ParentVUE Emergency Information

Families are required to verify emergency contact information every year. This is critical for your school to be able to reach you in the event of an emergency. On **Monday, August 19**, all parents will be asked to log in to your ParentVUE account to verify emergency and contact information. Please know that families will not be able to access other information in ParentVUE until this emergency and contact information is verified. We appreciate family support in completing this request by August 31. **Even if you have already verified your information previously this year, you are being asked to redo your emergency update.**

Mirada Snack Drive

As our 2024/2025 gets underway we are finding that some of our students may be facing challenges in accessing snacks. We believe that a well nourished student is better equipped to focus on their studies and succeed in the classroom.

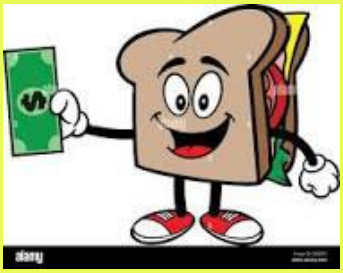

Our Snack Drive is focused on assisting specifically Mirada students in need, providing additional resources for teachers and staff to access for those identified students whose families may be struggling to provide food due to financial hardship. We understand that circumstances can vary, and we want to ensure that every student at Mirada can thrive, regardless of any hurdles that may be in their way. By bridging the gap of need, we aim to continue to foster an environment where every student feels cared for and can fully engage in their education.

We encourage you to contribute to our Snack Drive by donating non-perishable snacks (see list below). These snacks will be distributed discreetly to students who may need them.

Your support is crucial in making this initiative a success. Together, we can continue to make Mirada a supportive and loving environment for all students. By coming together as a community, we can ensure that no student goes hungry, allowing them to focus on their education and personal growth.

Thank you for your generosity and commitment to creating a nurturing environment for all Mirada students.

Individual packages of snacks such Cheezits, Goldfish crackers, fruit snacks, popcorn, pretzels, veggie straws, granola bars, fig bars, Nutrigrain bars, BelVita. Please no candy or chips especially "hot" type of snacks. We appreciate your kindness and generosity.

School Lunch

To deposit cash into your child's meal account you or your child should bring money to the front office. Students should not give money directly to our cafeteria manager during lunch or to their teacher. We cannot provide change. All funds will be deposited into your child's account. Parents can pay online or monitor their child's balance and purchases via the link below.
