FMS INTRODUCTION

There is much to be proud of in being a student at Folsom Middle School. You attend the home of the Jaguars, a friendly middle school for sixth, seventh, and eighth grade students. The Jaguars have established a tradition of high academic standards and achievement and richness in extracurricular activities.

An educated person in the 21st century must be a critical thinker and problem solver: a person who is a life-long learner, and a responsible citizen. At the middle school level, we believe that the adolescent is in the process of growth and exploration. This is the time to instill an understanding of the important implications of education in our students' lives. Learners must understand and appreciate the value of a strong work ethic and responsibility, while experiencing the joy of learning. They must experience the outcomes of cooperative effort and relevancy to their daily lives and futures.

Kids learn best when the material is relevant, engaging, and fun. To this end, we will use a variety of instructional delivery strategies in the classroom and individualize instruction as much as possible. Cooperative and active learning will be the norm, with interdisciplinary teaming and a thematic approach to instruction being further developed.

SCHOOL MISSION

At Folsom Middle School we provide a safe environment where all students are able to learn and grow and are empowered to make responsible life choices.

VISION STATEMENT

Cultivating Life-long Learning for All Students

STUDENT EXPECTATIONS

1. Arrive on time to school and classes.
2. Arrive with all necessary school materials.
3. Actively engage in the learning process.
4. Be kind and respectful to self and others.
5. Be responsible for keeping the campus clean.
6. Follow all school rules.
7. Do not bring gum or candy to school.
8. Electronic devices are to be off during class and passing periods.

FMS is not responsible for lost or stolen property.

SCHOOL ROUTINES

Arrivals

Students arriving at school by private vehicle **MUST** be dropped off in the **EAST** parking lot. **Parents may access the east parking lot at the stop light. THE WEST LOT IS ONLY FOR BUSES AND VEHICLES WITH FMS ISSUES PASSES. NO EXCEPTIONS.**

Bikes, skateboards, scooters, etc. must be walked on campus. Skateboards and scooters should be taken directly to the storage room by the counseling office. Bikes should be locked in the bike rack immediately upon arrival at school.

Students may not arrive on campus before 8:00 am, unless they are enrolled in Zero Period. School begins at 8:50 a.m. The first bell rings at 8:45 a.m. This is a warning bell. Students have five minutes to get to class.

Students arriving after 8:50 a.m. must report to the office and check in before going to class. Students arriving after 9:20 a.m. without a parent's/guardian's excuse are considered tardy.

Bus Transportation

Riding the bus to school is a privilege, which may be revoked if policies and safety rules are not observed. Students must go directly to the buses as soon as they are dismissed from school. If you misbehave on the bus, you may be suspended from riding the bus for a period of time.

Telephone Use

The telephone in the office is for students to use to call parents only. It is not for general use. Students are requested to be courteous and to limit their phone calls to two or three minutes.

Messages and Deliveries

Due to the volume of requests and multiple classroom interruptions, the office staff will not accept or deliver nonessential personal messages or items such as balloons, food items, flowers, etc. Parents are encouraged to let students assume responsibility for remembering lunches, school items, homework, etc. Balloons, flowers, stuffed animals, etc., intended to signify a special event, will not be allowed on campus during school hours. These will NOT be delivered to students. **Students are not allowed to order food or items for delivery to school at any time. Parents/caregivers wishing to deliver food to their student may only deliver food for their student (no group pizza, cakes, cupcakes, etc.). All deliveries must be delivered to the main office.**

ACADEMIC POLICIES

PROCESS FOR RESOLVING SCHOOL ISSUES

The Folsom Middle School process is a defined four-step progressive process.

Step 1: Contact the teacher directly (by phone, email or letter).

Step 2: Contact your student's counselor.

Step 3: Contact the appropriate Assistant Principal per first letter of student's last name.

Step 4: If you have completed the previous three steps, and your problem/issue still needs to be addressed, please contact the Principal.

Parents are apprised of their student's progress in the following ways:

- Report cards will be posted on PowerSchool and mailed home at the end of each semester.
- All teachers will upgrade PowerSchool grades in a timely manner.
- Deficiency Notices will be posted on PowerSchool during at the end of each academic quarter. Deficiency notices are given for any grade of D or lower.

WEEKLY PROGRESS REPORTS

We encourage all parents to use PowerSchool to access information regarding grades, attendance and daily assignments. For those without internet access, our progress report process will remain in place. This is a parent-initiated progress report. The process is as follows: parents must call the Weekly Progress Report hotline, (916) 294-9040, each week that they want a progress report no later than 3:00 p.m. on Wednesday afternoon.

It is suggested that parents provide an incentive for their student to have it filled out by each teacher and bring it home on Fridays.

PROMOTION POLICY

For your child to participate in the end of the year Celebration - your child must meet all of the following criteria:

- Attendance
 - 90% attendance:18 days of unexcused absences
 - Independent Study Program - 80%
- Discipline
 - No major Ed Code violations in the second semester
 - All discipline consequences must be served
- Grades
 - Demonstrate minimum proficiency in ELA and Math (Earn passing grades in both math and English with an overall average of "D" or higher.)
 - 9/12 semester grades are passing in a six period day over two semesters
 - Passing is defined as all grades above an F

Option of a promotion contract will be available to sites

Failure to meet this criteria makes your child ineligible to participate in the Celebration. *The Celebration is defined as: all end-of-the-year 8th grade activities (field trips, dances, etc.) and the ceremony where your child receives their certificate of middle school completion in an organized procession at the end of the year.*

Students who do not meet the eligibility requirements to participate in the Celebration will still advance to the 9th grade and receive their certificate unless retention is recommended.

At the end of each semester, counselors will review grades and determine if any students are at risk of failure and parents and students will be notified of the student's status for promotion. Attendance in, and successful completion of, summer school may be a requirement for promotion from the 8th grade to high school. **Parents and students are encouraged to stay current with assignments and grades. Contact the teacher directly if there are concerns.**

END OF YEAR ACTIVITIES

End of the Year Activities are opportunities to celebrate student achievements and accomplishments. These activities may include the end of the year trip, dances, and ceremonies. In order for students to participate in these activities, the following criteria must be met.

Students may not have:

- Five (5) or more REFERRALS (Office Discipline Referrals);
- Two (2) or more class suspensions in the fourth quarter
- No Administrative suspensions in the fourth quarter.

****School Administration reserves the right to determine student eligibility for end of year activities.**

ACADEMIC HONESTY

Per FCUSD Board Policy 5131.9, Folsom Middle School believes that academic honesty and personal integrity are fundamental components of a student's education and character development. It is expected that students will not cheat, lie, plagiarize*, or commit other acts of academic dishonesty. This includes the sharing of information for others to cheat, lie, or plagiarize.

Minimum consequences for academic dishonesty, prescribed by our Student Conduct Code, include a failing grade on the assignment and parent notification. Maximum consequences may include a five-day (5) suspension, failing grade in the course, probation contract, and administrative transfer.

*Webster's New World dictionary, third College edition, defines the word "plagiarize" as "to take ideas, writings, etc. from another and pass them off as one's own".

HOMEWORK POLICY

Per FCUSD Board Policy 6154, the Governing Board and the faculty and staff of Folsom Middle School, recognize that meaningful homework assignments can be a valuable extension of student learning time and assist students in developing good study habits. Homework shall be assigned when necessary to support classroom lessons, enable students to complete unfinished assignments, or review and apply academic content for better understanding. It is expected that the number, frequency, and degree of difficulty of homework assignments will increase with the grade level and the maturity of students. Homework will be assigned with the following intent:

PRACTICE

To improve speed or accuracy; to internalize skill or meaning;

MAKE CONNECTIONS

To prepare students for new content or to have them draw on connections between prior experience and the new learning

ELABORATE ON OR EXTEND

The student might conduct research, compare and contrast topics, construct an argument, or prepare a visual/graphic learning organizer or representation of the skill or concept.

Parental involvement in homework should be limited to facilitating homework. Given that parents know their children best, we encourage our parents to dialogue with their child's teacher with questions regarding homework.

MAKE UP ASSIGNMENTS

Students returning to school after excused absences are entitled to make up missed assignments for full credit within a reasonable amount of time. The normal time allowance is **two** days or a reasonable amount of time for each day of absence. It is the student's responsibility to arrange for make-up work and complete homework.

Homework as well as classroom assignments are available to families by visiting 'Teacher Websites' and/or Google Classroom located on our school website.

LIBRARY

The library is available for all students before school, during lunch and after school. We have a printer available for student use. The library provides students with common core supported materials, online databases, and books for pleasure reading. Please visit the FMS Library website for more information, including library and textbook policies. <https://www.fcusd.org/domain/3005>.

ATHLETIC POLICIES

ACTIVITY AND ATHLETIC TEAM PARTICIPATION ELIGIBILITY

1. All students must receive a "C" (2.0) grade point average in the previous grading period in order to remain eligible for activities or athletics.
2. The use or possession of drugs and/or alcohol will result in an automatic suspension from a team for the remainder of the season. Conduct deemed as detrimental to the team may result in dismissal from the team.

Examples include but are not limited to harassment, insubordination, and poor attendance. The final determination of the athlete/student's status will be made during a formal hearing that will be convened by the Principal or Principal Designee and the Athletic Director.

3. Related to off campus suspension, no student may participate in athletics or attend an athletic event or activity for the duration of an off campus suspension.
4. Any athlete that is dismissed or quits a team will be deemed ineligible until the current sport/season is over, unless otherwise determined by the Athletic Director and head coach.
5. Any student absent from school for three (3) or more periods of the day of the event will not participate in the event that day.
6. Students that are on a P.E. medical release and unable to participate in P.E. will not be eligible to participate in an athletic event until they provide a release from a doctor.

ATHLETIC TEAM SELECTION PROCESS

We use a tryout procedure for all sports requiring a selection process. Each selection cycle lasts a minimum of two (2) days and consists of a coach observing and assessing each athlete's level of competence in a variety of skills associated with the given sport. After these initial two (2) days, the team is either selected or cut to a smaller number and continue with the selection process. Those athletes who make the first cut are observed for one or more additional days until the final team is selected.

Coaches are deemed responsible for selecting the final team members.

Each athlete is expected to be present for both of the initial two (2) days of tryouts (prior to any cuts). If an athlete is only available for one of the two days, the coach will make a decision based on his or her assessment of the athlete's skill level as observed and assessed on the one day of participation in the tryouts.

Athletes who are absent from tryouts both of these first two days will generally be ineligible for the team. In situations in which the cause of the absence is unavoidable and non-discretionary (i.e., out of state due to a death in the family), the athlete may, in writing, request consideration for an alternate time of observation and assessment. The coach, athletic director and principal would need to agree that the circumstances surrounding the athlete's absence warrant special consideration.

ATTENDANCE POLICY

The State of California utilizes a positive attendance accounting system. We recognize that students who miss 10% or more of the school year are at risk of being a year or more behind their peers academically. Attendance is critical for student success. **Any student absent ten or more days will be considered a chronic absentee.** We respectfully request that you schedule appointments (medical or dental) at the beginning or end of the day whenever possible, and have students attend classes the other part of the day to keep current on assignments.

All absences must be cleared by a parent or guardian either by phone or written message. Absences that are not cleared within three days are considered truancies. **Please call (916) 294-9040 to clear all absences.**

Late to Class

A student is considered late (tardy) if not in the designated area when the bell rings.

· Students accumulating **6** tardies during the year will have **a letter sent home** informing parents of the school's concern and warning parents and student of future consequences if tardies continue. The school will conduct random tardy sweeps throughout the school year. Students caught in the sweep will be assigned an after-school detention.

A student's citizenship mark may be affected by the number of tardies he/she receives during the semester. Be mindful of each teacher's individual late policy.

Tardies and Truancy

The California Legislature defines a truant in very precise language. In summary, it states that a student missing more than 30 minutes of instruction without an excuse three times during the school year must be classified as a truant and reported to the proper school authority. Parents receive a letter of notification at 3, 6, and 9 days of truancy per California Education Code. A student found to be truant may be assigned Saturday School, or the equivalent, on the first offense. Additional truanancies may result in appearing before a SARB committee. Truanancies may be cited by the Folsom Police Department under the Folsom Truancy Ordinance.

- Students receiving the second letter of truancy notification (A tardy is an unexcused absence of at least 30 minutes) during the year will be required to attend a **School Attendance Review Team (SART)** meeting, along with their parent/guardian, and may be placed on an attendance contract. Additionally, student privileges to attend the end of the year field trip for their class may be revoked.
- Students who continue to accumulate tardies during the year (habitual truancy) will be referred to the district's **School Attendance Review Board (SARB)**.

Class-Cut

A class-cut is an unauthorized absence from class **for any length of time**. Cutting school or a class may result in a Saturday School being assigned.

ATTENDANCE PROCEDURES

Per FCUSD Board Policy 5113, and California Education Code sections 48205 and 46014, a student's absence shall be excused for the following reasons: personal illness, quarantine under the direction of the county or city health officer, medical, dental, optometry, or chiropractic appointments, or attendance at funeral services for a member of the immediate family. Upon **advance written request** by the parent/guardian **and the approval of the principal or designee**, "justifiable personal reasons" (coded "JPS") including but not limited to: appearance in court, attendance at a funeral service (excused absence in this instance shall be limited to one day if the service is conducted in California or three days if the service is conducted out of state), observation of a holiday or ceremony of his/her religion, attendance at religious retreats not to exceed four hours per semester, participation in religious instruction or exercises in accordance with district policy (in such instances, the student shall attend at least the minimum school day and shall be excused for this purpose on no more than four days per school month). All other absences for which a parent/guardian seeks to have his or child "excused" (coded PPA) will require **a written request in advance by the parent/guardian and the approval of the principal or designee.**

We understand that many families need to make arrangements months in advance for their vacations and other family obligations. Please review the instructional calendar when planning for vacations and other events that may cause your child to miss school. The 2022-2023 school year calendar is available at <http://www.fcusd.org/fms> and on the district website (www.fcusd.org).

TARDY: The student is absent for 30 minutes or more without a valid excuse.

**All students who are tardy to school or to any class will need to be cleared through the kiosk located in the school office. (This process is beginning in the 2024-2025 school year.

EARLY DISMISSAL:

- Parent may call the school or send a note (note is preferred) with the student, stating student's name, date of early dismissal, and reason.
- Student shall take the note **to the office before school begins** and will be given an early dismissal slip.
- The slip should be signed by the parent and returned to the school office upon student return to school or the following school day.

Parent must pick student up from office when there is an early dismissal.

Students arriving late, from an appointment or due to a tardy, must check in with the front office before going to class.

INDEPENDENT STUDY

If you know in advance your student will be absent for three (3) or more school days, please call your child's counselor or the school's attendance clerk to obtain a Short Term Independent Study Contract. Please provide the office with a **minimum of ten (10) day notice (school days) prior to requesting a short term independent study**. The time away must be a minimum of three (3) school days with a maximum of fifteen (15). Both parent and student must come in to the office to sign the Independent Study contract, which will then go to the principal for approval. The student is required to complete the work provided in its entirety and return their packet to the office before school on the day they return or **the contract will be null and void**.

Upon the return of the signed contract, the counselor or clerk will arrange to have work collected from teachers and ready for pick up on the last day of the student's attendance prior to the absence. Due to an emergency or illness, independent study may be used on a short-term basis (an absence no fewer than three [3] days and not to exceed fifteen [15] days) to ensure that the student is able to maintain academic progress in their regular classes.

STUDENT TRANSFERS

Students transferring out of Folsom Middle School are to obtain a "Transfer Clearance Slip" from the office **before** school starts on **their last day of attendance**. A written note from the parent/guardian should be sent with the student requesting the transfer. It is most helpful if the note indicates the student's new address and school.

The transfer clearance slip is taken to each teacher for a withdrawal grade and the teacher's signature. At the end of the day, all textbooks are to be turned in to the librarian. The clearance slip is then returned to the Office for a final signature. A copy of the clearance slip will be given to the student to be presented to the new school administration office.

CELL PHONES/CAMERA PHONES

POSSESSION AND USE OF CELL PHONES AND OTHER MOBILE COMMUNICATION DEVICES

FCUSD Board Policy 5131

Though students may carry cell phones on campus for their use before or after school they must be turned **OFF** and **OUT OF SIGHT** during the school day. Any use of an electronic device that exploits personal information, disrupts the educational process, invades personal privacy, creates a safety risk, or compromises the integrity of educational programs is strictly prohibited. Students may not use their cell phone in the locker room under any circumstance. Earbuds or headphones are not allowed at any time while on campus without permission.

If the device is used at an inappropriate time students will receive a disciplinary consequence.

The staff and administration take misuse of electronics very seriously.

A student who repeatedly violates this policy may be restricted from possessing a personal electronic device at school or at school related events. Repeated violation of this rule may result in detention/suspension.

Cell phone violations are as follows:

1st violation, student will be given a warning.

2nd violation, student will be assigned a lunch detention and be required to meet with administration with parent contact. Phone will need to be locked in cell phone locker in the office until the end of the day.

3rd violation, student will be assigned two days lunch or after school detention, with parent contact. Phone will need to be locked in cell phone locker in the office until the end of the day.

5th violation, student will attend a Saturday School and may be required to check-in their phone to the front office daily to have it locked in the cell phone locker.

The school takes no responsibility for the loss or damage of such devices.

CAMERAS AND CAMERA PHONES

Cameras or phones with camera features may not be used by students to take photographs or video while on campus without prior permission granted by the administration. Students participating in Yearbook **may** take photographs of other students **only** with prior permission from the administration or adviser.

“Bullying” is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose (as defined by www.stopbullying.gov) We are dedicated to do all we can to stop this type of misbehavior whether it is based on gender, sexual orientation, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability. Since this usually happens when adults are not present, it is important for students to inform their teachers or school personnel when this happens. The administration will handle harassment complaints firmly, quickly, and with the utmost confidentiality in order to protect students.

Sexual harassment, in any form, may result in expulsion (removal from the schools of this district). All students should understand that sexual harassment can mean anything from teasing and name calling to gender-related comments - either male or female. Any student who engages in sexual harassment of anyone at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4 through 12, disciplinary action may include suspension and/or expulsion, provided that in imposing such discipline the entire circumstances of the incident(s) shall be taken into account. (BP 5145.7)

It is especially important students help stop this and other types of misbehavior by reporting such incidents to an adult immediately. We need your cooperation and help in making this a safe, orderly, and friendly school for all students. If you see any type of harassment, let your teachers or the administration know about it. You may also report any incidents quickly and anonymously on the “Report Bullying” Form on the District FCUSD.org website.

If brought to school and used inappropriately, they may be confiscated and consequences will ensue.

CAFETERIA

Students should WALK to the cafeteria. Students are expected to wait in line, and not cut in front of other students for any reason. Backpacks are to be stored under the table and may not be left in the aisles. Before leaving a table we expect all students to take care of their trash appropriately. This means trash to be cleared away and placed in trash receptacles.

COUNSELING

Guidance services are available for every student in the school. These services include help with academic performance, class selection, interpretation of test scores, career and occupational information, group guidance, study organization, help with home, school and/or social concerns or any question the student may feel he/she would like to discuss with the counselor. If you need to talk to your counselor, ask your teacher for

a pass to the office to fill out a visitation request. The counselor will call students when they are available. Your child's counselor can be reached via email at any time from the school website under "Administrative Staff."

BIRTHDAY OBSERVANCES

Balloons, flowers, stuffed animals, food, etc., intended to signify a special event, are not allowed on campus during school hours. Such items are a distraction to the educational process. Delivery of such items will not be permitted.

STUDENT ASSISTANCE

Parents are expected to contact teachers individually first if they have a concern. Conferences with individual teachers can be scheduled before or after school or during prep time by making an appointment with the teacher directly.

Counselors are available to assist students and parents in meeting academic, social and emotional needs. Several services are available through the counseling offices to keep parents informed of student progress:

Teacher Websites/Google Classroom will provide information about assignments and activities for individual classes. Teacher pages can be found on the Folsom Middle School website.

Power School is an online information system for students and parents. Families will receive an access code to set up an account where they may view attendance reports, school and class calendars, grades, homework and much more for their students.
