

District-wide Communities Webstore allows parents to purchase items for multiple students at Golden West and Vanden High School all in one place!

How to set up your account:

Click on **Account**, then select **Create Account**

The screenshot displays the Travis Unified School District webstore interface. At the top left is the district logo, and the title "Travis Unified School District" is centered. Below the title, a message states "PE Clothing is under 'Other School Items'". Further down, instructions advise users to use the "help" button for account setup and the search bar for finding items. The navigation bar includes a "Home - Select School" dropdown, a search bar, and an "Account" dropdown menu. A hand icon points to the "HELP" button, and an orange arrow points to the "Create Account" option in the account menu. A large grey box prompts the user to "Please select a school to view items." The footer contains links for "Privacy Policy", "Convenience Fee Policy", and "Contact Us".
