Dear Mr. Ken Kemp:

On behalf of the Cooke County Extension Staff, I/we hereby respectfully request approval of the attached Adjunct Faculty Agreement with the Walnut Bend Independent School District.

The State Board of Education passed an amendment to 19 TAC§129.21 U). Requirements for Student Attendance Accounting for State Funding Purposes allows public school students to be considered "in attendance" when participating in off-campus activities with an adjunct staff member of the school district. Section 3 of the Student Attendance Handbook states:

(1) The student is participating in an activity that is approved by the local board of school trustees and is under the direction of a member of the professional or paraprofessional staff of the school district, or an adjunct staff member who:

- (A) has a minimum of a bachelor's degree; and
- (B) is eligible for participation in the Teacher Retirement System of Texas.

Cooke County requests the agents listed on the enclosed Adjunct Faculty Agreement be awarded adjunct faculty staff members status for the period of time indicated on the agreement.

I hope Walnut Bend Independent School District will accept this request. Please let me know if you would like to schedule an appointment to discuss the amendment and request or if you need further information.

Thank you and members of the Board of Trustees for your consideration of this request.

Sincerely,

Phyllis Griffin

ACADEMIC ELIGIBILITY PROCESS

Procedures for securing Academic Eligibility Information and Excused Absences for 4-H Members to participate in 4-H Event or Activity

This procedure applies to ALL 4-H events or activities (competitive or non-competitive) and all 4-H members in public, private, and/or home school that requires a 4-H member to be absent from school. For instance, if a 4-H member is a member of a state planning task force and needs to miss a day of school to participate, the 4-H member would have to be eligible according to the Texas Education Code to be excused from school.

There are two ways a County Extension Office can request academic eligibility for 4-H members. One is on an individual basis using the Declaration of Eligibility Form (Attachment F) for times when only one or two 4-H members may be needing an absence. The second option is for situations when a large number of youths may be needing an excused absence, such as a county or major stock show. The steps below outline how the county office needs to proceed with each of the processes.

BEGINNING OF THE SCHOOL YEAR	
August/September	County Extension Agents should meet with school officials to determine the steps the agent needs to take to assist 4-H members in obtaining excused absences to participate in 4-H events and to determine eligibility of 4-H members for competitive events.
30 DAYS PRIOR TO ANY 4-H EVENT/ACTIVITY NEEDING ACADEMIC ELIGIBILITY CHECKED	
Declaring academic eligibility for small number of 4-H members	1. Ensure that all members needing an excused absence are ACTIVE 4-H members. 2. Complete the County Agent section of the Declaration of Eligibility Form. Provide the form to either the 4-H member and request they submit to the school for completion or have the 4-H parent/guardian complete the first section, return to the County Extension Office and then submit as a group to the respective school campuses. 4-H member then returns completed form back to the County Extension Office within the timeframe given by the office.
Declaring academic eligibility for large number of 4-H members	Extension agents should prepare a document on official letterhead which includes the items listed below and submit to each school/campus requesting eligibility status for each 4-H member. a) Name of 4-H member(s) involved b) School they attend c) Current grade level in school d) Dates of proposed absence(s) e) Name of event f) Educational value g) Chaperone List is returned back to County Extension Office by school/campus.
RESPONSE FROM SCHOOL ON DECLARATION OF ACADEMIC ELIGIBILITY	
Eligible	The school should respond to CEA if there are any students who are academically eligible. County Extension Office should follow up with the school/campus if no response is received.
Ineligible	If a 4-H member is academically ineligible for a 4-H competitive event, the agent must notify the 4-H member, their parents and the sponsoring agency, in writing – letter/email (a phone call can also be made but should be followed up with a written notification).

If county Extension faculty and schools develop and agree on procedures they deem more efficient and effective and still ensure 4-H's compliance with the Texas Education Code requirements, they should inform their District Administrator/County Extension Director of the plan to be followed.

DECLARATION OF ELIGIBILITY FORM INSTRUCTIONS

4-H'ers should complete a separate form for each competitive event/activity in which they plan to participate. The original form should be returned to the county Extension office by the deadline established by the County Extension Office.

NOTE: Schools requiring a copy of this form should make their copy before returning it to the student.

Parent/Guardian Section:

1. Parent/Guardian will select the information requested. It is either:
 - a. Academic eligibility information only. (Used to verify academic eligibility only for 4-H competitive events/activities.), or
 - b. Academic eligibility information and authorization to receive an excused absence from school. (Used to verify academic eligibility as well as receive authorization to receive an excused absence. This would be used for events held during school hours such as stock shows, state and national 4-H contests and events, etc.)
2. Complete the date and name of the activity. (Used to notify school officials of exact dates/times a student would be participating in a 4-H activity or representing 4-H at an event.)
3. Parent/Guardian signature is required. The signature of the parent/guardian confirms that this person is aware of the academic eligibility and excused absence requirements of the Texas Education Code.

County Extension Agent Section:

1. Extension Office will complete this section and certify the youth is a 4-H member and his/her participation in the event.
2. County Extension Agent (with adjunct faculty status) will sign the form.

School Principal/Designee Section:

1. Principal, or designee, will indicate the 4-H members eligibility status, options are:
 - a. Academically eligible to participate
 - b. Not academically eligible to participate
2. The principal, or designee, will indicate whether or not an excused absence will be granted.
3. The principal, or designee, will provide the date being used to determine eligibility
4. Principal, or designee, will sign and date the form in order to be valid.

4-H family should follow instructions provided by the County Extension Office on returning form to the Extension Office by the given deadline.
