

Registration for ASA:

- Activity provided by NOVA faculty

In order to sign up, parents will need to purchase an ASA vouchers. Vouchers can be picked-up from either the Activity Instructor or from ms. Ivana Stojneva, one of the school's accountants, located in HS administration. Students may try any activity for up to two sessions before committing to it. The voucher is presented to the instructor after they commit to an activity, at which time the voucher becomes non-refundable. The voucher can't be transferred to another activity.

In order to sign up, students will need to show up at the designated room, as indicated in the attached ASA master schedule, for their chosen activity.

Activities provided by outside instructors, being held off campus or requiring special equipment and/or facilities may be charged a different fee and are serviceable directly to the instructors.
