**charges appear on credit card statement
as The Bulldog Market

We are pleased to introduce a new procedure for picking up pre-ordered meals this year.

Here's how it works:

1. **Bagged Orders:** All pre-ordered items will be placed in a small handle bag.
2. **Shelf Pickup:** These bags will be placed on a shelf, organized by the student's last name.
3. **Grab and Go:** Students simply find their bag, grab their ordered items, and enjoy their lunch—no need to wait in line or check out!

This new system is designed to make lunchtime more efficient and enjoyable for everyone. Thank you for your support!
