INTRODUCTION

Dear Reader,

Oakland Schools is pleased to share our annual Summaries and Surveys report with you. This document provides comprehensive data about schools in Oakland County.

Parents, educators, and the community can use this report to examine various criteria when seeking the best academic programs available for their students and benchmark schools and districts accordingly.

Data is compiled from various sources, including official Michigan Department of Education (MDE) reports, which are based on information submitted by every school district and public school academy in compliance with Michigan statutes. The data reported in this publication reflects many, but not all, variables in school district operations and has been reviewed for accuracy by the schools before publication. Conclusions regarding the quality, cost-effectiveness, or adequacy of educational programs in Oakland County school districts and public school academies should not be drawn without also considering other performance-based factors.

Given the right resources and time, we believe that all students can learn and will. Our services, products, tools, and knowledge are focused on supporting high levels of student achievement, maximizing resources, and meeting compliance obligations. Through visionary leadership and inclusive relationships, we develop the regional capacity to improve student learning continuously. As a regional service agency, we proudly

serve Oakland County's 28 public school districts, a growing list of public school academies, and nonpublic schools to help each preserve its unique identity and deliver quality education programs to every student in Oakland County. In the three years since the pandemic, we have become even more innovative and discovered a greater capacity for maneuvering through difficult times. As a trusted partner to the education community, we remain committed to driving down costs while improving efficiencies for the schools we serve. We are honored to have the opportunity to prepare students to thrive in a global economy.

Please learn more about Oakland Schools, our programs, and the districts we serve by visiting our website at www.oakland.k12.mi.us. I also welcome your feedback on the Summaries and Surveys report and invite you to share it with the Department of Communication Services at communicationservices@oakland.k12.mi.us.

QUALITY EDUCATION BEGINS AT OAKLAND SCHOOLS

OUR STATEMENT OF PURPOSE

Every Student. Every Day.

ABOUT OAKLAND SCHOOLS

Oakland Schools is a regional service agency that offers support services to school personnel that are best delivered regionally and provide cost, size and quality advantages to those we serve.

Oakland Schools is an autonomous, tax-supported public school district governed by Michigan General School Laws and is one of 56 intermediate school districts (ISDs) established in Michigan in 1962.

Oakland Schools organizes our strategies around these central objectives:

- Increase student achievement
- Serve diverse needs of schools
- Decrease costs/increase efficiencies

OUR BELIEFS

We believe:

- It's about service.
- Students form the lens through which our best educational decisions are made.
- All students can and will learn.
- Collaboration builds understanding.
- Education is a shared responsibility.
- Our success depends upon our employees.
- Change is opportunity.
- Lifelong learning is a key to lifelong success.
- Effective relationships are powerful.
- Differences expand our thinking.
- Visionary leadership creates a dynamic environment.
- We must develop leaders for tomorrow.
- Ethical behavior is everyone's responsibility.

HOW WE ARE FINANCED

Oakland Schools is financed by Oakland County taxpayers through an annual authorized property tax millage.

The combined millage rate for 2020-2021 was 3.2012. Oakland Schools operates using three major funds:

- 1. General Education Fund** provides instructional and administrative support for districts and obtains its revenue primarily from a property tax levy. Oakland Schools was authorized to collect .1902 of a mill (\$12.0 million in 2020-21).
- 2. Special Education Fund** is supported by a tax of 2.4192 mills (approximately \$153.1 million in 2020-21) and supports Special Education administration and district services, including compliance support and district and student services.
- 3. Career Focused Education Fund** supports Vocational Technical Education administration, the four Oakland Schools Technical Campuses that serve students from all 28 local school districts at no cost to the sending districts, The County as a Classroom initiative and several specialized technical academies. The fund is supported primarily by a levy of .5918 mills (approximately \$37.5 million in 2020-21).

In addition, Oakland Schools operates three grant funds that are actively sought out to defray costs of regional projects.

Oakland Schools serves as the fiscal agent for grants that fund ongoing and pilot projects for the benefit of Oakland County students (approximately \$77.4 million in 2020-21).

For more detailed information about our annual budget, visit the Oakland Schools website at www.oakland.k12.mi.us and click on the Budget and Salary/Compensation Transparency Reporting logo at the top right of the page. PUPIL ACCOUNTING 2022-2023

PRO-RATED MEMBERSHIP FOR STATE AID

PUBLIC SCHOOL MEMBERSHIP

Public school membership reflected in this publication is the 2021- 22 spring and 2022-23 fall membership. Membership for Special Education students has been pro-rated in general education at grade levels and in Special Education categories based on the percentage of time spent in each classroom.

FULL-TIME EQUIVALENT AND MEMBERSHIP DEFINED

(Michigan Department of Education Pupil Accounting Manual) FTE is the individual pupil's prorated share of membership.

Membership is the full-time equivalent number of pupils enrolled and in regular daily attendance on the official count day in accordance with the State School Aid Act and Administrative Rules. In no circumstance may the reported membership for an individual pupil be greater than 1.00 FTE.

EXCLUDING RESIDENCY ADJUSTMENTS

A residency adjustment occurs when a pupil attends a district (known as the educating district) that is not the pupil's resident district, and the educating district could not obtain a release from the resident district to count the pupil in membership. In these cases, the pupil is listed as attending the nonresident district, but their FTE is subtracted from the educating district's membership report.

TAX VALUATIONS AND RATES

TAXABLE VALUE

Taxable Value is a property valuation calculation utilized by state and local taxing agencies to assess the prevailing tax millage rate. The difference between Taxable Value (TV) and the State Equalized Value (SEV) is the result of voter approved legislation such as the Headlee Amendment and Proposal A. Specifically, Taxable Value has been capped at the annual property value increase or an indexed formula representing an annual inflation factor, whichever is less. Taxable Value will be increased to reflect market value upon the transfer of title/ownership. Typically, for these reasons, Taxable Value lags behind that of SEV.
