The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp), and for federal Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements for both the SPSA and federal ATSI planning requirements.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 64001(g)(1), the School Site Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

This plan is being used by Folsom Hills Elementary School for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs:

Schoolwide Program

This template is based on the December, 2023 CDE revision of the School Plan for Student Achievement.   Some modifications have been made to inform the SPSA development process.

Plan Description

Briefly describe your school's plan for effectively meeting ESSA's planning requirements in alignment with the Local Control and Accountability Plan (LCAP) and other federal, state, and local programs.

This plan is being used by Folsom Hills Elementary School for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs:

Schoolwide Program

Folsom Hills Elementary believes that the purpose of this plan is to align our site goals to the Local Control and Accountability Plan (LCAP) goals of Folsom Cordova Unified School District (FCUSD). Folsom Hills will focus on schoolwide academic consistency, staff, and student teamwork/collaboration, student engagement, student achievement, social-emotional learning, and professional learning communities/guiding coalition practices that will allow Folsom Hills to meet the Every Student Succeed Act (ESSA). Eliminating the achievement gap, with every student performing at high levels, is our goal. Evidence based interventions including identifying essential standards, providing a Multi-tiered System of Supports (MTSS), grade-level based rotations based on those standards, and using common pre- and post-assessments to flexibly group students for targeted instruction based on need, will be part of the intention of the Folsom Hills School Plan for Student Achievement.

School Vision and Mission

Folsom Hills Elementary School embraces the Folsom Cordova Unified School District vision statement which states:

Empowering all students to thrive through educational excellence.

Our school vision states: In partnership with our community, we inspire and provide all students a strong foundation for lifelong love of learning and global citizenship.

Our Mission is: At Folsom Hills Elementary, our mission is to provide a safe and positive learning environment where every student thrives. We are deeply committed to nurturing student success by fostering a culture of collaboration among our dedicated staff. Folsom Hills educators inspire perseverance as students work toward high expectations. We celebrate and honor diversity, recognizing the strength it brings to our school community. Together, we are dedicated to comprehensive social-emotional learning, ensuring that our students not only excel academically but also develop essential life skills.

Our schoolwide academic program is based on clearly defined standards and high expectations for all students academically, emotionally, and behaviorally. Staff collaborates using guaranteed and viable curriculum, Professional Development (PD), and interventions to support students at risk in order to close the achievement gap and create an environment for student success. Professional Learning Communities, their interconnected communication, and collaborative strategies have redefined our approach to ensuring this vision is implemented with fidelity.

School & Community Profile

Folsom Hills is an elementary school in Folsom, California, serving Pre-K through 5th grade students and families. For the past few years, Folsom Hills Elementary served approximately 500 students. Students come from a variety of surrounding neighborhoods, primarily The Parkway, Briggs Ranch, and Willow Creek. Numerous students also join us from throughout the district as well, due to our Foreign Language Experience in Spanish program (FLES).

If an individual were to look into any of the 28 classrooms at Folsom Hills Elementary, they would find parent volunteers, along with teachers, assisting students with both academic and social goals and benchmarks. One would also see specially trained parent KILN (ceramics) docents, FAME (artists and composers) docents, science docents, and Intel volunteer matching grant volunteers working with the students. PC Pals engaged through regular emails and visit campus twice a year. From the Folsom police and fire departments to local businesses - they are a positive and engaging presence on campus.

Folsom Hills Elementary Schools' end goal is to prepare our students to become responsible citizens and productive, caring members of the world at large. Folsom Cordova's strong educational leadership team works hard to support each student academically and emotionally. Opportunities for differentiated instruction are available for each student, including those identified for Gifted and Talented Education, Specialized Academic Instruction, or Intervention. Enrichment programs are offered to ensure all students are supported in meeting grade level standards in reading and math. Multi-tiered System of Supports, English Language Arts groupings, Renaissance, small group math instruction, and intervention are all key components of our academic program. This year, for the first time, all students K-5th grades will be staying all day - 8:15 to 2:45 pm.

The Folsom Hills Elementary School's team believes that a positive school culture must be provided to all students, coupled with an academically challenging curriculum (and all in a caring and positive school environment). Experienced teachers and support staff, coupled with Professional Learning Communities, consisting of Grade Level Teams, Safety Team, Positive Behavior & Supports, and Intervention Systems all contribute to this over-arching goal. A strong, school-wide Positive Behavior Intervention System, utilizing the "Friendly Fox Five" (Be Respectful, Be Responsible, Be Safe, Be Friendly, Be Productive) standards acknowledges the work of students in creating a healthy and safe learning environment. Students can earn Gold Fox Awards, and other school-wide incentives being used as reinforcements.

Our active Student Council provides awareness of the importance of community service for all children at Folsom Hills. Folsom Hills Elementary is well known for its strong, supportive parent community. In addition to classroom volunteers, parents also serve on our School Site Council, which assists with important curriculum, budget, and facility decisions. Our Parent Teacher Association plans numerous activities that serve as a positive bond between home and school and provides financial support for our many programs. Parent involvement is the focus of our Parent Teacher Association. PTA is improving the quality of instruction by providing funds for field trips, equipment for student productions, technology, books, and other instructional activities.

Contact Information:

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Robin Chaffee - Administrative Assistant at vcackler@fcusd.org, or Monika Himmrich - Principal at mhimmric@fcusd.org. Folsom Hills Elementary encourages parent and community involvement and welcomes the comments of all parties.

Educational Partner Involvement

How, when, and with whom did Folsom Hills Elementary School consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Folsom Hills Elementary School engages the community at large, as well as internally, throughout the school year, to obtain feedback and input for the development of our School Plan for Student Achievement (SPSA) plan. School Site Council meetings are held 3-4 times a year. At these meetings, the SPSA is reviewed, and input is welcomed by our parents and community members, as stakeholder involvement is key in developing a coherent, thorough plan. The current SPSA was reviewed, and additional feedback on data and goals was discussed.

Specifically, the following was/is reviewed:

- Student Achievement Data
- Suspensions
- Attendance
- Positive Behavior Intervention Systems/Social Emotional Learning

Folsom Hills Elementary School also strives to make sure our goals and objectives align with the LCAP. Professional Learning Communities and other types of meetings throughout the 2023-2024 school year will be used to track and monitor our progress toward those goals. Examples of these interactions and meetings include:

-
- School Site Council

- PTA
- ECBN
- Staff Meetings
- Grade level PLCs
- PBIS PLC
- Safety PLC
- Student School Council
- Guiding Coalition input
- English Learner Advisory Committee

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

This section is required for all schools eligible for ATSI and CSI.

Folsom Hills Elementary School feels that, in general, there are relatively few resource inequities of concern. Our intervention teacher is on site daily supporting students with small group instruction and targeted interventions to fill these gaps. Our intervention teacher is also providing small group instruction to our English language learners through the HELLO program. We will continue to focus on the philosophy that, "All Means All," and the importance of meeting individual needs of our students.

Comprehensive Needs Assessment Components

Identify and describe any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

California School Dashboard (Dashboard) Indicators

Referring to the California School Dashboard (Dashboard), any state indicator for which overall performance was in the "Red" or "Orange" performance category.

At Folsom Hills there is no overall performance in the "Red" or "Orange" performance category. We will continue to ensure all of our students are meeting standards and showing growth toward the Essential standards.

Referring to the California School Dashboard (Dashboard), any state indicator for which performance for any student group was two or more performance levels below the "all student" performance.

None

Other Needs

In addition to Dashboard data, other needs may be identified using locally collected data developed by the LEA to measure pupil outcomes.

Our internal assessments, both formal and informal, indicate that students are showing growth year to year.

Student Enrollment

This report displays the annual K-12 public school enrollment by student ethnicity and grade level for Folsom Hills Elementary School. Annual enrollment consists of the number of students enrolled on Census Day (the first Wednesday in October). This information was submitted to the CDE as part of the annual Fall 1 data submission in the California Longitudinal Pupil Achievement Data System (CALPADS).

Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	**Percent of Enrollment**			**Number of Students**		
	21-22	**22-23**	**23-24**	**21-22**	**22-23**	**23-24**

Grade3	92	80	100
Grade 4	74	97	80
Grade 5	89	84	97
Total Enrollment	489	493	473

Conclusions based on this data:

1. Folsom Hills Elementary School has a relatively stable enrollment and attendance rate. We strive for our daily attendance rate to be between 95-97%. This attendance rate can be tracked by the board posted daily in front of the school office. This board states daily attendance rate, and student leaving early each day.

2. The enrollment at Folsom Hills has stayed consistent over the past several years, even post COVID.

3. The school wide focus on cohesion, and an emphasis on "all means all" is necessary to ensure that within our overall population every student gets their individual needs met. Individual families are contacted and counseled when attendance concerns arise.

English Learner (EL) Enrollment

This report displays the annual K-12 public school enrollment by English Language Acquisition Status (ELAS). This information was submitted to the CDE as part of the annual Fall 1 data submission in the California Longitudinal Pupil Achievement Data System (CALPADS).

English Learner (EL) Enrollment						
Student Group	**Number of Students**			**Percent of Students**		
	21-22	**22-23**	**23-24**	**21-22**	**22-23**	**23-24**
English Learners	12	21	23	2.8%	2.5%	4.9%
Fluent English Proficient (FEP)	25	23	29	4.2%	5.1%	6.1%
Reclassified Fluent English Proficient (RFEP)				7.1%		

Conclusions based on this data:

1. Our school continues to have a very small percentage of English Language Learners, although we are seeing these number rise.

2. Students who come with a primary language of Spanish, can sometimes be best served by teachers in the Foreign Language-Elementary School program.

3. Careful evaluation of second language students upon enrollment is extremely important. Students needing language support are supported by the classroom teacher as well as our Intervention teacher on site through the use of the HELLO program.

English Language Arts/Literacy (All Students)

The Smarter Balanced Summative Assessments for ELA and mathematics are an annual measure of what students know and can do using the Common Core State Standards for English language arts/literacy and mathematics.

The purpose of the Smarter Balanced Summative Assessments is to assess student knowledge and skills for English language arts/literacy (ELA) and mathematics, as well as how much students have improved since the previous year. These measures help identify and address gaps in knowledge or skills early so students get the support they need for success in higher grades and for college and career readiness.

All students in grades three through eight and grade eleven take the Smarter Balanced Summative Assessments unless a student's active individualized education program (IEP) designates the California Alternate Assessments.

Visit the California Department of Education's Smarter Balanced Assessment System web page for more information.

Conclusions based on this data:

1. Our CAASPP data suggests that most students are at or near standard in ELA. In 2022/2023 76.72% of students met or exceeded standards. This was a 0.39% increase from the prior year. In Math 74.81% of students met or exceeded standards. This was a 3.82% increase from the previous year.

2. We will continue to focus on classroom based small groupings for writing. Three to four days a week MTSS rotations occur to meet individual student needs . The groupings are based on current classroom assessments which drives our overall instruction. Leveled groupings at each grade level will strive to bring a rise in writing scores and abilities. There will be a focus on high quality first instruction using guaranteed and viable curriculum and student engagement.

3. Staff will commit to developing strategies that address individual needs - school and grade level wide - in an attempt to close the gap in proficiency. Professional Learning Community at each grade level will meet to strategically plan these implementations and will include Specialized Academic Instruction, intervention, Foreign Language-Elementary School, and core teachers. There will continue to be a school wide focus on the 4 essential questions and the fact that, "All means all."

Conclusions based on this data:

1. In 2022/2023 the Math CAASPP test scores were at 74.81% for students meeting or exceeding standards. This was a 3.82% increase from the prior year. There was increased focus on math problem solving, specifically focusing on word problems.

2. Folsom Hills Elementary School is working to increase the proficiency in Math for all students. Using the math essential standards and using data from Common Formative Assessments (CFAs) to respond to the needs of the students will support teachers in strengthening their instructional practices.

3. Staff will continue to receive professional learning opportunities that focus on learning how to develop and implement strategies that address schoolwide and grade level needs to elevate student achievement. MTSS Mathematics groupings will allow for targeted instruction to show an increase in these percentage. Our intervention teacher will also work to pull students needing extra support and reteaching of key concepts.

The English Language Proficiency Assessments for California (ELPAC) system is used to determine and monitor the progress of the English language proficiency for students whose primary language is not English. The ELPAC is aligned with the 2012 California English Language Development Standards and assesses four domains: listening, speaking, reading, and writing.

Visit the California Department of Education's [English Language Proficiency Assessments for California (ELPAC)](#) web page or the [ELPAC.org](#) website for more information about the ELPAC.

Conclusions based on this data:

1. Second Language Learners at Folsom Hills Elementary School have continued to have a slight increase.

2. Folsom Hills Elementary School celebrated the Reclassification Fluent English Proficient (RFEP) of two 4th grade students this year.

3. "Hello" will be taught to our English Language Learners by our Intervention teacher.

School and Student Performance Data

## California School Dashboard
Student Population

The 2023 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

This section provides information about the school's student population.

2022-23 Student Population			
Total Enrollment	**Socioeconomically Disadvantaged**	**English Learners**	**Foster Youth**
493	**5.9**	**4.3**	Students whose well being is the responsibility of a court.
Total Number of Students enrolled in Folsom Hills Elementary School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	

2022-23 Enrollment for All Students/Student Group		
Student Group	**Total**	**Percentage**
English Learners	21	4.3
Foster Youth		
Homeless	3	0.6
Socioeconomically Disadvantaged	29	5.9
Students with Disabilities	53	10.8

Enrollment by Race/Ethnicity		
Student Group	**Total**	**Percentage**
African American	1	0.2
Asian	54	11
Filipino	5	1
Hispanic	95	19.3
Two or More Races	72	14.6
Pacific Islander	1	0.2
White	265	53.8

Conclusions based on this data:

1. The students at Folsom Hills are disproportionately white. Compared to our overall population, we have a small population of socioeconomically disadvantaged (5.9) and English Learners (4.3).

2. Even with the smaller subgroups, we are still responsible for their needs being met through differentiated instruction. We need to consider all subgroups when planning instruction.

3. Continue to focus on culturally responsive practices for all students.

2023 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
English Language Arts	**Chronic Absenteeism**	**Suspension Rate**
Blue	Green	Blue
Mathematics

Conclusions based on this data:

1. Folsom Hills Elementary School prides itself on its high attendance rate. Data indicates that our strategies are working with levels near 96 percent, depending on the grade level. A comparable lack of family transiency at Folsom Hills Elementary School also assists with our high attendance rates. We need to continue to support our strong attendance rate through kicking off the year with a 20 Day Challenge.

2. Daily we focus on student engagement through relationship building, Social Emotional Learning (SEL), restorative practices, progressive discipline, and the integration of PBIS on campus. Individual students falling into the Chronic Absenteeism category must be our focus.

3. Math and ELA scores grew over the past two years, based on the Spring CAASPP. We will also continue to focus on a strong social emotional emphasis to continue with our low suspension rate.

Conclusions based on this data:

1. Based on the last published test scores, Folsom Hills Elementary School maintained very high overall.

2. Our site will continue to focus on best practices when it comes to high quality first instruction.

3. Second language learner students are still a challenge for Folsom Hills Elementary School staff. We are redirecting some of our intervention services to directly work with these students.

Conclusions based on this data:

1. Meeting in Professional Learning Teams to closely monitor student data to inform instruction will continue to support strong learning outcomes for all subgroups.

2. Folsom Hills Elementary School is pleased that our students with disabilities increased their overall mathematical abilities compared to year's past by going up 33.5 points. Keep in mind this is a subgroup of 35 students.

3. We will need to focus on our socioeconomically disadvantaged population who showed a decrease - this is a total of 15 students.

Conclusions based on this data:

1. English Learners will continue to be an area of focus for Folsom Hills. Teachers use second language curricular components, as needed, for Benchmark/ELA.

2. Folsom Hills Elementary School does not have a high number of second language learners, but they are present. When needed, we use translators or other services tools/technologies to assist them.

3. Of the 12 students, a total of 10 students maintained or increased their ELPI level.

Conclusions based on this data:

1. Folsom Hills Elementary School meets the desired attendance rate of FCUSD attendance rate, at 96 percent. 20 Day Attendance Challenges, letters and phone calls home, utilizing PowerSchool and Assistance 2 Attendance, assist us in gathering accurate data to promote growing this rate up to 96 percent.

2. Parent meetings with Attendance & Due Process (ADP), the teacher, nurse, and the principal are all used to promote attendance when needed, depending on the types of absences. Continuing to work with the front office staff regarding attendance tracking and parent outreach is an important emphasis.

3. This year we have been taking part in the district Attendance initiative and making personal phone calls to all absent students within the first hour of school. We will focus on student engagement - engaged students are eager to come to school and are ready to learn.

School and Student Performance Data

Graduation Rate

The 2023 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words "No Performance Color."

Conclusions based on this data:

1. All staff we strive to focus on de-escalation techniques and site level Positive Behavior Interventions are in place. We focus on creating a positive school culture by implementing our Second Step social-emotional curriculum in all classrooms.

2. The "Friendly Fox" program continually reinforces using appropriate language and words over negative comments or more physical interactions. We celebrate as a whole school Kindness Week & Cool 2B Kind.

3. As a site we focus on other means of corrections, specifically restorative justice over suspensions.

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required, and this section may be left blank and completed at the end of the year after the plan has been executed.

Analysis

Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.

Through the use of strong Tier 1 instruction and the support of our Intervention teacher student academic needs are being met and interventions are performed as needed.

Describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

This year we saw an increase in need for SEI support among our students. There was a high need for Tier 1 & 2 Second Step instruction and PBIS incentives on campus.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

For the 2024-2025 school year we will continue to utilize our supplemental funds to support Paraeducator time to support additional intervention time.

Expenditures by Goal

Goal Number	Total Expenditures
Goal 1	47,916.00
Goal 2	47,243.00
Goal 3	47,241.00
Goal 4	34,226.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

1 School Principal

3 Classroom Teachers

1 Other School Staff

5 Parent or Community Members

Name of Members	Role
Monika Himmrich	Principal
Marta Krewson	Classroom Teacher
David Ladd	Classroom Teacher
Kim Blattman	Classroom Teacher
Fabienne Johansson	Other School Staff
Alvina Singh	Parent or Community Member
Kellie Natoli	Parent or Community Member
Melanie Myers	Parent or Community Member
Usha Magana	Parent or Community Member
Yolanda Ratterman	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature	Committee or Advisory Group Name
	State Compensatory Education Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 8, 2024.

Attested:

	Principal, Monika Himmrich on May 8, 2024
	SSC Chairperson, Marta Krewson on May 8, 2024

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp) pursuant to California *Education Code* (*EC*) Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with *EC* 64001(g)(1), the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below.

For additional questions or technical assistance related to LEA and school planning, please contact the CDE's Local Agency Systems Support Office, at LCFF@cde.ca.gov.
For programmatic or policy questions regarding Title I schoolwide planning, please contact the LEA, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

Plan Description

Briefly describe the school's plan to effectively meet the ESSA requirements in alignment with the LCAP and other federal, state, and local programs.

Additional CSI Planning Requirements:
Schools eligible for CSI must briefly describe the purpose of this plan by stating that this plan will be used to meet federal CSI planning requirements.

Additional ATSI Planning Requirements:
Schools eligible for ATSI must briefly describe the purpose of this plan by stating that this plan will be used to meet federal ATSI planning requirements.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Within California, these stakeholders are referred to as educational partners. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Educational Partner Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

Additional CSI Planning Requirements:
When completing this section for CSI, the LEA must partner with the school and its educational partners in the development and implementation of this plan.

Additional ATSI Planning Requirements:
This section meets the requirements for ATSI.

Resource Inequities

This section is required for all schools eligible for ATSI and CSI.

Additional CSI Planning Requirements:
- Schools eligible for CSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required school-level needs assessment.
- Identified resource inequities must be addressed through implementation of the CSI plan.
- Briefly identify and describe any resource inequities identified as a result of the required school-level needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

Additional ATSI Planning Requirements:
- Schools eligible for ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required school-level needs assessment.
- Identified resource inequities must be addressed through implementation of the ATSI plan.
- Briefly identify and describe any resource inequities identified as a result of the required school-level needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

Comprehensive Needs Assessment
Referring to the California School Dashboard (Dashboard), identify: (a) any state indicator for which overall performance was in the "Red" or "Orange" performance category AND (b) any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. In addition to Dashboard data, other needs may be identified using locally collected data developed by the LEA to measure pupil outcomes.

SWP Planning Requirements:
When completing this section for SWP, the school shall describe the steps it is planning to take to address these areas of low performance and performance gaps to improve student outcomes.

Completing this section fully addresses all SWP relevant federal planning requirements.

CSI Planning Requirements:
When completing this section for CSI, the LEA shall describe the steps the LEA will take to address the areas of low performance, low graduation rate, and/or performance gaps for the school to improve student outcomes.

Completing this section fully addresses all relevant federal planning requirements for CSI.

ATSI Planning Requirements:
Completing this section fully addresses all relevant federal planning requirements for ATSI.

Goals, Strategies/Activities, and Expenditures
In this section, a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Additional CSI Planning Requirements:
When completing this section to meet federal planning requirements for CSI, improvement goals must also align with the goals, actions, and services in the LEA's LCAP.

When completing this section to meet federal planning requirements for ATSI, improvement goals must also align with the goals, actions, and services in the LEA's LCAP.

Goal

Well-developed goals will clearly communicate to educational partners what the school plans to accomplish, what the school plans to do in order to accomplish the goal, and how the school will know when it has accomplished the goal. A goal should be specific enough to be measurable in either quantitative or qualitative terms. Schools should assess the performance of their student groups when developing goals and the related strategies/activities to achieve such goals. SPSA goals should align to the goals and actions in the LEA's LCAP.

A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such the S.M.A.R.T. approach.
A S.M.A.R.T. goal is:

- **S**pecific,
- **M**easurable,
- **A**chievable,
- **R**ealistic, and
- **T**ime-bound.

A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.
A school may number the goals using the "Goal #" for ease of reference.

Additional CSI Planning Requirements:
Completing this section as described above fully addresses all relevant federal CSI planning requirements.

Additional ATSI Planning Requirements:
Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the Dashboard and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

Additional CSI Planning Requirements:
Completing this section as described above fully addresses all relevant federal CSI planning requirements.

Additional ATSI Planning Requirements:
Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the

baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

Additional CSI Planning Requirements:
When completing this section for CSI, the school must include school-level metrics related to the metrics that led to the school's eligibility for CSI.

Additional ATSI Planning Requirements:
Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

Strategies/Activities Table
Describe the strategies and activities being provided to meet the goal.
Complete the table as follows:

- Strategy/Activity #: Number the strategy/activity using the "Strategy/Activity #" for ease of reference.
- Description: Describe the strategy/activity.
- Students to be Served: Identify in the Strategy/Activity Table either All Students or one or more specific student groups that will benefit from the strategies and activities. ESSA Section 1111(c)(2) requires the schoolwide plan to identify either "All Students" or one or more specific student groups, including socioeconomically disadvantaged students, students from major racial and ethnic groups, students with disabilities, and English learners.
- Proposed Expenditures: List the amount(s) for the proposed expenditures.
  Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to *EC* Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.
- Funding Sources: List the funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Planned strategies/activities address the findings of the comprehensive needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.

Additional CSI Planning Requirements:
- When completing this section for CSI, this plan must include evidence-based interventions and align to the goals, actions, and services in the LEA's LCAP.
- When completing this section for CSI, this plan must address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.
Note: Federal school improvement funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.

Additional ATSI Planning Requirements:
- When completing this section for ATSI, this plan must include evidence-based interventions and align with the goals, actions, and services in the LEA's LCAP.

- When completing this section for ATSI, this plan must address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.
- When completing this section for ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the ATSI designation.

Note: Federal school improvement funds for CSI shall not be used in schools identified for ATSI. Schools eligible for ATSI do not receive funding but are required to include evidence-based interventions and align with the goals, actions, and services in the LEA's LCAP.

Annual Review

In the following Goal Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Goal Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal.

- Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between the intended implementation and/or material difference between the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

Note: If the school is in the first year of implementing the goal, the Annual Review section is not required and this section may be left blank and completed at the end of the year after the plan has been executed.

Additional CSI Planning Requirements:
- When completing this section for CSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the federal CSI planning requirements.
- CSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI planning requirements.

Additional ATSI Planning Requirements:
- When completing this section for ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the federal ATSI planning requirements.
- ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for ATSI planning requirements.

Budget Summary

In this section, a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp.

Note: If the school is not operating a Title I schoolwide program, this section is not applicable and may be deleted.

Additional CSI Planning Requirements:
- From its total allocation for CSI, the LEA may distribute funds across its schools that are eligible for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Note: CSI funds may not be expended at or on behalf of schools not eligible for CSI.

Additional ATSI Planning Requirements:
Note: Federal funds for CSI shall not be used in schools eligible for ATSI.

Budget Summary Table

A school receiving funds allocated through the ConApp should complete the Budget Summary Table as follows:
- **Total Funds Provided to the School Through the ConApp:** This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- **Total Funds Budgeted for Strategies to Meet the Goals in the SPSA:** This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving funds from its LEA for CSI should complete the Budget Summary Table as follows:
- **Total Federal Funds Provided to the School from the LEA for CSI:** This amount is the total amount of funding provided to the school from the LEA for the purpose of developing and implementing the CSI plan for the school year set forth in the CSI LEA Application for which funds were received.

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the Schoolsite Council (SSC). The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

I. The development of the SPSA shall include both of the following actions:
   A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
      1. The comprehensive needs assessment of the entire school shall:
         a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need).
         b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to:
            i. Help the school understand the subjects and skills for which teaching and learning need to be improved.
            ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards.
            iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
            iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
            v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
   B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

II. The SPSA shall include the following:
   A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.
   B. Evidence-based strategies, actions, or services (described in Strategies and Activities)

1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will:
   a. Provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
   b. Use methods and instructional strategies that:
      i. Strengthen the academic program in the school,
      ii. Increase the amount and quality of learning time, and
      iii. Provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
   c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
      i. Strategies to improve students' skills outside the academic subject areas;
      ii. Preparation for and awareness of opportunities for postsecondary education and the workforce;
      iii. Implementation of a schoolwide tiered model to prevent and address problem behavior;
      iv. Professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
      v. Strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the LEA (may include funds allocated via the ConApp, federal funds, and any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
   1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
   2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
   3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to:
   1. Ensure that those students' difficulties are identified on a timely basis; and
   2. Provide sufficient information on which to base effective assistance to those students.
G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Appendix B: Plan Requirements for School to CSI/ATSI Planning Requirements

For questions or technical assistance related to meeting federal school improvement planning requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with educational partners (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (S*ections: Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable*);

2. Include evidence-based interventions (*Sections: Strategies/Activities, Annual Review and Update, as applicable*) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at https://www2.ed.gov/fund/grant/about/discretionary/2023-non-regulatory-guidance-evidence.pdf);

   Non-Regulatory Guidance: Using Evidence to Strengthen Education Investments

3. Be based on a school-level needs assessment (S*ections: Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable*); and

4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (S*ections: Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable*).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Single School Districts and Charter Schools Eligible for ESSA School Improvement

Single school districts (SSDs) or charter schools that are eligible for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (*EC* Section 64001[a] as amended by Assembly Bill 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the LCAP and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (*EC* Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: *EC* sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

- **CSI Planning Summary for Charters and Single-school Districts**: https://www.cde.ca.gov/sp/sw/t1/csiplansummary.asp

Additional Targeted Support and Improvement

A school eligible for ATSI shall:

> 1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable*).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Eligible for ESSA School Improvement

Single school districts (SSDs) or charter schools that are eligible for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (*EC* Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (*EC* Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: *EC* sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

3:00pm Meeting called to order by Monika Himmrich.

In attendance: Monika Himmrich, Fabienne Johansson, Marta Krewson, David Ladd, Kim Blattman, Yolanda Raterman, Usha Magana, Melanie Myers

Not in Attendance: Alvina Singh, Kelli Natoli

End of Year Wrap Up:
Monika Himmrich gave an end of the year wrap up:
- Successful CAASPP administration for the year.
- Adding new Special Education classes next year - one Moderate and one Intensive.
- Excited music concerts were back this year and ukulele concert today!
- Looking forward to a clam 2024/25 school year - working on less interruptions.

The School Site Plan:
Mrs. Himmrich explained that each year the school district develops the district LCAP. Based on the goals of the LCAP our school site then develops our own school site plan. At the meeting we focused on the 4 goals for the year. Slide presentation was shared explaining each of the 4 goal areas.
As a group we worked through all four goals; explaining and answering questions until group consensus and understanding was reached. Discussion was had over this year focusing on the essential standards at each grade level utilizing the 15 Day Challenge.
Discussion was had over site Supplemental funding and that the money would continue to be spent on additional paraeducator time for added intervention.
- Team approved funds being spent this way and conversation was had regarding the value of people over "stuff" and that benefit had been seen even in the 1.2 hour of paraeducator time.

The final plan was approved, and a complete copy emailed all members.

A motion was made by Marta Krewson to approve the School Site Plan.
The motion was seconded by Fabienne Johansson.
All members were in favor of the plan being approved.

Principal Updates
- Discussion over increased enrollment all through FCUSD and specifically with the new building in Folsom.
- Principal thanked parents for being involved and making a difference.

Next meeting will be held in August of 2024 & Monika will communicate the exact date.

3:30pm The meeting was adjourned.
