

Unionville Elementary School

Principal's Message

It has been a great couple of weeks at UES! The students are settling into the routines of their classrooms and meeting school-wide expectations of being respectful, responsible, and safe. Throughout this month, students will learn about being respectful and are provided with daily challenges. Overall, I am impressed with their behavior. Many students have been "Caught Doing Good."

The School Board passed a new Attendance Policy at their last meeting. Please familiarize yourself with the policy at:

Classrooms continue to work on earning Popsicle Parties for perfect daily attendance. You can help by sending your child to school everyday.

Thank you to all of our families that are participating in the School Store Fundraiser. As of Friday our students have raised over \$3800 for educational resources! This fundraiser will continue throughout the course of the school year. See the attached fliers for additional information.

Thank you for sharing your child/children with us. I am looking forward to another great week!

Mrs. Jakubik
