Why Join PTA?

The Manchester GATE Parent Teacher Association (PTA) is a volunteer organization working within our school to positively impact children and families. We hold fundraisers to help provide resources to help make Manchester the special place that it is. We typically have many events throughout the year to foster a sense of community at our school. We are looking for ways to continue to bring families together and help our school with needs as they arise. We hope you will consider getting involved this year by becoming a member. Membership will give you voting power at our monthly meetings and shows your support for the PTA mission. Please don't hesitate to get in touch this year with questions or concerns by email at manchesterpta@gmail.com

We Did That!

In the past few years, we have purchased science lab equipment, stage risers, library shelves, sports equipment, outdoor tables, buddy benches, a trophy case, landscaped planters outside the office and more!

EVERY CLASS HAS THE CHANCE TO WIN A DONUT PARTY!
