

# Title 1 Compact for Academic Success

Avon Community School Corporation

School Year: 2024-2025

School Name: Sycamore Elementary

Student Name: \_\_\_\_\_

Grade: \_\_\_\_\_

*School personnel of Avon Title 1 schools and the parents of the students participating in activities, services, and programs funded by Title 1, Part A of the Elementary and Secondary Education Act (ESEA), agree that this compact outlines how the parents and school staff will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve high standards.*

## School Responsibilities:

- The school will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet Indiana’s student achievement standards. Appropriate and differentiated instructional lessons will be provided to increase student achievement in literacy and mathematics.
- The school will hold parent-teacher conferences (at least annually) during which this compact will be discussed as it relates to the individual child’s achievement. Specifically, these conferences will either be held during September parent-teacher conferences or during the Title 1 Parent Meetings.
- The school will provide parents with frequent reports on their child’s progress. In addition to progress reports and report cards that are sent home with students each quarter, schools will provide additional reports (one per quarter) to parents, which outline academic progress on intervention goals.
- The school will provide parents with reasonable access to staff. Specifically, teacher contact information is published on each school’s website and direct email links are provided. Parents may contact staff members via phone, email, or may schedule an appointment. Emails and calls will be returned in a timely manner.
- The school will provide parents opportunities to volunteer and participate in their child’s class, and to observe classroom activities. Please see each school’s Parent Involvement Policy and additional visitor guidelines, as outlined in the Elementary Student-Parent Handbook.

## Parent Responsibilities:

- Parents will support student learning in the following ways:
  - Maintain a student attendance rate of 95%
  - Ensuring homework is completed
  - Participating, as appropriate, in decisions relating to the child’s education
  - Promoting positive use of the child’s extracurricular time
  - Staying informed about the child’s education and communicating with the school by promptly reading all notices from the school either received by the child or by mail and responding, as appropriate.
  - Serving, to the extent possible, on any parent advisory groups or school committees
