Harrison School District considers participation in athletics to be an integral part of the overall educational experience. The competition of athletics is viewed as a valuable experience. Athletics provides opportunities for physical, mental, emotional, and social development. Our athletic programs will challenge each student-athlete to strive for excellence, help each student-athlete discover their physical abilities, and require each student-athlete to work cooperatively as a member of a team.

ACADEMIC ELIGIBILITY

- District **AD** will pull grades weekly on Monday. (There will be a 2-week grace period at the beginning of every quarter.)
- Initial grade report will be sent to Athletic Liaison (**AL**) Alisha Hill, Admin Team, and Coaches to verify.
- AD will email the family/student an eligibility warning by Wednesday to alert them of a 1-week warning until the following Monday (2nd Monday) to become eligible again. If they are not cleared by the following Monday, they will be ineligible to participate for that week.
- When a student is given an eligibility warning, they may collect an “Eligibility Appeal Form” [Harrison District 2 Eligibility Form 071124.odt](#) from Alisha Hill. Students will have the remainder of the week, through the weekend to make up work, turn in missing assignments, etc.
- The completed Eligibility Appeal Form must be returned to Alisha Hill no later than 12:00 pm on the 2nd Monday. The appeal will be reviewed by Admin and forwarded to the District AD for final eligibility determination. The coach will be notified of the determination prior to practice that Monday.

Grade Checks Begin: The 2nd week of each quarter

ELECTRONIC/SOCIAL MEDIA CONSIDERATIONS

Harrison School District and the Athletic Department have policies on underage drinking, hazing, and inappropriate behavior. An athlete's decision to post comments or pictures on internet websites and/or social media platforms is a personal one; however, the athletic department and individual team policies should serve as filters for what is placed online. One must remember the athlete always represents Harrison School District. Do not post pictures, comments, or information on web sites that would/could embarrass you, your team, or your school. Inappropriate postings online or on social media sites could result in athletic disciplinary consequences.

DRUG / ALCOHOL / TOBACCO POLICY

As a participant in athletics in Harrison School District, the student-athlete agrees not to indulge in the use of tobacco (in any form), alcohol, or drugs or attend functions where alcohol and drugs are present, being served or consumed during any part of the school year. Student athletes may be subject to athletic and/or school consequences for off-campus behavior involving drugs or alcohol whether or not it occurs within the athletic season. This does not preclude religious activities or special functions for the family (Colorado Law 18-13-122). Should the student-athlete violate any of the above, the following will be followed:

Violation of Administrative Policy JICH – Drug and Alcohol use by students

IN-SEASON VIOLATIONS / OUT-OF-SEASON VIOLATIONS

For drug or alcohol distribution:

365-day ineligibility for all CHSAA sanctioned athletics at Harrison School District.

For drug or alcohol use or possession:

1st offense: 365-day suspension from all Harrison School District CHSAA competitions with opportunity to reduce to 30% of the season the athlete participates subject to a due process committee** review with athlete. 30% can be carried into the next athletic season or the next school year athletic season.

2nd offense: 365-day suspension for all Harrison School District CHSAA competitions without an opportunity to appeal.

3rd offense: permanent removal from all CHSAA sanctioned athletics in Harrison School District.

Violation of Administrative Policy ADC – Tobacco Free Schools

IN-SEASON VIOLATIONS / OUT-OF-SEASON VIOLATIONS

Possession and/or use of tobacco products is strictly **prohibited on school district** property and at school sponsored activities. Violation of district rules whether on/off-campus behavior involving the possession and/or use of tobacco products whether or not it occurs within the athletic season will result in consequences in accordance with the Student Code of Conduct and school disciplinary procedures. In addition, student athletes will be suspended from a minimum of 10% of all Harrison School District CHSAA competitions. The suspension will be for the current season they are participating in or the next one if violation occurred out of season. In addition to the suspension, student athletes must complete the [NFHS – Understanding Vaping and E-Cigarettes](#) class and submit the certificate to a coach or the athletic director before they regain competition eligibility. Each coach may establish additional training rules and consequences dealing with use of tobacco.

****Due Process Committee may include but not be limited to:** Athletic Director, Grade Level Administrator, Dean of Students, and Head Coach.

HARRISON SCHOOL DISTRICT CULTURE

Parents' Role

- I. Team success depends on the parents' positive support of the program and coach. A strong working relationship contributes significantly to the success of the entire team.
- II. Allowing the coaches to guide, instruct and lead their team is crucial in many respects. Don't undermine the coaches at home. Don't blame your child's mistakes on the coach.
- III. Please understand that valuable lessons are learned during the good, bad and tough times.
- IV. Parents' conduct towards officials, the opposing parents, coaches, and team set the standard for sportsmanship.
- V. Remember, your child doesn't intentionally perform poorly. They are doing everything they can to be successful. Their performance is not a reflection of you as their parent. Don't make it about you.
- VI. Students who quit their sport attribute the main reason for quitting is the ride home with their parents after games.
