

SATELLITE CENTER ELECTIVE GUIDE & CAREER MAP

DIGITAL MEDIA CONCENTRATION

OVERVIEW: This concentration prepares Team Members for careers in the digital arts industry and post-secondary study by working on projects for clients and utilizing tools, resources, and methods that are found in the field.

This document should be used as a guide to help students select elective courses relevant to a career in the digital arts. In addition to this guide, students are encouraged to utilize other career planning materials as well as regular meetings with their counselors.

RECOMMENDED ELECTIVES FOR MIDDLE AND HIGH SCHOOL

WHAT CAN YOU LEARN?

Knowledge & Thinking
Utilize design process and principles of design, use industry based technology, complete projects

Collaboration
Work in small teams, share ideas, work with Team Members from other courses, provide feedback

Agency
Reflect on growth and mistakes, take control of and monitor your learning

Written Communication
Send emails, evaluate other's work, create written content for projects

Oral Communication
