

School Begins August 27th!

Welcome to the 2024-2025 School Year!

Hello TSHS Families,

As the new school year approaches, we are thrilled to welcome back our students and families for another fantastic year at TSHS! We hope you're making the most of your summer break. Our staff has been doing the same, savoring the summer while also preparing for the exciting year ahead.

At TSHS, we believe that being part of our school community is a choice that both students and staff proudly make. Our school operates on a project-based learning model, where students acquire real-world skills and leave well-prepared for their future endeavors. We deeply value student growth and are dedicated to fostering a strong, supportive school community.

Mark your calendars—our first day of school is August 27th! To kick off the year, students will attend school daily from August 27th to September 4th, differing from our usual schedule. This initial period will focus on embracing our commitment to the TSHS community and setting the stage for an incredible year. During these six days, students will work on a project that will be featured at our Learning Options Market on September 4th. We encourage all families to attend the market and celebrate the hard work and creativity of our students. Following this, students will enjoy an extended weekend with no school on September 5th and 6th.

We will resume our regular schedule on Monday, September 9th. Please refer to the calendar below for an overview of the first month of school.

Important information and dates, including details about transportation, health care plans, start and end times, freshman orientation, and more, can be found throughout this newsletter.

We're looking forward to an amazing year ahead! If you have any questions or concerns before school starts, don't hesitate to reach out to our school office at 509-559-4591 or email me at cascott@cheneysd.org.

Go Thunderhawks!

Warm regards,
Catheleen Scott, Principal

Learning Options Market and Open House

Our Crew Teams will spend the first six days of school collaborating to create an exciting community event for our Annual Learning Options Night Market and Open House on September 4th. This year, all three Learning Options Programs in the Cheney School District—Three Springs High School, Home Works!, and the WIN Academy—will come together for this special event. We invite you and your family to join us for a free BBQ, a small Farmer’s Market, student-run Carnival Games, snow cones, and a chance to meet your student’s Crew Leader and teachers while experiencing our school in action. Our DECA store will also be open, offering TSHS Swag and drinks for purchase.

If you or someone you know would like to participate in our First Annual Learning Options Market, please share the QR code below and encourage them to sign up—it’s free!

FAQ's

- **How do I schedule my classes?**

All students will receive their schedule during the first six days of school. At TSHS, students are registered based on their grade level cohort. Students will meet with their Crew Leader or our Counselor, Travis Weese, to determine their elective classes.

- **What bus do I take?**

All students take Bus #5 from CHS to TSHS. The bus leaves CHS at 7:50 Am each morning and from TSHS at 2:10 Pm.

- **Do I need to register to take the bus?**

If you are new to TSHS this school year, including 9th-grade students, please follow this link to register to ride the bus. After filling out the form, please fill it out and email it to Amy Hill, ahill@cheneyisd.org, and she will get your student on a route. [Bus Registration Form](#)

- **What school supplies do I need?**

Students will need minimal supplies to begin the school year. Some supplies are in our school supplies closet for students to access as needed. There are other items that teachers may ask for throughout the year as projects are designed.

- **How much does breakfast and lunch cost?**

Breakfast and lunch is free to all TSHS students. Our meals are transported to us from the Cheney High School Kitchen. While meals are free, we ask that you please fill out the Nutrition Services forms that were sent to your home. This information supports the continued option of free meals at our school. Also important, many other sources of funding for our school also depend on the completion of this paperwork. In addition, your child may qualify for reduced ASB fees, club fees, etc. If you need another copy of the form please let us know!

- **What if I have allergies or a health concern?**

Depending on the situation, you may need to work with our nurse to ensure we have the appropriate documentation on file. Please don't hesitate to reach out to our nurse, Stephanie Liljestrands, sliljestrands@cheneyisd.org; 509-559-4327.
