

Ardmore Elementary School Supply Suggested Donations List 2024-2025

Every Ardmore Elementary School student will be supplied with the instructional materials (e.g. textbooks, paper, pencils, crayons, etc.,) necessary for their academic success. We recognize that families may like to send in supplies to help supplement what can be provided at school. Listed below are items you may choose to send with your child to be shared with the rest of the class, and help us stretch school resources further.

Thank you in advance for sending any or all of these suggested supplies to school. Your contribution is a great partnership with our school to promote academic success for all students.
