

After school
is where
adventure
begins.

Let's spark wonder
with The Early Learning Center kids!

AlphaBEST Extended Day program for
before and after school
PreK (3 & 4 Year Olds) | 2024-2025

So come
explore with us!

At AlphaBEST, we believe in the power of wonder, enabling and encouraging children to use their innate sense of imagination as we expand their horizons. We deliver research-based curricula, all centered around our vision: to shape future generations of thoughtful, curious problem solvers and collaborators by showing them that learning can be fun, engaging and can happen anywhere.

Run by a high-quality, caring staff, and designed to meet the changing needs of working parents, AlphaBEST PreK Extended Day includes:

- Social and emotional skills development
- Literacy and language development
- Individualized academic plans
