at the end of the school year. [see policy FNCE]
- In limited circumstances and in accordance with law, a student's personal telecommunication device may be searched by authorized personnel. [see policy FNF]
- Regardless if it is before or after school or at a school sanctioned event, if a student is caught capturing video or images on campus to promote violence, harass, intimidate, bully, promote drugs/alcohol, or in any manner deemed to cause a substantial campus disruption will be subject to disciplinary consequences per the student code of conduct. This will include confiscation of the device, assessed a \$15 fine, and in some circumstances the student may be subject to further consequences per the Texas Penal Code [21.15].
- During the day, the use of telecommunication devices is **strictly prohibited** at all times in locker rooms, restrooms, dressing, or changing rooms. Violation of this rule will result in disciplinary action in accordance with the Student Code of Conduct, confiscation of the device and possible consequences per the Texas Penal Code [21.15].
-

East Central ISD Student Code of Conduct 2024-2025

- In limited circumstances, students may have access to their cell phones or other devices for authorized medical reasons (for example: to check blood sugar levels). The students must have prior approval from the campus principal and a doctor's note must be on file with the nurses office. Campus administration will communicate with the appropriate staff regarding the approved limited access.
- In cases of emergencies, if a student needs to make a call to a parent or employer the student may only make this call in the administration office after they have received permission from the campus administrative staff. During class time, the student must follow campus procedures for requesting a pass from the teacher and only if the teacher allows, may the student be given a pass from the teacher to the administration office. With administrative approval they are allowed to make the call.
- If students need to use technology for instructional purposes the campus will provide the use of Chromebooks or other electronic devices during the instructional day. Personal telecommunications devices are not required nor permitted during the instructional day.
- If a parent/guardian needs to contact the student for any reason, they may call the administration office of the campus and request to speak with their child. Administration will call for the student to come to the office and allow the student to call the parent back while in the administrative office.
- The student shall also acknowledge receipt and understanding of applicable regulations included in these guidelines and in the Student Handbook.

School District Authority and Jurisdiction

School rules and the district's authority to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The district has disciplinary authority over a student:

- During the regular school day
- While traveling to and from school or school activities on district transportation
- During lunch periods, including those in which a student leaves the campus
- At any school-sponsored or school-related activity, regardless of time or location
- For any school-related misconduct, regardless of time or location
- When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location
- When a student engages in cyberbullying, as defined by Education Code 37.0832
- When criminal mischief is committed on or off school property or at a school-related event
- For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line
- For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas
- When the student commits a felony, as provided by Education Code 37.006 or 37.0081;
- When the student is required to register as a sex offender.
- As provided in extracurricular or organization handbooks, by-laws, or constitutions
- Other off campus conduct as permitted by Chapter 37 of the Texas Education Code

Campus Behavior Coordinator

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator. The campus behavior coordinator is primarily responsible for maintaining student discipline. The Associate Principal at each Secondary Campus and each Elementary School Assistant Principal will serve as the [Campus Behavior Coordinator](#).

Threat Assessment and Safe and Supportive School Team

The campus behavior coordinator or other appropriate administrator will work closely with the campus threat assessment safe and supportive school team to implement the district's threat assessment policy and procedures, as required by law, and shall take appropriate disciplinary action in accordance with the Code.

East Central ISD Student Code of Conduct 2024-2025

Searches

District officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and district policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the district's policies at FNF(LEGAL) and FNF(LOCAL) for more information regarding investigations and searches.

The District has a right to search a student's clothing, personal property, vehicle, or other method of transportation whenever there is reasonable suspicion to believe the search will reveal articles or materials prohibited by the District. School property used by the student (such as lockers, desks, district provided technology) may be searched in some circumstances. Students **may** be disciplined for possession of prohibited items discovered during a search. Pursuant to Board Policy FNF (Local), FNF (LEGAL) , the District may use specially trained non-aggressive dogs to sniff out and alert school officials to the presence of concealed prohibited items, illicit drugs and substances and alcohol. Parents and students are hereby put on notice that:

- Lockers may be sniffed by trained dogs at any time
- Vehicles parked on school property may be sniffed by trained dogs any time
- Classrooms and other common areas may be sniffed by trained dogs at any time when students are not present
- If any contraband of any kind is found, the possessing student shall be subject to appropriate disciplinary action in accordance with this Student Code of Conduct.

Please take note: Nearly every year there is an incident involving a student whose vehicle is found to contain some prohibited item, and the student claims that he or she had no knowledge it was in the vehicle. Students **are** held responsible for making sure that whatever vehicle they drive to and park on any school property does not contain any prohibited items. Therefore, it is important to check the vehicle **before** the student comes onto school property.

Certain acts of misconduct may also be considered criminal offenses in addition to violations of the Student Code of Conduct. Because school discipline is independent of criminal prosecution, disciplinary consequences usually will **not** be postponed pending the outcome of any criminal proceeding. As previously noted, it is not necessary for a student to be charged or convicted under the Texas Penal Code or the Texas Family Code in order to be disciplined pursuant to this Student Code of Conduct.

Reporting Crimes

The principal *or* campus behavior coordinator and other school administrators as appropriate shall report crimes as required by law and shall contact ECPD when an administrator suspects that a crime

East Central ISD Student Code of Conduct 2024-2025

has been committed on campus.

Security Personnel

To ensure the security and protection of students, staff, and property, the board employs School Resource Officers. In accordance with law, the board has coordinated with the campus behavior coordinator and other district employees to ensure appropriate law enforcement duties are assigned to security staff. The law enforcement duties of district peace officers are listed in policy CKE(LOCAL).

The law enforcement duties of school resource officers are: To ensure sufficient security and protection of students, staff, and property.

“Parent” Defined

Throughout the Code of Conduct and related discipline policies, the term “parent” includes a parent, legal guardian, or other person having lawful control of the child.

Participating in Graduation Activities

The district has the right to limit a student’s participation in graduation activities for violating the district’s Code.

Participation might include a speaking role, as established by district policy and procedures.

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. The number one ranking summa may also have speaking roles at graduation. No student shall be eligible to have such a speaking role if he or she engaged in any misconduct that resulted in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

Unauthorized Persons

In accordance with Education Code 37.105, a school administrator, school resource officer (SRO), or district police officer shall have the authority to refuse entry to or eject a person from district property if the person refuses to leave peaceably on request and:

1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting and persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.

East Central ISD Student Code of Conduct 2024-2025

Appeals regarding refusal of entry or ejection from district property may be filed in accordance with policies FNG(LOCAL) or GF(LOCAL), as appropriate. However, the timelines for the district's grievance procedures shall be adjusted as necessary to permit the person to address the board in person within 90 calendar days, unless the complaint is resolved before a board hearing.

Standards for Student Conduct

Each student is expected to:

- Demonstrate courtesy, even when others do not.
- Behave in a responsible manner.

Participation in East Central Student Groups is a privilege, not a given right and is conditioned on the student's compliance with all rules and regulations of the activity and District policies and guidelines, including these guidelines. The use, possession, sale, or furnishing to others of alcohol, tobacco or drugs of any kind is strictly prohibited. These guidelines and statements of consequences apply to all East Central Student Group activities sponsored by the East Central Independent School District. The purpose of these guidelines is to deter and eliminate any use, possession, sale, or the furnishing to others of

East Central ISD Student Code of Conduct 2024-2025

alcohol, tobacco or other drugs and disorderly conduct or inappropriate behavior. The guidelines are to help students avoid drug, tobacco, alcohol use, to promote positive behaviors and to establish consistency in consequences across all activities for students who do not comply with the guidelines. It is to promote a high quality educational experience in all activities and assist ECISD to maintain order and a safe learning environment, and to promote a high level of civic and individual responsibility among students.

East Central Student Groups are subject to these guidelines at all times throughout the twelve month calendar year, whether the activity is “in season” or inactive and on weekends and during school holidays. Students transitioning from one grade into the next who, during the summer, engage in conduct that violates the policy will be subject to the guidelines.

To ensure consistency among activities, all East Central Student Groups shall use these guidelines. However, nothing in these guidelines prohibits a sponsor from developing activity guidelines and rules to address topics other than alcohol, tobacco, illegal drug activities, disorderly conduct or inappropriate behavior.

During this time, the East Central Student Group student will be required to attend and participate in any and all practices as required by the sponsor.

limited to Dance & Drill Teams, JROTC, Cheerleaders, Spirit Groups, Band, FFA, Sports, Fine Arts, Clubs, UIL governed Activities, Student Council and other school sponsored student activities unique to a campus.

An East Central Student Group student violates the Guidelines if he or she:

- Receives a positive test result from random drug testing performed under the guidelines of drug testing policy of East Central Independent School District.
- Engages in any act listed as Levels 1, 2 or 3 offenses.

An East Central Student Group student who receives an MIP, MIC, DUI, DWI, other alcohol/tobacco/drug citation shall promptly notify the activity sponsor. An East Central Student Group student who fails to do so may be subject to further disciplinary action once the activity sponsor or administrator learns of the offense. The consequences for violation of the policy apply regardless of the disposition of any citation the student may receive.

Process: When an activity sponsor or campus administrator learns that an East Central Student Group student has violated the guidelines, the sponsor or administrator will attempt to gather as much information as is available about the suspected violation and will communicate with the student and his/her parents to review the information. The sponsor or administrator will take reasonable steps to ensure the student and his/her parents are notified of the suspected violation of the policy and to offer the student and his/her parents a meeting with the administrator and/or sponsor and give them an opportunity to provide information about the student's suspected actions. Parents and/or students who refuse to promptly meet with the sponsor or administrator forfeit their opportunity for a conference.

The administrator or sponsor will notify the student and his/her parents in writing of the reasons for any consequences imposed.

Students may request to be placed on a First Offender Disciplinary Contract for the possibility

East Central ISD Student Code of Conduct 2024-2025

of reducing the number of days suspended from their activity. All requests will be considered on a case-by-case basis and not all requests may be granted. A student or parent who is not satisfied with the outcome of the conference or the principal's decision may appeal the decision through the District's Student and Parent Complaint Policy - FNG (Local), but the consequence will not be delayed during any appeal. Copies of the policy are available on the District's website or may be obtained from the school.

The Substance Abuse Testing Guidelines

Extracurricular Participation and Driving Privileges

Applicability

This policy applies to all students in grades 7 - 12 who participate in school sponsored competitive extracurricular programs and/or as a condition of obtaining and maintaining a permit to drive and park on campus.

Notification

The District shall notify students of the Guidelines by giving each student, who participates in school sponsored competitive extracurricular programs and/or who intends to drive a vehicle to school, a copy of the guidelines and obtain a written acknowledgement from each student verifying that the guidelines have been received and read. Consent forms for testing shall be signed by both the student and a parent/guardian/custodian at the beginning of the school year or as soon as the child knows he/she plans to participate in school sponsored competitive extracurricular programs. A student may not participate in a school sponsored competitive extracurricular program until a signed consent form is obtained. Likewise, consent forms for testing are required for any student who drives a vehicle to school and is required to have a permit to park on campus.

All testing will be conducted by urinalysis performed by a laboratory certified by the Substance Abuse and Mental Health Services Administration. All specimens that show positive on the initial screen will be confirmed by a second analytical procedure, Gas Chromatography/Mass Spectrometry. All students participating in a school sponsored competitive extracurricular program and/or who are driving and parking a vehicle at the high school shall be subject to random testing. Students will be selected for testing by random selection, which will be conducted by an outside third party. Parental consent for a student to submit to biological testing shall be required as a condition of participation in any school sponsored competitive extracurricular program and/or as a condition of driving a vehicle to school. If a student or his/her parent/guardian/custodian refuses to sign a consent form, the student shall not be permitted to be a member of any school sponsored competitive extracurricular program and/or will not be allowed to drive a vehicle to school.

Medical Review Officer

The Vendor with whom the District contracts for the drug testing shall provide the services of a Medical Review Officer (MRO) who is certified by the Medical Review Officer Certification Council or by the American Association of Medical Review Officers as having proven by examination to have had the appropriate medical training so as to properly interpret and evaluate the results of any drug testing as may be authorized by the District.

East Central ISD Student Code of Conduct 2024-2025

The MRO shall, as well, agree to abide by the procedures as may be established by the District for the evaluation and timely reporting of any positive drug test.

Random Selection of Students

Students in school sponsored competitive extracurricular programs and/or who drive a vehicle to school shall be placed in a pool and shall be subject to testing anytime during the school year. The selection of students must be made by a scientifically valid method, such as a double-blinded random numeric generator. Under this selection process, each student will have an equal chance of being tested each time selections are made. Test dates and students selected to be tested will be determined by an independent testing firm. The schedule will not follow any recognizable pattern. The drugs to be screened are determined by the East Central I.S.D. Board of Trustees and are listed in the Drug Section of this policy. The Superintendent or his designee will take reasonable steps to assure integrity, confidentiality, and random nature of the selection process including, but not necessarily limited to, assuring that all participating students are in a pool that the person drawing the names has no way of knowingly choosing or failing to choose particular students for testing, assuring that the identity of the students drawn for the testing is not known to those involved in the selection process. All students, including seniors, who begin the school year in a school sponsored competitive extracurricular program and/or who drive a vehicle to school, shall remain in the random drug testing pool until the last day of school. When notified, any student not reporting promptly to the designated area or not otherwise following testing procedures shall be subject to the same consequences as having had a positive test result.

Drugs

For the purposes of the Guidelines, the drugs to be tested may include any substance considered illegal for a student less than 21 years of age by either Federal or Texas law or which the Food and Drug Administration controls. The testing laboratory will test the following drug classes, substances or their metabolites in collected urine specimens. They include: Amphetamines, Anabolic Steroids, Barbiturates, Benzodiazepines, Cocaine Metabolites, LSD, Marijuana Metabolites, Methadone, Methaqualone, Opiates, Phencyclidine, Propoxyphene and Synthetic drugs such as K2, pep spice, etc.

Procedures

Names of students to be tested will be delivered to the Principal's office or designee immediately prior to the testing. The High School administration will notify the students to be tested and shall direct the selected students to report to the designated area immediately. Testing will take place in a designated area as determined by the school principal or designee. An independent testing company will administer all tests. Tests may be required on any school day and anytime during the school day. Selected students will wait in the designated area and will be called into the testing area one at a time.

Procedures for a Positive Result

Whenever a student's test result indicates the presences of an illegal drug and/or banned substance, the following will occur:

East Central ISD Student Code of Conduct 2024-2025

1. The Medical Review Officer, within 24 hours, will notify the parent/guardian/custodian and the student of any positive results. Should the MRO be unsuccessful in initial attempts to contact the parent within the time specified, the District shall provide assistance in locating the parent or person otherwise in lawful control of the participant. Upon verification of a positive test result, the MRO or representative shall report the result to the Superintendent, Principal or designee within one school day after contacting the parent or person otherwise responsible for the participant. A written notification from the primary contact, by form letter, will be sent to the parent/guardian/custodian by certified mail. Likewise, the District will contact the parent/guardian/custodian by certified mail for the purpose of identifying approved drug abuse counseling agencies. If the parent/guardian/custodian chooses to use a counseling service or agency other than those listed, the District must give prior approval before the counseling begins. The District may keep all test results for the period of one year, or the length of the student's enrollment at the high school, whichever of the two is greater.
2. The student will be notified and be required to submit a monthly urine specimen, via the Vendor as part of the regular testing schedule for the high school.
3. If the parent/guardian/custodian or student wants to contest the results, the Vendor will arrange for a split portion of the specimen to be submitted to another laboratory certified by the Substance Abuse and Mental Health Services Administration (SAMSHA). This is done at parent/guardian/custodian or student expense. Such a request must be made to the school district in writing within 72 hours of notification of positive test results by the Medical Review Officer (MRO).
4. The Medical Review Officer (MRO) for the district may use quantitative results to determine if positive results on repeat testing indicated recent use of illicit or banned Substances or the natural decline of levels of the illicit or banned substances from the body.

Appeals (For Substance Abuse Testing Results)

For positive test/results, the student or his/her parent/guardian/custodian has the opportunity to submit any relevant medical information that may provide a legitimate explanation for the positive result to the physician serving as the Medical Review Officer. The decision of the Medical Review Officer shall be final. The laboratory will keep all specimens reported as positive in frozen storage for one year. During this time, the parent/guardian/custodian of the student who has provided the sample shall be permitted by the District to have a portion of the original sample sent to a different SAMSHA laboratory for analysis at the parent's/guardian's/custodian's expense.

Notification

The campus behavior coordinator shall promptly notify a student's parent by phone or in person of any violation that may result in in-school or out-of-school suspension, placement in a DAEP/RTC, placement in a JJAEP, or expulsion. The campus behavior coordinator shall also notify a student's parent if the student is taken into custody by a law enforcement officer under the disciplinary provisions of the Education Code.

A good-faith effort shall be made to provide written notice/phone contact of the disciplinary action to the student and/or guardian, on the day the action was taken, for delivery to the student's parent. Before the principal or appropriate administrator assigns a student under age 18 to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

East Central ISD Student Code of Conduct 2024-2025

Appeals

Questions from parents regarding disciplinary measures should be addressed to the teacher, campus

administration, or campus behavior coordinator, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy FNG(LOCAL). A copy of the policy may be obtained from the principal's office, the campus behavior coordinator's office, or the central administration office or www.ecisd.net.

The district shall not delay a disciplinary consequence while a student or parent pursues a grievance. In the instance of a student who is accused of conduct that meets the definition of sexual harassment as defined by Title IX, the district will comply with applicable federal law, including the Title IX formal complaint process. See policies FFH(LEGAL) and FFH(LOCAL).

Removal by a School Bus Driver

The driver of a school bus transporting students to or from school or a school-sponsored or school-related activity may inform the Transportation Director regarding student behavior on the bus. The Transportation Director and Campus Behavior Coordinator will collaborate to maintain effective discipline on the school bus. The campus behavior coordinator shall respond by employing appropriate discipline management techniques consistent with the student code of conduct. Misconduct will be punished in accordance with the Student Code of Conduct; the privilege to ride in a district vehicle, including a school bus, may be suspended or revoked, in accordance with law.

Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

Routine Referral

A routine referral occurs when a teacher sends a student to the campus behavior coordinator's office as a discipline management technique. The campus behavior coordinator shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for behavior that violates this Code to maintain effective discipline in the classroom.

Formal Removal from Classroom by Teacher

A teacher **may** remove a student from class when:

- The student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach or with learning of other students; or
- The behavior is so unruly, disruptive, or abusive that it seriously interferes with the teacher's

East Central ISD Student Code of Conduct 2024-2025

ability to teach or with the learning of other students

- Student engages in behavior that violates the Student Code of Conduct

A teacher **must** remove a student from class if the student engages in conduct that requires or permits

DAEP placement or expulsion under the Texas Education Code.

No later than three school days after a teacher has formally removed a student from class, the campus behavior coordinator or appropriate administrator will schedule a conference between the administrator, the student's parent/guardian, the student, and the teacher. At the conference, the student will be provided an explanation of the basis for removal and be given an opportunity to respond. After the conference, the administrator will render a discipline decision and inform the student and parent/guardian of the consequences.

When a teacher utilizes a formal removal of the student from the classroom, the administrator **may** place the student in: (1) another appropriate classroom, (2) in-school suspension, (3) out-of-school suspension, or (4) DAEP.

Returning a Student to the Classroom

If the teacher removed the student from class because the student engaged in assault resulting in bodily injury, aggravated assault, sexual assault, or aggravated sexual assault against the teacher, the student **may not** be returned to the teacher's class without the teacher's consent. In other cases where the teacher initiates a formal removal, the student **may** only be returned to the teacher's class without the teacher's consent if the Placement Review Committee determines that the teacher's class is the best or only alternative.

Positive Behavior Support and Instruction (PBSI)

In this District, In-School Suspension (ISS) is also referred to as Positive Behavior Support and Instruction (PBSI). Students **may** be placed in PBSI for any misconduct listed in any category of the Student Code of Conduct. An assignment to PBSI **may** exceed three consecutive school days. While assigned to PBSI and under the supervision of a paraprofessional employee, students will complete assignments given them by their regular teachers, as well as participate in and complete positive change activities.

The student will be informed of the reason for placement in ISS or PBSI, and will be given an opportunity to respond before the administrator's decision is final. If the ISS or PBSI placement is going to extend the three consecutive days, the campus administrator shall schedule a conference among the parent, student and administrator to discuss the reason for the removal. Whether or not each requested person is in attendance after valid attempts to require the person's attendance, the principal shall order the extended placement of the student in ISS or PBSI.

East Central ISD Student Code of Conduct 2024-2025

Out-of-School Suspension (OSS)

Students **may** be suspended from school for any misconduct listed in any category of the Student Code of Conduct. The student will be informed of the reason for out-of-school suspension and be given an opportunity to respond before the administrator's decision is final. While the student is suspended, the

administrator **may** place restrictions on the student's participation in school-sponsored or school-related activities. Students **may** be suspended for a maximum of three school days per behavior violation.

The district shall not use out of school suspension for students in grades 2 or below unless the conduct meets the requirements established in law.

A student below grade 3 or a student who is homeless shall not be placed in out-of-school suspension unless, while on school property or while attending a school-sponsored or school-related activity on or off school property, the student engages in:

- Conduct that contains the elements of a weapons offense, as provided in Penal Code sections 46.02 or 46.05;
- Conduct that contains the elements of assault, sexual assault, aggravated assault, or aggravated sexual assault, as provided by the Penal Code; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.

The district shall use a positive behavior program as a disciplinary alternative for students below grade 3 who commit general conduct violations instead of suspension or placement in a DAEP. The program shall meet the requirements of law.

Process

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the campus behavior coordinator or appropriate administrator, who shall inform the student of the alleged misconduct and give the student an opportunity to respond to the allegation before the administrator makes a decision.

The campus behavior coordinator shall determine the number of days of a student's suspension, not to exceed three school days.

East Central ISD Student Code of Conduct 2024-2025

In deciding whether to order out-of-school suspension, the campus behavior coordinator shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless

The campus behavior coordinator or appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and cocurricular activities.

Coursework During Suspension

The district shall ensure a student receives access to coursework for foundation curriculum courses while the student is placed in in-school or out-of-school suspension, including at least one method of receiving this coursework that doesn't require the use of the internet.

A student removed from the regular classroom to in-school suspension or another setting, other than DAEP, will have an opportunity before the beginning of the next school year to complete each course the student was enrolled in at the time of removal. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district.

On Campus DAEP

A student who is removed from the regular classroom may be placed in PBSI for an extended period of time, not to exceed 45 days. In such cases, students are considered to be assigned to the "On campus DAEP" program. Students in the "On Campus DAEP" program may be required to wear a uniform similar to the DAEP/RTC uniform. They may or may not be assigned to their home campus, and may or may not be provided transportation to and from school while in the "On Campus DAEP" program.

Disciplinary Alternative Education Program (DAEP)/Restorative Transition Center (RTC)

The DAEP/RTC shall be provided in a setting other than the student's regular classroom. An elementary school student must be in a separate class from other secondary students assigned to DAEP.

For purposes of DAEP/RTC, elementary classification shall be kindergarten–grade 5 and secondary

East Central ISD Student Code of Conduct 2024-2025

classification shall be grades 6–12.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Reasons for Discretionary DAEP/RTC Placement

A student **may** be placed in DAEP/RTC for any of the following misconduct if committed while on school property, within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property. A student may be placed in a DAEP for the following conduct violations:

- Criminal mischief if the damage is less than \$1,500
- Possessing or selling less than a usable amount of stems, seeds, or other pieces of marijuana
- Is involved with a public school fraternity, sorority, secret society, or gang, including participating as a member or pledge, or solicits another person to become a member or pledge
- Possessing, using, selling, or giving paraphernalia (see **glossary**) related to any prohibited substance, including but not limited to marijuana, a controlled substance, dangerous drug, or an alcoholic beverage
- Abusing the student's own prescription drug; giving, buying, or selling a prescription drug; possessing, using, or being under the influence of another person's prescription drug if not a felony

East Central ISD Student Code of Conduct 2024-2025

- Preparing a hit list (see **glossary**)
- Committing or assisting in a robbery, theft, or burglary that is not punishable as a felony or possessing stolen property
- Committing or assisting in a robbery, theft, or burglary that is not punishable as a felony or

possessing stolen property
- Engaging in persistent misbehavior that violates this Student Code of Conduct as identified in “General Type of Prohibited Misconduct”. Persistent misbehavior is defined as two or more violations of the Student Code of Conduct in general, or repeated occurrences of the same violation
- Engaging in serious misbehavior that violates the Student Code of Conduct. Student engages in deliberate violent behavior that poses a direct threat to the health or safety of others; or extortion, coercion, public lewdness, indecent exposure, criminal mischief, personal hazing, or harassment of a student or district employee

Misconduct Identified in State Law

In accordance with state law, a student may be placed in a DAEP for any of the following offenses:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide
- Inciting violence against a student through group bullying
- Releasing or threatening to release intimate visual material of a minor or of a student who is 18 years of age or older without the student’s consent
- Involvement in a public school fraternity, sorority, or secret society, or gang including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See definitions)
- Involvement in criminal street gang activity. (See definitions)
- Criminal mischief, not punishable as a felony

In accordance with state law, a student **may** be placed in a DAEP if the superintendent or the superintendent’s designee has reasonable belief (see **glossary**) that the student engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses in Title 5 (see **glossary**) of the Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student’s presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The campus behavior coordinator **may** place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

East Central ISD Student Code of Conduct 2024-2025

Reasons for **Mandatory DAEP/RTC Placement**

A student **must** be placed in DAEP/RTC for any of the following misconduct, if committed while on school property, within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See **glossary**.)

- Commits an assault (see **glossary**) under Penal Code 22.01(a)(1) against a school employee/volunteer. Assault against a person not school employee/volunteer
- Sells, gives, or delivers to another person or possesses, uses, or is under the influence of marijuana, a controlled substance, or a dangerous drug in an amount not constituting a felony offense. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision. (School-related felony drug offenses are addressed in **Expulsion**) (See **glossary** for “under the influence” “controlled substance,” and “dangerous drug.”)
- Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if the conduct is not punishable as a felony offense. (School-related felony alcohol offenses are addressed in **Expulsion**)
- Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals, abuse of glue or aerosol paint
- Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure (See definitions)
- Engages in conduct that contains the elements of an offense of harassment against an employee under Penal Code 42.07(a)(1), (2), (3), or (7)
- Engages in expellable conduct if the student is between six and nine years of age.
- Commits a federal firearms offense if the student is six years of age or younger
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in **Expulsion**)
- Breach of computer security
- Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (see **glossary**) of the Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
 1. The student receives deferred prosecution (see **glossary**),
 2. A court or jury finds that the student has engaged in delinquent conduct (see **glossary**), or
 3. The superintendent or designee has a reasonable belief (see **glossary**) that the student

East Central ISD Student Code of Conduct 2024-2025

engaged in the conduct

Sexual Assault and Campus Assignments

A student shall be transferred to another campus if:

- The student has been convicted of continuous sexual abuse of a young child or disabled individual or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus; and
- The victim's parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus

If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

Off-Campus

A student **must** be placed in DAEP for the following misconduct while off-campus and not in attendance at a school-sponsored or school-related activity:

Regardless of location a student **shall** be placed in DAEP as provided by Texas Education Code § 37.0081, if:

1. the student received deferred prosecution for a Title 5 felony (*see definitions*) offense, or was found by a court or jury to have engaged in delinquent conduct for a Title 5 felony offense, and
2. the administrator believes the student's presence in the regular classroom threaten
3. the safety of other students or teachers, is detrimental to the educational process, or is not in the best interest of the District's students.

In this circumstance, DAEP placement **shall** be ordered regardless of:

1. the date on which the conduct occurred,
2. the location at which the conduct occurred,
3. whether the student was enrolled in the District at the time the conduct occurred,
or
4. whether the student successfully completed any court disposition requirements regarding the conduct.
 - A court or jury finds the student engaged in delinquent conduct for a Title 5 felony offense.
 - The administrator reasonably believes that the student engaged in a Title 5 felony offense.

Regardless of Location

East Central ISD Student Code of Conduct 2024-2025

A student **must** be placed in DAEP if the student engages in the following misconduct, regardless of whether the conduct occurred on or off campus:

- Issues a false alarm or report (*see glossary*) or a terroristic threat (*see glossary*) involving a public school.
- Retaliates (*see glossary*) against any school employee.
- Students who are convicted, receive deferred adjudication, been found to have engaged in delinquent conduct or conduct in need of supervision, or been placed on probation for either sexual assault or aggravated sexual assault against another student assigned to the same campus at the time the offense occurred shall be placed in DAEP or another campus, (or may be placed in JJAEP as appropriate) if the victim student does not wish to transfer, and there is only one campus serving that grade level.

Process

Removals to a DAEP/RTC shall be made by the campus behavior coordinator.

Conference

When a student is removed from class for a DAEP offense, the campus behavior coordinator or appropriate administrator shall schedule a conference within three school days with the student's parent, the student, and, in the case of a teacher removal, the teacher.

At the conference, the campus behavior coordinator or appropriate administrator shall provide the student:

- Information, orally or in writing, of the reasons for the removal;
- An explanation of the basis for the removal; and
- An opportunity to respond to the reasons for the removal

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student's parents attend the conference.

Consideration of Mitigating Factors

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (*see glossary*),

East Central ISD Student Code of Conduct 2024-2025

2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless

Placement Order

After the conference, if the student is placed at DAEP/RTC, the campus administrator shall write a placement order. A copy of the DAEP/RTC placement order shall be sent to the student and the student's parents.

If the student is placed in a DAEP/RTC and the length of placement is inconsistent with the guidelines included in this Code, the placement order shall give notice of the inconsistency.

Coursework Notice

The parent or guardian of a student placed in DAEP/RTC shall be given written notice of the student's opportunity to complete, at no cost to the student, a foundation curriculum course in which the student was enrolled at the time of removal and which is required for graduation. The notice shall include information regarding all methods available for completing the coursework.

Length of Placement

The campus behavior coordinator will use the ECISD Discipline Code Handbook to determine the appropriate Stage of the offense and shall determine the duration of a student's placement in a DAEP/RTC (Restorative Transition Center)

The duration of a student's placement shall be determined case by case based on the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The maximum period of DAEP/RTC placement shall be one calendar year, except

East Central ISD Student Code of Conduct 2024-2025

as provided below.

Unless otherwise specified in the placement order, days absent from the DAEP/RTC placement shall not count toward fulfilling the total number of days required in a student's DAEP/RTC placement order.

The district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

Exceeds One Year

Placement in a DAEP/RTC may exceed one year when a review by the district determines that the student is a threat to the safety of other students or to district employees.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

Exceeds School Year

Students who are in a DAEP/RTC placement at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP/RTC to extend beyond the end of the school year, the campus behavior coordinator or the board's designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see **definitions**) that violates the district's Code.

Exceeds 60 Days

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent shall be given notice and the opportunity to participate in an Appeal proceeding before the board or the board's designee.

Appeals

East Central ISD Student Code of Conduct 2024-2025

Questions from parents regarding disciplinary measures should be addressed to the campus administration.

Student or parent appeals regarding a student's placement in a DAEP/RTC should be addressed in accordance with policy FNG(LOCAL). A copy of this policy may be obtained from the principal's office, the central administration office, or at www.ecisd.net.

Disciplinary Appeals shall begin at *Level One* with the Director of Student Services

The district shall not delay disciplinary consequences pending the outcome of an appeal. The decision to place a student in a DAEP/RTC cannot be appealed beyond the board.

Restrictions During Placement

State law prohibits a student placed in a DAEP/RTC for reasons specified in state law from attending or participating in school-sponsored or school-related extracurricular activities.

A student placed in a DAEP/RTC shall not be provided transportation unless he or she is a student with a disability who is entitled to transportation in accordance with the student's individualized education program (IEP) or Section 504 plan.

For seniors who are eligible to graduate and are assigned to a DAEP at the time of graduation, the placement in the program shall continue through graduation, and the student shall not be allowed to participate in the graduation ceremony and related graduation activities, unless the campus review committee approves the request.

Placement Review

A student placed in a DAEP shall be provided a review of his or her status, including academic status, by the campus behavior coordinator or the board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

Additional Misconduct

If during the term of placement in a DAEP the student engages in additional misconduct for which

East Central ISD Student Code of Conduct 2024-2025

placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator may enter an additional disciplinary order as a result of those proceedings.

Notice of Criminal Proceedings

When a student is placed in a DAEP/RTC for certain offenses, the office of the prosecuting attorney shall

notify the district if:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence, and no formal proceedings, deferred adjudication (see **glossary**), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP/RTC for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parents may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

Withdrawal During Process

East Central ISD Student Code of Conduct 2024-2025

When a student violates the ECISD Student Code of Conduct in a way that requires or permits the student to be placed in a DAEP/RTC and the student withdraws from the district before a placement order is completed, the campus behavior coordinator will complete the proceedings and issue a placement order. If the student then re-enrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district.

Newly Enrolled Students

The district shall decide on a case-by-case basis whether to continue the placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district including a district in another state. The district may place the student in the district's DAEP/RTC or a regular classroom setting.

When a student enrolls in the district with a DAEP placement from a district in another state, the district has the right to place the student in DAEP to the same extent as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

State law requires the district to reduce a placement imposed by a district in another state that exceeds one year so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

Emergency Placement Procedure

When an emergency placement is necessary because the student's behavior is so unruly, disruptive, or abusive that it seriously interferes with classroom or school operations, the student shall be given oral notice of the reason for the action. Upon release, the student shall be given the appropriate Transitional Conference required and may be recommended for assignment to the DAEP/RTC.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services to a student returning to the regular classroom from an alternative education program, including a DAEP/RTC. See policy FOCA(LEGAL) for more information.

Placement and/or Expulsion for Certain Offenses

This section includes two categories of offenses for which the Education Code provides unique

East Central ISD Student Code of Conduct 2024-2025

procedures and specific consequences.

Registered Sex Offenders

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the district **must** remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the student shall be placed in either DAEP/RTC or JJAEP for at least one semester.

If the student is not under any form of court supervision, the student may be placed in DAEP/RTC or JJAEP for one semester or placed in a regular classroom. The student may not be placed in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district's students

Review Committee

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student's placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

Newly Enrolled Students

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

Appeal

East Central ISD Student Code of Conduct 2024-2025

A student or the student's parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

Certain Felonies

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student may be expelled and placed in either DAEP/RTC or JJAEP if the board designee or campus behavior coordinator makes certain findings and the following circumstances exist in relation to aggravated robbery or a felony offense under Title 5 (see **glossary**) of the Penal Code. The student must:

- Have received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense; or
- Have received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred,
2. The location at which the conduct occurred,
3. Whether the conduct occurred while the student was enrolled in the district, or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct

East Central ISD Student Code of Conduct 2024-2025

Hearing and Required Findings

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interest of the district's students

Any decision of the board or the board's designee under this section is final and may not be appealed.

Length of Placement

The student is subject to the placement until:

1. The student graduates from high school,
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program

Placement Review

A student placed in a DAEP/RTC or JJAEP under this section is entitled to a review of his or her status, including academic status, by the campus behavior coordinator or board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. For the review, the student or the student's parent shall have the opportunity to submit documentation for the student's return to the regular classroom or campus.

Newly Enrolled Students

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.

Expulsion

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary,

East Central ISD Student Code of Conduct 2024-2025

the campus behavior coordinator shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or

When a student under the age of ten engages in behavior that is expellable behavior, the student shall not be expelled, but shall be placed in a DAEP/RTC. A student under age six shall not be placed in a DAEP/RTC unless the student commits a federal firearm offense.

Process

If a student is believed to have committed an expellable offense, the campus behavior coordinator or other appropriate administrator shall schedule a hearing within a reasonable time. The student's parents

shall be invited in writing to attend the hearing.

Until a hearing can be held, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom
- In-school suspension
- Out-of-school suspension

Hearing

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the district,
2. An opportunity to testify and to present evidence and witnesses in the student's defense, and

The student or parent must submit a written request to the superintendent within five school days after the Expulsion Hearing. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board or designee shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board or designee shall consider and base its decision on evidence reflected in the record and any statements made by the parties at the review. Before ordering the expulsion, the board designee or campus behavior coordinator shall take into consideration:

East Central ISD Student Code of Conduct 2024-2025

Length of Expulsion

The length of an expulsion shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year, except as provided below.

An expulsion may not exceed one year unless, after review, the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended expulsion is in the best interest of the student

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

Withdrawal During Process

When a student's conduct requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district will conduct the hearing after contacting the family and/or sending written notice to the parent and student.

If the student then re-enrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

Additional Misconduct

If during the expulsion, the student engages in additional conduct for which placement in expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator or the board may issue an additional disciplinary order as a result of those proceedings.

East Central ISD Student Code of Conduct 2024-2025

Restrictions During Expulsion

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

Newly Enrolled Students

The district shall decide on a case-by-case basis the placement of a student who is subject to an

expulsion order from another district or an open-enrollment charter school upon enrollment in the district.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district shall reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

Emergency Expulsion Procedures

When an emergency expulsion is necessary to protect persons or property from imminent harm, the student/family shall be given verbal notice of the reason for the action. Upon release, after a Transitional Conference, the student shall be given appropriate due process required for a student facing expulsion.

DAEP Placement of Expelled Students

East Central ISD Student Code of Conduct 2024-2025

The district will provide educational services to any expelled student in DAEP/RTC.

Transition Services

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.

Timely Reporting

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

Reporting Procedures Student Report

To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee. The Superintendent shall develop procedures allowing a student to anonymously report an alleged incident of bullying.

If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.
