CLASSROOM INTERRUPTIONS

Classes will not be interrupted to deliver messages or items to students. Parents or guardians may drop off messages or items in the main office. Students will be contacted during class change time to pick up their messages or items.

STUDENT ADVISEMENT

Each student is assigned an advisor. Advisors work with each student to identify a plan of action for courses that each student wishes to take and to identify post-secondary plans for each student. Students will receive progress reports and report cards through their advisors. Parents are invited to meet with advisors during early release days in October and March as well as during the spring semester each year as we plan schedules for the following academic year.

GUIDANCE SERVICES

Mrs. Augusta Murphy–Last Name K-Z Counselor

Mrs. Christie Simpson–Last Name A-J Counselor
Mrs. Candy Oglesby– Guidance Services Coordinator/Registrar

The goal of the Hart County High School Guidance Department is to help students better understand and accept their own individuality and to excel in the classroom and in our society. Academic growth cannot be separated from the social and emotional growth of any individual. Therefore, guidance services focus on growth potential of each student at Hart County High School.

The guidance office staff wants to help and assist students in any way possible and is available to help with academic needs, career planning, CTAE questions, or personal problems. Other guidance services include: Graduation Requirements, Promotion Requirements, College Board Examinations, Student Assessment, Student Advisement.

GRADE PROMOTION REQUIREMENTS

To be considered a 10 TH grade student	=	6 credits
To be considered an 11 th grade student	=	12 credits
To be considered a 12 th grade student	=	20 credits
Graduate	=	28 credits

SCHEDULE CHANGES

Because much time and effort go into the process of scheduling students for classes, schedule changes requested by students will rarely be changed. Occasionally however, the need to drop or add a class is justified. Legitimate reasons for requesting a schedule change are:

- 1) The course has been passed previously.
- 2) The student is unable to perform at the level of rigor in an honor's course.
- 3) The schedule contains a course obviously inappropriate for the student's grade level (example: A freshman has been scheduled for English 12).
- 4) The student needs another class to meet graduation requirements.
- 5) The student is changing their Career Pathway.

Students will need to submit a drop/add request via Google Classroom during summer when schedules are posted or the first **THREE DAYS** of each semester. **SCHEDULE CHANGES WILL NOT BE GRANTED AFTER THE 5TH DAY OF THE SEMESTER.**

Schedules will not be changed for the following reasons:

- 1) Request to change teacher.
- 2) Requests to change lunch schedule.
- 3) Requests to move into classes with friends or out of classes with students one

- “doesn’t like.”
- 4) Student failure to complete required summer work.

WITHDRAWALS AND TRANSFERS

Any student wishing to withdraw from school must go to the guidance office to get a withdrawal slip and then follow the proper procedure for turning in books, materials, etc. Students who leave school without properly completing this process will have their records frozen until their unsettled accounts are properly handled. No information will be sent to prospective employers or other schools until the student has been cleared. If under the age of 18, a student wishing to withdraw permanently from school must be accompanied by a parent and must schedule a meeting with the principal.

HART COUNTY CHARTER SYSTEM USE OF VIDEO

Hart County Charter System utilizes live and recorded video from classrooms to provide instruction to students. Each day, teachers have the option to record their lessons and/or provide live videos of their classrooms in order to provide instruction and support to students. The videos are managed by classroom teachers and are shared only with specific students and staff within the Hart County Charter System. The videos should not be shared or transferred to anyone outside the Hart County Charter System without written consent from classroom teachers. Students failing to follow this guideline will be disciplined as outlined in the Hart County Charter System Code of Conduct. Videos are managed through View Path and Audio Enhancement and are part of our system’s strategic plan for improvement. To preserve the integrity of and professionalism with teacher classroom privacy, as well as, comply with student privacy rights afforded by FERPA, video feeds cannot be accessed unless permission is provided by the teacher via video link to specific students on an as needed basis and should only be used for instructional purposes.

PROTECTION OF PUPIL RIGHTS AMENDMENT

PPRA affords parents certain rights regarding the conduct of surveys, collection and use of information for marketing purposes, and certain physical exams.

Parents and eligible students (18 or older or emancipated minors) shall be notified at the beginning of the school year if the school district has identified the specific or approximate dates during the school year when any of the activities listed below are expected to be scheduled. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys and be provided an opportunity to opt their child out of such activities and surveys. The Board of Education has developed and adopted policies, in conjunction with parents, regarding the activities described below. In accordance with Board policies, prior written consent must be obtained from parents before students are required to submit to any survey that contains questions about one or more of the areas listed in paragraph (A) and that is funded in whole or in part by the U.S. Department of Education. You have the right to inspect any survey or instrument used in the collection of information under subparagraphs (A) and (B) before the instrument is administered or distributed to a student and to opt your student out of participation in any activities described below in accordance with regulations developed by the Superintendent.

- (A) The administration of any survey containing one or more of the following items:
- (i) Political affiliations or beliefs of the student or the student’s parent;
 - (ii) Mental or psychological problems of the student or the student’s family.
 - (iii) Sex behavior or attitudes;
 - (iv) Illegal, anti-social, self-incriminating, or demeaning behavior;
 - (v) Critical appraisals of other individuals with whom respondents have close family relationships;
 - (vi) Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
 - (vii) Religious practices, affiliations, or beliefs of the student or student’s parent; or

- (viii) Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program), without prior written consent of the parent or eligible student.

(B) Activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information (or otherwise providing that information to others for that purpose).

(C) Any non-emergency, invasive physical examination or screening that is required as a condition of attendance, administered by the school and scheduled by the school in advance, and not necessary to protect the immediate health and safety of the student, or of other students.

You may, upon request, inspect any instructional material used as part of the educational curriculum for your student.

The school is required by federal law to give this notice to parents. However, the school does not have scheduled any such activities as are described above. If any such activities are initiated during the school year, parents will be notified accordingly and will be afforded all the rights as described herein;

SECTION 504/AMERICANS WITH DISABILITY

No otherwise qualified individual with a disability in the United States, as defined in Section 7(20), shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. Title II prohibits discrimination on the basis of disability by public entities, including public elementary, secondary, and postsecondary schools, regardless of whether they receive federal financial assistance.

Any parent, teacher or administrator may request an evaluation of their child to determine eligibility for accommodations under Section 504. Requests are to be made to the school based 504 Coordinator or the School District Coordinator, Stacy Martin. Initial evaluations may not be conducted unless the parent has given permission for the evaluation. Evaluations are to be conducted by a team of individuals who know the student and the determination of eligibility is to be a team decision. Parents are to be informed of decision made by the team.

Any student or parent or guardian (“grievant”) may request an impartial hearing due to the school system’s actions or inactions regarding your child’s identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the school system’s Section 504 Coordinator; however, a grievant failure to request a hearing in writing does not alleviate the school system’s obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the school system’s Section 504 Coordinator. The school system’s Section 504 Coordinator will assist the grievant in completing the written Request for Hearing. The Section 504 Coordinator may be contacted through the school system’s central office. Copies of the *504 Procedural Safeguards* and *Notice of Rights of Students and Parents Under Section 504* may be found at the system website or may be picked up at the central office or at any of the school offices.

LOCKERS

All students will have an opportunity to rent a locker from Coach Blackwell in ISS (room 109) for the school year at a cost of \$5.00. Each student is responsible for keeping his/her locker clean, both inside and out. Students may not share a locker with another student. Lockers are subject to routine unannounced inspection by the administration. Such searches may be conducted using drug-sniffing dogs and/or hand-held metal detectors.

MEDIA CENTER

Hilaree Hudson, Media Specialist

1. Students deserve a quiet and orderly library when they are there to read and/or study. Please respect the rights of others. Be thoughtful and keep the library a pleasant place for reading and studying.
2. The books in the library belong to the school. Any student checking books out of the library will be held responsible for taking care of those books. Books that are lost or damaged must be paid for by the student.
3. Students may check out three books at a time. The books may be kept for a period of two weeks. The books can be renewed one time unless there is a waiting list or the teachers ask that the books not be renewed.
4. All checkouts are done through the main library computer. Students may not check out a book if they have overdue materials. Students may be charged a fine of five cents a day for each school day the book is late. Students who owe a library debt may not check out any materials in the media center until debt is cleared.
5. Students coming to the library from a classroom must sign in at the circulation desk and present a pass stating the student's name, date, and time. Students without a pass will be sent back to class. Students who are in dual enrollment classes, work based learning, or other blocks with no assigned class may sit in the media center; however, they will be expected to stay in the media center until the end of the period. They must sign in and are expected to follow all of the HCHS Media Center procedures. They will not be allowed to leave the media center and must be in dress code.
6. Once students sign in at the circulation desk they are expected to remain in the main area of the media center until the end of the class period or the time they are expected back by their teacher. Students are expected to complete the tasks assigned by their teacher while they are in the media center. Students who are off task or disruptive will be sent back to class. Students will not be permitted to leave the media center to visit other classrooms or the vending machines. Students must ask for a pass to go to the restroom or office.
7. Food and drinks are not allowed in the media center under any circumstances. Students may have bottled water but will not be allowed to bring food or other beverages into the media center.
8. Students must ask permission before using cell phones in the media center. Cell phones may be used to complete assignments or for other uses at the discretion of the media specialist. Students may not make phone calls or participate in other activities that may disturb other students working in the media center.
9. Students must have a lunch pass from their third block teacher in order to go to the media center during their lunch. Students must present the pass to Mrs. Hudson and sign in at the circulation desk. They will not be allowed to leave to go to the vending machines or bring food or drinks into the media center. The media center will be closed during fourth lunch each day.
10. Students are allowed to print in the media center. Students may print black and white copies at no cost during the school day. Students may print color copies during fourth block only and will be charged twenty-five cents for each page they print. Students must come in with their chromebooks ready to print and are expected to print items to be used for school purposes.

CHROMEBOOKS

1. Students are expected to bring their chromebooks and chargers with them to school each day. The media center will not loan chargers or chromebooks to students who may have left their chromebooks at home on any particular day. Each teacher will have one charger and one chromebook checked out to them that they may allow students to use at their discretion. Teachers are responsible for the distribution, collection, and security of these chromebooks and chargers. Teachers are not obligated to loan these devices to students as students are expected to bring their own each day.

2. Students with damaged chromebooks should present their device to Mrs. Hudson so that it may be repaired. Students are responsible for repair fees associated with the damages and must pay them at the end of the semester in which the device was damaged.
 - a) Charger Replacement: \$20.00
 - b) Key Replacement: \$20
 - c) Screen Replacement: \$30.00
 - d) Chromebook Replacement: \$150.00
 - e) Other: The technology department reserves the right to issue repair fines for damages that appear to have been caused maliciously or by negligence and Mrs. Hudson will notify students if they have been fined.
3. Students will keep the same chromebooks during their time at HCHS. They will only turn in chromebooks to the media center for repairs or before they graduate or withdraw from the school. *Chromebooks that are sent to the technology department for repairs will be checked in and a new device will be checked out to students. Students will also receive an invoice stating the cost (if any) of repairs.*
4. Students must keep chromebooks clean and not deface them with stickers, markers, whiteout, or other materials.

SCHOOL NURSE/HEALTH CLINIC

The health clinic is for vision, hearing, and dental screenings, assisting students with chronic medical problems, medical treatments, assistance and monitoring of medications (signed parent request required), illnesses and accidents occurring at school. The clinic is not to be used in place of parent or physician care. Generally, a student should stay home:

- vomiting more than once
- if there is fever over 100 F. (Do not give Tylenol and send to school)
- persistent pain (ear, stomach, injury, etc.)
- productive/persistent cough
- a widespread rash

Most of these problems need to be discussed with your child's doctor. Please complete and return the Health Service Consent form and keep emergency contacts up to date. Parents must provide an accurate phone number to school personnel. If a student is seen in the clinic, a record of visit will be documented and the nurse will call the parents.

MEDICATION

Medicine should be brought to school **only** when it must be given during school hours; this includes over-the-counter medications. Medication should be brought by a parent/guardian directly to Nurse Odom. Students are only allowed to carry asthma inhalers and Epi Pen injectors with **signed** parental consent. All medicine must be in the original container with student's name and instructions. Written parental request must be given for school staff to assist with all medications. A doctor's signature is required on all medications to be given for more than 2 weeks. The school will gladly assist your child with his/her medicine; however your child will be responsible for coming to the Nurse's office at the prescribed time. Parents are responsible for picking up medicine when treatment is completed or at the end of the year. Any medication not picked up by the last day of school will be destroyed.

HEAD LICE

Students who have head lice (pediculosis) will be sent home from school. Before re-entering school, it will be necessary for parents to obtain a statement from a physician or the Hart County Health Department or school nurse stating that the student is free of ALL infestation and any remnants, including dead nits. When the student's head is still suspect, he/she will not be allowed to re-enter school. However, if your child has not been cleared to re-enter on or before the second (2nd) school day from the date he/she was sent home, the absences will be marked unexcused. Referrals will be made to the School Social Worker for repeated cases of head lice.

FOOD SERVICE

Educational research has shown that students can learn more effectively when they are properly nourished. Nutritious breakfasts and lunches that meet USDA nutritional requirements are served each day at the school. Hart County is now eligible for Community Eligibility Provision (CEP), which makes it possible for breakfast and lunch to be served to ALL students at no cost to you. Second meals and ala carte items are still available for purchase.

For your convenience, menus are on the HCHS website in addition to www.hart.k12.ga.us/nutrition. If your child chooses to purchase extra meals or ala carte items, he/she must have money on his/her account or pay at the point of service. Parents are encouraged to pre-pay their child's account. As an additional pre-payment option and convenience to parents, on-line payments may be made at www.myschoolbucks.com. This is an on-line system that allows parents/guardians to make deposits into a student's meal account or view meal purchases. A \$2.75 transaction fee covers the cost of processing online transactions. This fee goes directly to the payment processor, not to the school district.

Parents that have children who have a special nutritional or feeding need due to a disability must have their child's Physician complete the EATING AND FEEDING EVALUATION CHILDREN WITH SPECIAL NEEDS form. This must be completed and on file with the School Nutrition Manager of each school before any modifications are made. This is a separate form from what is turned in to the school nurse and must be completed each year. These forms may be picked up from the Nutrition Manager or at www.hart.k12.ga.us/nutrition.

2024-2025 Meal Prices

The cost of meals for fully paid students are as follows:

- Breakfast and Lunch will be available at no cost to students!
- Complete second lunch \$3.75
- Adult Breakfast \$2.00
- Adult Lunch \$4.50

If you have any questions please contact Courtney Hart, Hart County School Nutrition Director at (706) 856-7294.

VENDING MACHINES

Vending machines are provided as a convenience for students. Students are encouraged to use vending machines during class changes and not during meal times. At no time should snacks in the vending machine be considered a replacement for meals. Students are encouraged to make healthy choices when using the vending machines. Students should not go to snack machines during 3rd period nor is it a reason to be tardy to class. No student is allowed in the teacher workroom to get water, ice, or use the vending machines.

FOOD

No outside food (restaurant) is permitted at school in accordance to federal guidelines. Failure to follow this guideline can lead to disciplinary action and the discarding of the food. Cafeteria food should not leave the cafeteria at lunch in accordance with federal guidelines as well.

PERSONAL ELECTRONIC DEVICE (PED) POLICY

Students are not allowed to use PEDs at HCHS.. PEDs at HCHS include: Cell Phone, Headphone, Airpod, Tablet, etc. PEDs need to be stowed in bookbags and placed in the pocket chart upon entering the classroom. Any phone not placed in the pocket chart is subject to being taken up if it goes off or is seen it will be confiscated, tagged and turned into the front office. The parent/guardian must pick up the device in the front office after 3:15 pm. PEDs will **NOT** be released to students. Students should not have their devices out of their bookbag except to place it in the pocket chart. PEDs may be used in the cafeteria during breakfast and lunch. The incident will be recorded as a disciplinary infraction and repeated offenders will be referred to administration. In the event of an emergency, students may use a

school phone and parents may contact the main office to get a message to their child. Students are not permitted to use their personal cell phones to call or text except in the cafeteria during breakfast/lunch.

PBIS

Hart County Charter System implements Positive Behavior Intervention and Supports (PBIS) to support student growth. PBIS is an evidence-based, data-driven framework proven to reduce disciplinary incidents, increase a school's sense of safety and support improved academic outcomes. More than 1,400 Georgia schools and 27,000 nationwide have been trained in PBIS. Implementation of PBIS is saving countless instructional hours otherwise lost to discipline. The premise of PBIS is that continual teaching, combined with acknowledgement or feedback of positive student behavior will reduce unnecessary discipline and promote a climate of greater productivity, safety and learning. PBIS schools apply a multi-tiered approach to prevention, using disciplinary data and principles of behavior analysis to develop school-wide, targeted and individualized interventions and supports to improve school climate for all students. Redemption for items will occur through Mr. Blackwell in the ISS room by scanning the QR code with the item of interest.

ONLINE LEARNING

In July 2012, Senate Bill 289 passed allowing students opportunities to take online courses. This legislation does not require an online course to graduate, but provides an online learning option should your student or you choose this option. Participation in online courses during the school day is subject to availability of personnel to supervise students and the capacity of the school to accommodate learners on the computer. In addition, House Bill 175 passed establishing a clearinghouse for stakeholders to find online courses and online course providers in the state of Georgia. This notice is to inform you about the key components of each piece of legislation and how to find online learning opportunities for your student.

Overview of Senate Bill 289:

- Districts must notify students and parents of online options beginning in the 2013-2014 school year.
- Districts must allow students to take an online course even if the course is offered in the local district.
- Online courses can be accessed through the Georgia Virtual School, local virtual schools, or vendor online schools.
- If the online course is taken in lieu of any of the regular 4 periods, then the school will pay for the course. If an online course is chosen in addition to the regular 4 periods, the parent will pay for the course.

Overview of House Bill 175:

- This bill mandates the creation of an online clearinghouse of online courses and online course providers to give parents and students the ability to search the clearinghouse for availability to online courses, online course providers, and guidelines for what constitutes high quality online courses.

Accessing Georgia's Online Clearinghouse:

The Georgia Online Clearinghouse provides students and parents with information and access to high-quality academic and career-oriented courses, aligned to state and national standards, through a variety of online providers. To access the information found in the clearinghouse go to:

http://www.gadoe.org/_layouts/GADOEPublic.SPApp/Clearinghouse.aspx

Step One: Type in the course you need (for example 9th grade Literature)

Step Two: Type in your zip code. You will then see a list of the online course providers in Georgia who have the course you selected. The program provider's names have been linked for users to access their site for registration information.

Step Three: Utilize the **provider's site to register** the student in the selected online course.

EOC TESTING UNEXCUSED ABSENCES

Students will take a Georgia Milestones End of Course Test (EOC) at the end of 4 academic courses: American Literature and Composition, Algebra, US History, and Biology. Per the Georgia Department of Education requirements, these very important assessments count 20% of the students' final grade in each of these classes. Exact test dates are listed at the beginning of this handbook, but they are typically administered during the last 2-3 weeks of each semester. It is very important for students to be present on their class's testing day so they can test in the best environment.

Students may not help with field days at other schools on these days, nor may they participate in school field trips during their EOC testing blocks. Students who miss their EOC for either of these reasons, will be considered skipping. As a result, the student will receive a behavior referral with ISS, be awarded unexcused absences for that time, and have to make up the EOC at the discretion of the Testing Coordinator.

EOC TEST-OUT OPTION POLICY

The Georgia State Board of Education recently adopted a "Test-Out" provision (Rule 160-5-1-.15) for students enrolled in high school. Under the provisions of the amended rule, students may "Test-Out" of any course for which there is an associated End Of Course Test (EOC), and they may also earn credit for the course through that process. For example, a student may attempt the Biology EOC prior to taking the course. If the student reaches the performance level of Exceeds (90 or higher), the local board of education shall award the student the Biology course credit. As stated in the Rule, ***students may earn no more than three units of credit by demonstrating subject area competency in this fashion.*** See your counselor for information and guidelines.

FINAL EXAM EXEMPTION POLICY (This does not include EOC tests.)

Students may exempt the following number of Final Exams if they meet the criteria below. 9th-11th grade students will have to complete the Google form to choose which exam(s) that they would like to exempt.

- 9th grade – 1 final
- 10th grade – 2 finals
- 11th grade – 3 finals
- 12th grade – all finals**

Criteria for Final Exam exemption (all 4 criteria must be met to exempt**):

- No ISS or OSS
- 90 or better grade at the time of the exam with bonus points for Honors/AP
- No more than 1 unexcused absence
- Two or fewer tardies

**SENIORS ONLY may appeal one of the criteria listed above in order to qualify for exam exemption.

Students may not exempt an EOC test, however, if they qualify for exam exemption in an EOC class, they do not have to attend that block on the day of the EOC class's final exam time.

HALL PASSES

A student is not permitted in the halls during class periods unless he/she is accompanied by a teacher or has a hall pass from an authorized staff member. A pass from a teacher is also required to use the telephone, to see a guidance counselor, or to see any administrative personnel. Students will be considered tardy or absent if they do not have a teacher's permission to be out of class and will be subject to disciplinary action. Students found to be in an area they did not have permission for will be disciplined.

GEORGIA SCHOLAR

The Georgia Scholar Program is an effort by the Georgia Department of Education to identify and recognize high school seniors who have achieved excellence in school and community life. To be named a Georgia Scholar, a student must have a minimum score of 1360 on the SAT or 31 on the ACT; must have earned 22 Carnegie units of credit for graduation including three units in science, one of which must be chemistry or physics; four units in mathematics, including algebra II; three units in social studies consisting of economics and citizenship, world history, and U. S. history; four units of English language arts; two units of the same foreign language; and one unit in fine arts. The student must also have maintained a 3.75 GPA on a 4.0 scale in all schoolwork taken in grades 9-12.

The student must also have assumed leadership in at least two extra-curricular activities sponsored by the school; assumed leadership in youth activities outside the school; be registered to vote if 18 years of age; and have shown evidence of self-esteem in day-to-day activities.

DUAL ENROLLMENT PROGRAM

The dual enrollment program provides qualified public high school students in Georgia with the opportunity to earn postsecondary institution credit and Carnegie unit credit while simultaneously enrolled in a college, university, or technical institution. Students must have at least a "B" average in academic classes. Credit hours paid by the Dual Enrollment Program will not count towards the limit of postsecondary hours paid for by the HOPE Program. Students are given 5 bonus points that is added to their course grade. The state of Georgia limits dual enrollment to 30 credit hours.

HONOR GRADUATE

The distinction of Honor Graduate is awarded to those students who have achieved a 95 or above average in academic (ELA, math, science, social studies, foreign language) courses in grades 9 – 12. Students must maintain this 95 average for grades 9-12. The weighted grade will be used in calculations. This is also the standard for Junior Marshals status noted during 11th grade.

HONOR ROLL/MERIT LIST

Merit List – All students with a semester average in all courses of 80 or higher.

Honor Roll – All students with a semester average in all courses of 90 or higher.

STAR STUDENT

The school STAR student must be a legally enrolled senior in an accredited Georgia public or private high school. Seniors who are jointly enrolled in a high school and college are eligible for STAR honors if all other requirements are met and if they take the College Board Scholastic Assessment Test (SAT) on any national testing date through the November testing of the senior year. The STAR student must score the highest on one test date (scores may not be combined from two test dates) on the SAT among qualified seniors in the school. Nominee's SAT scores must be equal to or higher than the latest available national high school average on both the verbal and math sections.

In addition, the STAR student must be in the top 10 percent or be among the top ten students numerically. If the student with the highest SAT score does not meet the top 10 criterion, the student with the next highest SAT score who does meet the criterion becomes the nominee. PAGE (Professional Association of Georgia Educators) sponsors the STAR student program and sets its guidelines.

SCHOOL-SPONSORED ACTIVITIES

Students should not be counted absent but are responsible for all work missed due to a school-sponsored activity. Coaches and club sponsors will submit a roster of all students participating in school-sponsored activity three days in advance.

STUDENT ATTENDANCE

Students who attend school regularly are more likely to feel connected to the school and thus are more likely to perform better in the classroom, have a positive attitude and are more likely to graduate from school. Hart County Board of Education recognizes the significance good attendance contributes to school performance and thus supports having a consistent approach to ensure students attend school. The Attendance Protocol has been developed to provide parents, students, teachers, and school staff the information by which to address attendance issues.

The Georgia Compulsory School Attendance law (O.C.G.A. § 20-2-690.1) requires children to attend school from age 6 to age 16. It also places children who start school before the age of 6 to be subject to the law if they are enrolled in school for at least 20 days.

Hart County Risk Reduction Panel

By order of the Juvenile Court, the Hart County Risk Reduction Panel has been established. Students with excessive absences and/or tardies may be called to appear before this panel, which consists of members of various community agencies gathered to provide support to parents and children for the purpose of improving attendance. It is incumbent upon the parent(s)/guardian(s) to work with the panel to develop a plan of action. Failure to comply with the plan may result in a referral to the Department of Family and Children Services and/or Juvenile Court.

Absences

A student is considered absent any time he or she is missing from any assigned class or school activity, with or without parental permission.

Excused Absences

An excused absence is an absence that is a result of one of the following reasons:

Any state approved reason (as listed below):

Personal illness, requiring attention from a health care professional (Medical, counseling, dental, and other agency appointments that cannot be scheduled before/after school hours)

Serious illness or death in a student's immediate family

A court order or an order by a governmental agency mandating absence

Religious holiday

Conditions rendering attendance impossible or hazardous to student health and safety

Visitation with a parent or legal guardian in military service in the armed forces of the United States or the National Guard, and such parent or legal guardian has been called to duty or is on leave from overseas deployment to a combat zone or combat zone posting

All students serving as pages of the Georgia General Assembly

All students in foster care who attend court proceedings relating to the student's foster care

All students traveling on a school-sponsored trip

All out of school suspensions shall be temporarily excused. A student under suspension will be allowed to make up work according to Hart County Board Policy JBD.

Parent Excused Absences

Each student is allowed **five (5)** parent excused absences per semester. These absences are to be supported by a note from the parent/guardian and must be received within **TWO (2) school days following the student's absence** in order to be accepted. The parent note should include the reason for the absence and be signed by the student's parent/guardian with the phone number where the parent/guardian may be reached during the day.

Submitting Excuses

Once a student returns to school, written documentation of absences must be received within **TWO (2) school days following the student's absence** in order to be accepted. If the written documentation is not received within **TWO (2) SCHOOL DAYS**, the absence will remain as an unexcused absence.

Unexcused Absences

A written summary of possible consequences and penalties for failure to comply with Georgia Compulsory School Attendance law (O.C.G.A. § 20-2-690.1) will be provided to parent(s)/guardian(s) by September 1 of each school year or within thirty (30) days after a student has enrolled in the school district. The parent(s)/guardian(s) will sign a statement indicating receipt of such a written statement of possible consequences and penalties.

Students who are ten (10) years or older by September 1 will sign a statement indicating receipt of a written statement of possible consequences for noncompliance with the school district's attendance policy.

THREE (3) UNEXCUSED ABSENCES

3 Day Attendance Letter

The school will send an attendance letter and a copy of the notification of compulsory attendance form to the parent/guardian. The parent/guardian and student will be asked to sign and return the form to school. After two attempts to obtain the parent/guardian signature, the school will send the attendance letter and the notification of compulsory attendance form via certified/ return receipt mail. The school will maintain a copy of the letter and certified mail receipt as documentation.

FIVE (5) UNEXCUSED ABSENCES

5-day Attendance Letter

The school will send a 5-day notice of unexcused absence letter and a copy of the notification of compulsory attendance form to the parent/guardian.

The parent/guardian and students will be asked to sign and return the form to school.

After two attempts to obtain the parent/guardian signature, the school will send the attendance letter and the notification of compulsory attendance form via certified/ return receipt mail.

The school will maintain a copy of the letter and certified mail receipt as documentation.

Saturday School

When a student accumulates five (5) or more UNEXCUSED absences in any class, that student will need to start attending Saturday School to earn back those absences. A student can earn two (2) periods or blocks back per Saturday; It takes TWO (2) Saturdays to earn back a whole day. See Saturday School information on page 24 for more information.

Attendance Support Team Referral

After five (5) or more excused absences the the school will contact parent(s) and conduct an Attendance Support Team meeting with the parent(s)/guardian(s) and the student. The purpose of this meeting is to develop an intervention plan to improve student attendance.

Referral School Social Worker

The Hart County Charter System Social Worker will be notified of further unexcused absences following the attendance contract or if a parent/guardian fails two (2) times to respond to attempts to schedule or to attend the attendance meeting.

School Principal Verification of Absence

After five (5) excused absences per semester, the principal of the student's school may require medical or appropriate documentation in support of each and every further absence which the student claims is excused. All excuses will be evaluated by the principal or a designee to determine if the absence is excused or unexcused.

TEN (10) UNEXCUSED ABSENCES

Juvenile Court Referral

The Georgia Compulsory Attendance Law considers students truant at ten (10) unexcused absences. If a student accumulates ten (10) or more unexcused absences a referral will be made to the Hart County Northern Judicial Circuit Juvenile Court Risk Reduction Task Force. Parent(s)/Guardian(s) will be notified by the Hart County Charter System Social Worker via Certified/First Class mail of referral.

Involuntary Student Withdrawal (Ages 16 and older)

A student beyond the age of compulsory attendance regulation (16 years old and up) is subject to being withdrawn from school enrollment after **10 unexcused absences** and with no proof of enrollment in another school, school system, private school, or home study.

SIGN IN/OUT PROCEDURE

Students must sign out in the attendance office before leaving school. No student will be permitted to leave campus with anyone other than a parent or guardian without prior approval. Students who fail to follow the sign-out procedure will be disciplined for skipping class. Students who sign out during the school day are not allowed to sign back in without a medical excuse. Also no student shall sign out after 2:30 unless it is due to medical reasons.

Sign-ins and sign-outs are not excused until the Attendance Office receives a

written note or e-mail for documentation within two days. Forms are available at the Attendance Office to write a parent note when you check your student in or out. Remember that only 5 parent notes will be accepted per semester.

REVOCAION OF INTRADISTRICT or OUT OF DISTRICT PRIVILEGE

Out of District Students

If a student received BOE approval for out of district attendance in Hart County Schools, his/her out of district approval may be revoked and he/she required to enroll in school district the family/student county of residence as recommended by school/ district administration.

SCHOOL ACTIVITY ABSENCE REQUEST

When a student or parent is aware of a forthcoming need for the student to be absent from school due to a school activity, they should request a *School Activity Absence* form. The form is to be completed and submitted to the school principal or designee, at least three (3) days in advance of the absence. School Activity absences will not be approved during the administering of EOC or final exams at the end of grading periods. (Examples of school activity absences include college visits for juniors and seniors (no more than two per year), field day at the elementary school, and other school related activities determined by the school principal or his or her designee.) Students must not plan absences on EOC or AP testing days. Field Days and Field Trips are unexcused absences on a student's EOC or AP testing day. Students who miss their EOC for either of these reasons, will be considered skipping. As a result, the student will receive a behavior referral with ISS, be awarded unexcused absences for that time, and have to make up the EOC at the discretion of the Testing Coordinator. Students who miss AP tests will be charged \$40.

TRUANCY

The Compulsory School Attendance Law (O.C.G.A. 20-2-690.1) makes education mandatory for children between the ages of six (6) to sixteen (16). If a child is enrolled and not yet six years old, but remains enrolled in school for 20 days, that child becomes subject to this law. This law defines truancy to be when a student **exceeds ten unexcused** absences and further requires that local school systems provide parents with a written summary of the possible consequences of violating this law. Should your child reach five (5) unexcused absences you will be sent a notice and asked to sign and return that notice. If the notice is not returned the school attendance clerk will send another notice and should that notice not be returned, a certified letter will be mailed. A parent/guardian has two days following an absence to submit an excuse, after that time the absence will automatically default to an unexcused absence. More information on our school system policy on attendance can be found on the Hart County School System website, <http://www.hart.k12.ga.us/>. Go to the Board of Education tab, select Board Policies, then on the Policies tab, select section "J" for Students.

When a person who is responsible for ensuring the student's compliance with mandatory education violates the law they could be found guilty of a misdemeanor in Superior Court. Each day of an unexcused absence is a separate offense which may carry the following consequences:

- A fine of not less than \$25.00 and not greater than \$100.00
- Up to 30 days of imprisonment
- Community service
- Any combination of the above

When the student is found guilty of truancy the following consequences may be applied by the juvenile court:

- Probation
- Community service
- Youth Detention Center

- Referral to Department of Juvenile Justice for Children in Need of Services complaint with possible protective order to follow
- Possible denial of driver's license if withdrawn from school for lack of attendance
- Any combination of the above

SATURDAY SCHOOL

Saturday School provides an opportunity for students to recover or retake a failed class or AF course grade, to make up unexcused absences, and/or to remediate to retake a failed EOC. Students can earn back unexcused absences on a "time for time" basis; they will earn 2 unexcused blocks back in one class for each Saturday School served. Sessions will occur periodically through each semester and not every Saturday.

Students must complete the Google Saturday School form for each Saturday they want to attend. Forms must be submitted BEFORE 3 pm on the Thursday prior to the Saturday they are attending. Sign-ups are voluntary and no student will be permitted to attend if he/she has not signed up.

Saturday School hours are 8:30-11:30 AM and students that arrive after 8:30 AM will be sent home. Students will report to the doors at the top of the ramp to the 2nd floor of the Academic Building with their Chromebook and charger. Students must stay for the entire session to earn credit; no partial credit will be awarded. Students are expected to be on task, awake, and working the entire time. Any student who does not follow these expectations will be dismissed and no credit will be awarded.

Students who have attended at least 4 Saturday schools for that semester but still have more than 5 unexcused absences in a class may submit a Letter of Appeal to Dr. Stewart at the end of the semester. The Letter of Appeal must explain why the student has missed so many days and what the student will do in the future to improve his/her attendance. Depending on the number of unexcused absences remaining, the appeal may be approved OR the student may be required to attend a designated number of days of Summer School to avoid an AF.

A student with a passing grade and more than 5 unexcused absences in a semester class (10 for a year-long class) will earn an **AF** and be required to attend Fast Track in summer school to earn credit for that class. If the student has attended less than 4 Saturday Schools, those days will be added to their Fast Track session. Credit will not be earned unless all days are served. Example: The student served 2 Sat Schools. The student would have to attend 2 days of summer school PLUS the 2 days of Fast Track. **Two no-shows for Saturday Schools in which the student has signed-up will result in the loss of the privilege of attending Saturday School for that semester and/or serving after school detention.

HOSPITAL/HOMEBOUND INSTRUCTION

Students may be eligible for Hospital-Homebound Instructional Services while hospitalized or confined at home when the absence is expected to be 10 or more consecutive school days. Students may also be eligible for Intermittent Instructional Services if the student has a chronic condition which is expected to result in at least 10 or more absences from school, during the school year with at least three consecutive school days for each occurrence. In either situation the parent requests the instruction, and it must be based upon certification of need by the licensed physician or licensed psychiatrist who is treating the student for the presenting diagnosis. For students who are served under an Educational Service Plan (Response to Intervention team, Section 504 plan or Individualized Education Program team), the members of the team should develop a re-entry procedure upon return to school. Each school has an administrator assigned to coordinate HHB services.

CLASS DUES

Class dues are a standard practice at Hart County High School (HCHS) and questions sometimes arise about their purpose and function. Class dues are only paid **ONCE** during

either your Junior or Senior year. The Class dues fund the following activities for their respective class:

1. Prom Junior and Senior year
2. Homecoming Activities during Senior Year
3. Senior Picnic
4. Senior Awards Night
5. Graduation Ceremony

Class dues for the Class of 2025 are \$100. However, if Juniors fail to pay their class dues by April 4, 2025, they will not be allowed to attend Prom 2025 on April 26, 2025. For the Class of 2025 students that did not pay as a Junior then dues are \$120. Seniors that fail to pay their Class Dues by April 4, 2025 will not be allowed to attend Prom 2025 and if not paid before May 22, 2025, will not be allowed to participate in the Graduation Ceremony. If you have any questions, please email Mrs. Hilaree Hudson at hilaree.hudson@hart.k12.ga.us.

TARDIES

Students are expected to be on time to every class each day. Students tardy to school or class must get a late pass from the front office. Tardiness is an attendance problem as well as a discipline problem, creating classroom disruptions and missed instructional time.

Tardy procedures are as follows:

1 st Offense	Warning
2 nd Offense	Teacher assigned detention/parent contact
3 rd Offense	Referral/one day of supervised study
4 th offense	Referral/ISS
5 th offense	Referral/ISS/Loss of parking privileges
Subsequent Offenses	Discipline referral to administration

ADMINISTRATIVE FAILURE

Any high school student having more than five unexcused absences in a semester course will NOT receive credit for that class unless a letter of appeal is submitted to and approved by Dr. Stewart. In order for an appeal to be considered, a student must have served at least 4 Saturday Schools in the current semester or an equivalent number of hours (12) before or after school hours. In this case, the student must submit the appeal letter to Dr. Stewart 2 weeks prior to the end of the semester explaining the circumstances of the excessive absences and describing the plan for improving attendance in the future. Absences due to out-of-school suspension shall be deemed to be temporarily excused, but a student shall not be denied credit for a class(es) solely because of out-of-school suspension. Students will only be considered for an appeal if they have attended the appropriate number of Saturday Schools based on the number of unexcused absences.

DRIVER'S LICENSE

To get your certificate of attendance for your driver's license, report to the attendance office to fill out a request. Requests must be made at least 2 days in advance of your appointment with the DVS.

High School personnel are required to report students who violate this portion of HB1190 to the Georgia Department of Motor Vehicles.

ATHLETIC ELIGIBILITY REQUIREMENTS

1. Students must earn 2 ½ credits in the semester preceding participation and be on track as defined by State Standards.
2. Students must meet the criteria established by the Georgia High School Association.

SCHOOL SPONSORED CLUBS

School sponsored clubs and CTSOs (excluding competitive interscholastic activities or events) are those under the sponsorship, direction and control of the school that organize

and meet for common goals, objectives, and purposes. DISCLAIMER

School rules published in this handbook are subject to such change as needed to ensure continued compliance with federal, state, or local regulations and are subject to such review and alteration as become necessary for the routine operation of the school. Not all school rules of behavior can be written and inserted in a guidebook; however, we expect students to follow reasonable rules and not violate the rights of others.

CODE OF CONDUCT

The purpose of this code is to provide students in Hart County High School an effective and safe learning environment. This document has been prepared in accordance with the Discipline Procedures of the Hart County Charter System and the requirements of Georgia law and the State Board of Education. It contains information for school personnel, students, and parents. Included in this document is an outline of expected behaviors and the consequences relating to various violations. Expected behavior is behavior that promotes learning and encourages maturity during the school day as well as during all school-related activities and at all off-campus events when the student's behavior is a potential danger or disruption to educational process. Students and their parents need to know and understand this code in order to achieve these goals.

STUDENT BEHAVIORAL EXPECTATIONS

Participate fully in the learning process. Students need to report to school and class on time, attend all regularly scheduled classes, remain in class until excused or dismissed, pay attention to instruction, complete assignments to the best of their ability, and ask for help when needed.

Avoid behavior that impairs their own or other students' educational achievement. Students should know and avoid the behaviors prohibited by this code, take care of books and other instructional materials, and cooperate with others.

Show respect for the knowledge and authority of teachers, administrators, and other school employees. Students must obey reasonable directions, use acceptable and courteous language, avoid being rude, and follow school rules and procedures.

Recognize and respect rights of other students and adults. All students should show concern for and encouragement of the educational achievements and activity participation of others.

Disciplinary action for violations of expected behaviors will include appropriate hearings and reviews. In all cases, the rights of individuals will be ensured and protected. The Hart County Charter System will make every reasonable effort to administer the discipline code consistently in all schools. When applicable, individualized plans (i.e. IEP, 504, and SST) will be reviewed for appropriate consequences.

The school's primary goal is to educate, not to punish; however, when the behavior of an individual student comes in conflict with the rights of others, corrective actions may be necessary for the benefit of that individual and the school as a whole. Accordingly, students shall be governed by the rules set forth in this Code of Conduct.

The Code of Conduct is effective during the following times and in the following places:

- At school or on school property at any time;

- Off school grounds at any school activity, function or even while traveling to and from such events;
- On vehicles for student transportation by the school system;
- On school buses and at school bus stops;
- Also, students may be disciplined for conduct off campus, which could result in a student being criminally charged with a felony, and which makes the student's continued presence at school a potential danger to persons or property at the school or which disrupts the educational process.

Unsafe School: Major offenses including, but not limited to, drug and weapon offenses can lead to schools being named as an Unsafe School according to the provisions of the State Board Rule 160-4-8-.16, UNSAFE SCHOOL CHOICE OPTIONS

Seclusion or Restraint of Students

The use of physical restraint in Georgia public schools and educational programs is governed by *Rule 160-5-1-.35 Seclusion and Restraint for All Students, Code JGF(2), O.C.G.A 20-2-2-240*. The rule can be found on the Georgia Department of Education website at www.doe.k12.ga.us.

STUDENT SUPPORT PROCESSES

The Hart County Board of Education provides a variety of resources that are available at every school within the district to help address student behavioral problems. The school discipline process will include appropriate consideration of support processes to help students resolve such problems. These resources include Student Support Teams, school counselors, chronic disciplinary student plans, mentoring programs, peer mentors, and student leadership class support.

AUTHORITY OF THE PRINCIPAL AND AUTHORITY OF THE TEACHER

The principal is the designated leader of the school and, in concert with the staff, is responsible for the orderly operation of the school. In cases of disruptive, disorderly or dangerous conduct not covered in this Code, the principal may undertake corrective measures which he or she believes to be in the best interest of the student and the school provided any such action does not violate school board policy or procedures.

The Superintendent fully supports the authority of principals and teachers in the school system to remove a student from the classroom pursuant to provisions of state law. Each teacher shall comply with the provisions of O.C.G.A. § 20-2-737 which requires the filing of a report by a teacher who has knowledge that a student has exhibited behavior that repeatedly or substantially interferes with the teacher's ability of such student's classmates to learn, where such behavior is in violation of the student code of conduct. Such report shall be filed with the principal or designee on the school day of the most recent occurrence of such behavior, shall not exceed one page, and shall describe the behavior.

The principal or designee shall, within one school day after receiving such report from a teacher, send to the student's parents or guardian a copy of the report and information regarding how the student's parents or guardians may contact the principal or designee.

The principal or designee shall notify in writing the teacher and the student's parents or guardian of the discipline or student support services which has occurred as a result of the teacher's report within one school day from the imposition of discipline or the utilization of the support services. The principal or designee shall make a reasonable attempt to confirm that the student's parents or guardian has received the written notification, including information as to how the parents or guardian may contact the principal or designee.

PARENTAL INVOLVEMENT

Parents are encouraged to become familiar with the Code of Conduct and to be supportive

of it in their daily communication with their children and others in the community.

This Code of Conduct is based on the expectation that parents, guardians, teachers and school administrators will work together to improve and enhance student behavior and academic performance and will communicate freely their concerns about, and actions in response to, student behavior that detracts from the learning environment. School administrators recognize that two-way communication through personal contacts are extremely valuable; therefore, they provide information to parents as well as on-going opportunities for school personnel to hear parents' concerns and comments.

Georgia law mandates that any time a teacher or principal identifies a student as a chronic disciplinary problem, the principal shall notify by telephone call and by mail the student's parent or guardian of the disciplinary problem, invite the parent or guardian to observe the student in a classroom situation, and request at least one parent or guardian to attend a conference to devise a disciplinary and behavioral correction plan.

Georgia law also states that before any chronic disciplinary problem student is permitted to return to school from a suspension or expulsion, the school shall request by telephone call and by mail at least one parent or guardian to schedule and attend a conference to devise a disciplinary and behavioral correction plan.

The law allows a local board of education to petition the juvenile court to require a parent to attend a school conference. If the court finds that the parent or guardian has willfully and unreasonably failed to attend the conference requested by the principal pursuant to the laws cited above, the court may order the parent or guardian to attend such a conference, order the parent to guardian to participate in such programs or such treatment as the court deems appropriate to improve the student's behavior, or both. After notice and opportunity for hearing, the court may impose a fine, not to exceed \$500.00, on a parent or guardian who willfully disobeys an order of the court under this law.

PROGRESSIVE DISCIPLINE PROCEDURES

When it is necessary to impose discipline, school administrators and teachers will follow a progressive discipline process. The degree of discipline to be imposed by each school official will be in proportion to the severity of the behavior of a particular student and will take into account the student's discipline history, the age of the student and other relevant factors. All due process procedures required by federal and state law will be followed.

The Code of Conduct provides a systematic process of behavioral correction in which inappropriate behaviors are followed by consequences. Disciplinary actions are designed to teach students self-discipline and to help them substitute inappropriate behaviors with those that are consistent with the character traits from Georgia's Character Education Program.

The following disciplinary actions may be imposed for any violation of this Code of Conduct:

- Warning and/or Counseling with a School Administrator or Counselor
- Loss of Privileges
- Time Out
- Removal from Class or Activity
- Notification of Parents
- Parent Conference
- Detention
- Temporary Placement in Alternative Education Program
- Short-term Suspension
- Referral to a Hearing Officer or Tribunal for Long-term Suspension or Expulsion
- Suspension or Expulsion from the School Bus
- Referral to Law Enforcement or Juvenile Court Officials: Georgia Law requires that certain acts of misconduct be referred to the appropriate law enforcement officials. The School will refer any act of misconduct to law enforcement officials when school officials determine such referral to be necessary or appropriate.

Maximum Penalties: The maximum punishments for an offense include long-term

suspension or expulsion, including permanent expulsion, but those punishments will be determined only by a hearing officer or tribunal as outlined in the Hart County Board of Education Policies.

Waiver: Parents or students may elect not to contest whether a student has violated the Code of Conduct or the appropriate discipline and in such cases an agreement may be negotiated which would include the parents or students waiving a right to a hearing before a disciplinary tribunal or hearing officer. Such an agreement and waiver must be approved also by the disciplinary tribunal or hearing officer in accordance with local board policy.

Short-Term Suspensions: Before a student is suspended for ten days or less, the principal or designee will inform the student of the offense for which the student is charged and allow the student to explain his or her behavior. If the student is suspended, the student's parents will be notified if possible. School officials may involve law enforcement officials when evidence surrounding a situation necessitates their involvement or when there is a legal requirement that an incident be reported.

Searches: School officials may search a student if there is reasonable suspicion the student is in possession of an item that is illegal or against school rules. Student vehicles brought on campus, student book bags, school lockers, desks and other school property are subject to inspection and search by school authorities at any time without further notice to students or parents. Students are required to cooperate if asked to open book bags, lockers or any vehicle brought on campus. Metal detectors and drug or weapon sniffing dogs may be utilized at school or at any school function, including activities that occur outside normal school hours or off the school campus at the discretion of administrators.

SCHOOL BUS AND BUS STOP CONDUCT

Students are prohibited from acts of physical violence as defined by O.C.G.A. § 20-2-751.6, bullying as defined by O.C.G.A. § 20-2-751.4(a), physical assault or battery of other persons on the school bus, verbal assault of other persons on the school bus, disrespectful conduct toward the school bus driver or other persons on the school bus, and other unruly behavior;

Students are allowed to use electronic devices on the bus but with headphones only. External speakers are prohibited as it could interfere with the school bus driver's operation of the school bus; and

Students are prohibited from using mirrors, lasers, flash cameras, or any other lights or reflective devices in a manner that might interfere with the school bus driver's operation of the school bus.

School Bus Behavior Contract: A meeting of the parents or guardians of the student and appropriate school district officials must be held to form a school bus behavior contract whenever:

- A student is found to have engaged in bullying; or
- A student is found to have engaged in physical assault or battery of another person on the school bus.

The School Bus Behavior Contract shall provide for age-appropriate discipline, penalties, and restrictions for student misconduct on the bus. Provisions may include, but are not limited to, assigned seating, ongoing parental involvement, and suspension from riding the bus. These provisions regarding use of a Bus Behavior Contract are not to be construed to limit the instances when other Code of Conduct violations may require use of a student bus behavior contract

All buses will pick up and deliver students at regular designated stops on the route. Drivers will make every effort to run on time; however, this will require students to be at the designated stop when the bus arrives. Missing the bus is not an excuse for absence/tardiness to school. School bus drivers represent school authority and are responsible for each passenger on the bus. All students who ride a bus are subject to rules and regulations. Any misbehavior that distracts the driver is a very serious violation and jeopardizes the safety of individuals on the bus. Misconduct on the bus or at the bus stop will result in disciplinary action.
