Ross Elementary Parent Policy 2024 - 2025

Parent & Family Engagement (PFE) Program	
What is it?	Ross Elementary is committed to our vision: Our Vision is to develop a community of Joyful Scholars with Academic Courage and Intrinsic Motivation through Student-Led, Personalized Learning allowing them to become successful citizens One way we continue to do this is by participating in Title 1, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations of the Texas Education Agency and the United States Department of Education.
Funding	Title I funds will be allocated to implement the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE Program.
Family Meetings	PTA Meetings offer a time for the school and family to communicate necessary information. These meetings will always take place in the cafeteria. Please reach out to: oralia.garcia@ectorcountysd.org if you would like to join PTA.
How to be involved	Become a member of the campus improvement team (C.I.T) or PTA Attend the meetings above and the family activities below. Talk to your child's teacher about how to help/volunteer in the classroom through Focus. If you do not know your child's teacher's email, contact the principal at raquel.rodriquez@ectorcountysd.org

Curriculum	Ross Elementary utilizes a high-quality curriculum that supports student success.			
Forms of Academic Assessments	Ross Elementary has formative assessments that every teacher gives. Ross Elementary utilizes district assessments that are modeled after the State of Texas Assessments of Academic Readiness or STAAR test. Previous STAAR tests are released and utilized for assessment and instruction.			
Expected Achievement levels on academic assessments	The State’s Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/testing/taaar/taaarperformance-standards . Ross tracks each child’s growth throughout the year via local assessments (mentioned above). Each child has a folder where teachers help them track their learning growth.			
Ways to Request regular meetings	Guardians can bring any suggestions, ideas, or concerns to the monthly CIT meetings or PTA meetings listed above. However, if they need to meet with the administrators or their child’s teacher at another time, they can email that person. We welcome any ideas, feedback, and concerns as we want our school to be a place where everyone feels safe and welcome.
