

COLLEGE CREDIT OPPORTUNITY

Students enrolled in English IV or Adv. Math-Alg. III are eligible to take the College Level Examination Program (CLEP) test in College Composition or College Algebra and potentially earn a free college credit.

CLEP offers 34 exams that cover introductory level college course material. With a passing score on one CLEP exam, you could earn three or more college credits at 2,900 U.S. colleges and universities. A college's CLEP credit policy explains:

- which CLEP exams are accepted by the institution
- the required CLEP score you need to receive credit – usually a 50 or higher.
- how many credits are awarded for a particular CLEP exam

Note: Visit collegeboard.org for specific details. For the most up-to-date CLEP credit policy information, visit the post-secondary institution's website for participation details.

Additional Information:

- There is no cost to take the exam. (Note: If you register for the exam and do not take it, you will be responsible for the \$89 exam fee.
- The results of the exam do not affect your High School Transcript or GPA. Only passing scores may be added to participating college transcript. .
