

PowerSchool Parent Portal Account Set-up Directions

Create your parent/guardian account to view all of your students' data from one account with the PowerSchool website or app for smartphones (iOS and Android).

First-Use Directions

- 1) Using your Internet browser, go to our PowerSchool Parent Portal website: <https://powerschool.vusd.org>
- 2) Click on the **Create Account** tab, and then the **Create Account** button
- 3) Complete the **Create Parent Account** portion of the form with *your information*; note that the password must be at least 5 characters long.
- 4) In the **Link Students to Account** area, enter your student's first name, **Access ID** and **Access Password** (get these from the student's grade report or school), for each of your students you wish to attach to your account.
- 5) Click the **Enter** button at the bottom of the page.
