

Slide 1 - Slide 1

The screenshot shows the Skyward Financial Management web application interface. The browser title is "Web Financial Management - WF - 10636 - 04.12.02.00.12 - Windows Internet Explorer". The user is logged in as "Cat Smith" with the role "Account". A "Print this tutorial" button is visible in the top right. The navigation menu includes: Home, Account Management, Vendors, Purchasing, Accounts Payable, Accounts Receivable, Fixed Assets, Inventory, SBAA, Custom Reports, Federal/State Reporting, and Bid Management. The main content area is titled "Financial Management Setup" and contains three panels: "Account Management" (with sub-items: Project/Grant Management, Budgetary Data Mining, Reports, Batch Reports), "Account Master" (with sub-items: Account Profile, Chart of Accounts, Account Summary Templates, Operating Statement Accounts, Balance Sheet Accounts, Custom Programming), "Budget Management" (with sub-items: Budget Entry, Budget Revisions, Budget Changes), and "General Inputs" (with sub-items: Submit Journal Entry, Approve Journal Entry). A yellow callout box is overlaid on the "Budget Entry" link, containing the following text:

Individual Entry Budget Entry Processing

Click Financial Management, Account Management, Budget Management, Budget Entry.

Who, What, When, Why?
Individual Budget Entry is used by individuals responsible for building part of a budget after a budget process has been created.

It allows users to work with smaller, more-manageable sections of the budget at a time and build the budget type amounts in pieces.

At the bottom of the interface, there is a copyright notice: "© 2012 Skyward, Inc. All rights reserved." and view options: "Desktop View" (selected) and "Button Rows". The browser status bar shows "Local intranet" and "100%" zoom.
