

8/16/24

Dear Wyoming Families,

Good afternoon to all of our Wyoming High School families! We hope this update finds you and your loved ones doing well. This is the first edition of our weekly updates you will receive throughout the 2024-2025 school year. These updates are typically sent out on Friday afternoon and cover a lot of information about what happened during the week and what you can expect in the upcoming week(s). The goal is to keep our families and community members informed about what is going on at WHS and how they can best support their child at home. Never hesitate to reach out if you have any questions. We appreciate your partnership and we are looking forward to a successful start to what is sure to be another successful year here at Wyoming High School.

We had a fantastic first week of school with students. Our faculty and staff were thrilled to welcome students back into the building. Our students were equally as excited to be back and seemed eager to kick off the 2024-2025 school year on a positive note. Our students did a great job this week of navigating the building, asking great questions and discovering ways to support each other with kindness. Thank you to all of our WHS families for your continued support and partnership as we work together to help our students succeed. Please continue to reach out to our office if you have any questions or if there is anything we can do to help you and your student. Thank you and we wish everyone a wonderful and relaxing weekend.

More information about attendance procedures and much more can be found in the [2024-2025 Wyoming High School Student and Parent Handbook](#).

Student Drivers:

While we appreciate student drivers and their quest to arrive at school on time, please know that we prioritize their safety and the safety of our community members more. With this in mind, please remind student drivers to follow all traffic laws and drive safely when commuting to school. We have many community members who are walking on sidewalks and crossing streets who rely on commuters to be mindful of their safety. This includes looking out for smaller children who could be walking to school on their own or with their families. Drivers should plan accordingly and leave with enough time to drive safely to school and arrive on time. Thank you.
