

Medicare Made Simple Virtual Webinar

Join us for an
Educational
Medicare Seminar

Learn from a leading Medicare Insurance Broker about the latest in the health plan industry and clarity on the various moving parts of the program.

Presentation Highlights

Understanding the Basics

With a number of options for coverage, switching from an employer plan into the Medicare program, and more - we'll cover the fundamentals.

Recent Changes

Recent legislation has triggered a major shift within the industry. Many existing, and soon-to-be, members will likely be affected.

Retirement-Planning & More

Whether you're soon to be 65, have existing Medicare coverage, or are an HR professional interested in knowing the basics - I invite you to join for valuable insights on planning for Medicare plan selection and enrollment.
