Message from the Principal

Dear Parents and Guardians:

It is with great pleasure and enthusiasm that I write to introduce myself as the new Elementary Principal of Apache Elementary School.

I am humbled by the overwhelming amount of support thus far. It is with your support and building relationships with teachers and staff that will strengthen our efforts to establish a strong foundation for your child's education and prepare them for the future.

As you may already know, I am a 1991 graduate of FSHS. I graduated from Texas Tech University with a Bachelor's degree and later from Sul Ross State University with a Master's degree in School Administration. I began my teaching career at FSMS and left to pursue other opportunities in coaching. After four districts, I decided to become an administrator. Through various roles I have gained valuable insights into effective teaching practices, student engagement and creating inclusive learning environments.

I have set a number of goals for the upcoming school year. Along with a talented returning staff, we aim to create a safe, successful working environment conducive to student learning. My vision is that we come together as a family for the benefit of all student learners, this and every year.

As we work to implement this vision, communication will be important to every member in the campus community. I encourage you to reach out to me with any questions or concerns you may have about your child. Please contact the front office and set an appointment if you have any issues you need to discuss. We will do our best to keep you informed about school events, school expectations, curriculum updates, and other important information.

In closing, I am honored to have the opportunity to lead an amazing staff at the very place where I started my education. I look forward to working closely with you and the entire school community to uphold the high standards of education and care that Apache is known for. Together, I am confident we can create an enriching and supportive environment where every student can thrive. I eagerly look forward to meeting you and your children.

Thank you for the trust you have in us to educate your child each and every day.

Sincerely,

Gabe Espino

- Help your child get organized. Remind him/her to bring home the necessary materials: binder, pencils, paper, etc.
- Agree upon a regular study time and stick to it.
- See that your child has a regular, suitable study place, with good light, plenty of room, and no distractions (TV, Phone, Family Noise, Etc).
- Ask to see what your child has done each night, and ensure that the work is returned to the teacher. Show interest in what he or she does in school.

A wonderful way to show your child you are interested in his/her life at school is to visit the classroom, and the school welcomes any parent who wishes to help or simply observe. The following visitation guidelines will help minimize disruption of the class.

- Schedule your visit with the classroom teacher and school office in advance, if possible.
- Leave younger children at home, to lessen distractions if possible unless arrangements are made with the teacher.
- The day you visit, stop by the office to sign in as a visitor and receive a visitor's badge.
- When in the classroom, do not engage the teacher in conversation that would prevent her/him from supervising and interacting with the students.
