What is Title I?

Ensures that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.

Title I Parent Involvement Policy

The Mustang School District's Title I program encourages each Title I parent to be involved in their child's education. This policy outlines the parent involvement activities that will be conducted during the school year.

***During the 24-25 school year teachers and/or staff will provide the following:**

- Open House on August 19, 2024
- Parent-Teacher Conferences - Fall (9/26/24 & 9/30/24) and Spring (2/27/25 & 3/4/25)
- Bronco Family Night - TBD
- Suggestions and strategies for working with your child.
- Information will be sent home periodically to inform parents how to help students succeed at school.
- Parent resources are also available on district and teacher websites/Canvas.

What is a Title I FAMILY-SCHOOL COMPACT?

A Family-School Compact is a voluntary agreement co-developed by parents, students, and teachers. It identifies how parents and classroom teachers will work together to ensure all students receive the individual support they need.

Effective Compacts:

- Begin with standards
- Focus on student learning
- Respond to school data

**The students, parents, and staff of Mustang Public Schools Title I developed this Family-School Compact for Achievement. Parents created suggestions for home activities to support learning.*

As a STAFF MEMBER, I will provide your child with every opportunity to learn and grow by:

- Providing a high-quality curriculum and research-based instructional practice to equip students to be successful both academically and for life.
- Creating a learning environment where students feel safe, respected, and nurtured in order for healthy student-to-student relationships and healthy teacher-to-student relationships to exist.
- Providing two-way communication with parent/guardian and child.
- Communicating with parents/guardians regularly on ways to help their child learn.
- Expecting and challenging all students to learn at a rigorous, high level of thinking and make connections with learning to real-world applications.
- Seeking resources and assistance to ensure high levels of learning for all students.

As a STUDENT, I will keep my focus on what is important in meeting my goal of learning by:

- Helping create a safe environment by following school rules.
- Coming to school prepared with supplies, books, and completed homework.
- Arriving at school on time and ready to learn every day.
- Having and showing respect for school staff members, other students, and myself.

As a PARENT, I will support Mustang Middle School's programs and activities that will give my child the optimum opportunity for learning by:

- Communicating regularly with my child's teachers.
- Making sure my child attends school on time and is ready to learn.
- Balancing my child's TV and video game playing time with learning opportunities such as reading 20 to 30 minutes daily or going to the library.
- Informing teachers if my child is having difficulty with homework or is having difficulty in school.
- Providing necessary supplies to help my child to be prepared for school and to be able to complete assignments.
- Creating a home environment that is safe for my child.
