## NOW ENROLLING FOR FALL 2024!

SCAN ME

YWCA Columbus offers before and afterschool programs that nurture children's learning and development through STEAM activities, social-emotional learning, entrepreneurship, and community engagement.

Our programs are **conveniently located at your child's elementary school** to promote consistency and ease the transition between school and afterschool.

### PROGRAM BENEFITS:

- **Qualified & tenured staff**
- **Comprehensive curriculum** that includes choice-based learning, STEAM (Science, Technology, Engineering, Arts, and Math), social-emotional development, and physical fitness
- **PFCC-accepting program**
