

Freshman year

- ❑ Attend the annual D'Evelyn College Day. Details are announced each fall.
- ❑ Your transcript starts. You are now beginning to establish your high school transcript. From now on, every semester grade you earn will become a permanent addition to your official record. Strive to do your best in every class!
- ❑ Establish good habits in the classroom. Set goals for personal and academic achievements.
- ❑ Follow your passions and interests. It is not too early to prepare for your future. Consider all post-high school options: four-year college, two-year college, military or a gap year. Your counselor can help you explore all options.
- ❑ Attend a career speaker session to explore your potential career interests. If you begin to identify your career goals early it is much easier to create a plan to achieve those goals.
- ❑ Consider the D'Evelyn graduation requirements before selecting or changing any classes.
- ❑ Understand the Higher Education Admission Requirements (HEAR) necessary for admission to an in-state college. Be aware that colleges want to see four years of math.
- ❑ Participate in school and community activities to explore your interests.
- ❑ Become involved in extracurricular activities, sports and community service.
- ❑ Take standardized achievement tests seriously. They serve as an important measure of your progress and help prepare you for the college standardized tests (SAT and ACT).
- ❑ Explore college and career options in [Naviance](#). Check out the "SuperMatch" college search under the "College" tab.
