

# FUTURE FORWARD

Meeting Minutes

August 15, 2024  
5:45 pm-8:45 pm

## 1. Introductions

Presented by: Dr. Davis, Superintendent of Schools

Dr. Davis welcomed everyone to the meeting and introduced the key participants.

## 2. Invocation

Presented by:\*\* Pastor Holt

## 3. Bond Survey Results Overview

An overview of the recent bond survey results was presented by Mrs. Young, TISD Communication Coordinator. (powerpoint attached)

## 4. Financial Information for Proposed November 2024 Ballot

Presented by: Mr. Dawson

Mr. Dawson provided detailed financial information regarding the proposed bond for the November 2024 ballot. (powerpoint attached)

## 5. Proposed November 2024 Bond Projects

A discussion was held on the proposed projects to be included in the November 2024 bond. (powerpoint attached)

## 6. Questions and Comments

- How can we address and communicate the bond to the community?
- The community needs to devise a Political Action Group to help with communication efforts.
- There were concerns about the rate of growth and how this would impact the community and current facilities.
- Several comments/discussion regarding the bond amount and how much should be requested and which projects should be priority.
- Anyone over the age of 65 has their tax rate frozen, regardless of new bonds, or an increase in the value of their land.
- Suggestions:
  - Take some of the slides from the presentation and post them on social media to increase community awareness.
  - Include in the models the amount or number of students that the new facilities or renovations will accommodate.
  - Update the community on the purchase of land for the new elementary school and outline the contingency plan if the land cannot be purchased.
