FALFURRIAS BELLES / JERSEYS ATHLETIC POLICY

2. **ATHLETIC PERIOD:** In order to participate in any UIL sport, middle school and high school student-athletes must be enrolled in an athletic class. A student is exempt from this rule only when the appropriate principal and/or counselor indicates that academic reasons do not allow the student to be enrolled in an athletic class. Every student enrolled in an athletic class will dress out daily in school issued attire.
3. **JOINING A SPORT:** Any student-athlete wanting to join a sport must do so within the first 6 school days of the start date indicated by the appropriate Head Coach. Transfers, migrant students, and students coming out of DAEP are exempt from this rule. All transfers, migrant students and students coming out of DAEP must be in good standing at their appropriate campus.

An athlete that is injured during the season may receive a jacket/letter/pin/plaque if he/she remains a part of the team and completes the season in good standing. 4. Athletic trainers and athletic managers may earn and receive a lettermen jacket upon completion of two years in the sports training and/or sports athletic program. 5.
