***All students need headphones/earbuds  
and plenty of pencils!***

\*Please change the name of your student's earbuds in the Bluetooth settings. When the name of the earbuds are something like "AirPod" or a nickname, then it is extremely difficult for us to find the owner.

For example, if your student's name is Jane Doe, the earbuds could be named "J.Doe", "Jane D.", "Jane Doe" or even "JD". Thank you!
