## 2024–2025 Custom Metro Bus Program

UPrep, Lakeside, and The Evergreen School contract with King County Metro to provide specially designed routes that our students can use traveling to and from school. The Custom Metro Buses run on the same schedule every day that UPrep has classes. Students who are registered for the Custom Metro Bus Program receive a special issue sticker to put on their school ID that allows them to ride our Custom Metro routes.

### COSTS

For the 2024–2025 school year, the cost of the Custom Metro Bus program is \$2,600 for full-year or \$1,300 for half-year passes. Financial aid is available. The cost of our Custom Metro Bus service is covered by our riders, so students' custom bus passes **MUST** be purchased from UPrep, not from other vendors. Custom Metro Bus contracts and passes are **non-transferable and non-refundable**.
