EDWARDSVILLE WRESTLING CLUB

THE CLUB

EWC provides kids, ages 5-14, the opportunity to learn the sport of wrestling in an organized environment. EWC teaches the fundamentals for wrestling not only to prepare wrestlers to excel at the Middle School and High School levels but also to excel in life.

Discipline **Team Participation**
Sportsmanship **Service**
Academic Excellence

.....are all emphasized

The Edwardsville Wrestling Club (EWC) is a not-for-profit organization. The EWC is not a part of the Edwardsville School District Unit 7. However, it works in conjunction with the School District and it's Wrestling Programs (ie, High School & Middle School teams). Many of the varsity wrestlers at the Middle School and High School are former EWC wrestlers. This is because of the high level of physical endurance, mat time, and wrestling technique training received during EWC practice and tournament participation.

The EWC is financed by the Edwardsville Wrestling Booster Club. The Booster Club consists of volunteers from all three levels of wrestling in Edwardsville (EWC, Middle School, & High School) and holds fundraisers each year.
